Changing the Welcome Message

Whether your course is completely online or web-assisted, it is strongly recommended that a welcome message be added to the home page of your course.

The image below shows a course home page with the default heading. If you need to change the message on the home page follow the steps below.

1. Click the **Turn editing on** button.

2. Click the update button.

3. Type your welcome message in the textbox.

---

**HTML toolbar allows for special text formatting, tables, graphics and web links.**
4. Once you have made all of your modifications, click the **Save changes** button at the bottom of the page. The image below is the result of a welcome message successfully added to the course home page.

**Welcome to PVAMU Sample Course**

*This is a sample template course.* Please begin by reading the information in the "Start Here!" and "Updates and Handouts" areas.
