

PROGRAM EXTENSION FORM

F-1 International Student
Prairie View A&M University

A student who is currently maintaining status and making normal progress toward completing his or her educational objective, but who is unable to complete his or her course of study by the program end date on the Form I-20, must apply for a program extension **prior** to the program end date.

The designated school official must certify that the student has continually maintained status and that the delays are caused by compelling academic or medical reasons, such as changes of major or research topics, unexpected research problems, or documented illnesses. Delays caused by academic probation or suspension are not acceptable reasons for program extensions.
