College of Education

ADMINISTRATIVE OFFICER

M. Paul Mehta, Dean

ADMINISTRATIVE STAFF

Martha Bailey, Director of Student Teaching and Field Experiences
Marion Henry, Director of Teacher Certification
William H. Parker, Head, Educational Leadership and Counseling
Constance Person, Head, Curriculum and Instruction
Clifton Gilliard, Interim Head, Health and Human Performance

PURPOSE AND GOALS

The College of Education is the designated teacher education unit of the University. The objectives of the college center on the areas of pre-service, in-service, and continuing education of teachers in elementary and secondary schools.

The purpose of graduate programs offered by the college is to help the practitioners in the field to gain a mastery of knowledge and skills in a particular area or discipline. Programs are designed to meet the needs of a diverse student population including but not limited to elementary teachers, subject area teachers, teachers of children with special needs, counselors, and those who aspire for supervisory and administrative roles in elementary and secondary schools. The graduate coursework also enables educators to receive certification and/or endorsement in additional fields. Individuals with degrees in fields outside education who desire to be certified as teachers may pursue graduate studies to meet the state certification requirements.

ACCREDITATION

All teacher education programs offered by the College of Education are fully accredited by the Texas State Board for Educator Certification (SBEC) and the National Council for Accreditation of Teacher Education (NCATE).

INSTRUCTIONAL ORGANIZATION

The College of Education provides programs of study leading to the Master of Arts (M.A.), Master of Arts in Education (M.A.Ed.), the Master of Science in Education (M.S.Ed.), the Master of Education (M.Ed.) and the Doctor of Philosophy (Ph.D.) degrees. Requirements for the masters’ degrees include a common core of twelve semester credit hours, a program concentration of twelve semester credit hours and a research/resource area containing a research requirement or thesis and electives. The Ph.D. in Educational Leadership (to be implemented in January 2004) offers several specializations.

The departments within the college and departments with related fields in other colleges provide program concentrations required for advanced degrees, professional certificates, and endorsements to certificates. Courses are also available for continuing education and professional development.
Departments in the College of Education offer the following majors and program concentrations:

**Master Reading Teacher Certification Program**

The Master Reading Teacher certification program is available to practitioners with a valid Texas teaching certificate and three years teaching experience. Certified reading specialists may also pursue the MRT certification program. The program offers three options: Elementary, Secondary; and Special Education.

**ADMISSION TO THE PROGRAMS**

A student seeking admission to graduate programs in the College of Education must first be admitted to graduate study and be classified as degree only, certificate-only, degree and certificate, or special graduate student. Specific criteria for admission can be found in the catalog section, “Graduate Admissions.”

Formal application for admission to graduate studies is made to the Office of Graduate Programs. The departments offering graduate degrees may set requirements over and above those set by the Office of Graduate Programs.
GRADUATE TEACHER EDUCATION CERTIFICATE AND ENDORSEMENT PROGRAMS

Graduate-level certificate programs are coordinated and administered by the College of Education. Components of these programs are provided by various colleges and departments throughout the University. In general, all professional certificate programs require the following components:

1. An Area of Specialization (12 semester hours), approved by the State Board for Educator Certification (SBEC), that consists of graduate-level courses in a teaching field or support area common to Texas public schools.

2. Professional Development Courses (6 semester hours), consisting of advanced study in the theory, methods, and problems of education; designed to improve the efficiency and effectiveness of public schools and public school personnel.

3. Resource Area(s) (6 semester hours), consisting of courses that provide background or support knowledge and skills for the specialization, or that extend the student’s preparation in a closely related field.

4. Electives (6 semester hours) usually in one of the three areas above or a combination of them.

Eligibility for a professional certificate requires two or three years of acceptable teaching experience in an accredited elementary or secondary school. All candidates for certification must pass the appropriate components of the Examination for the Certification of Educators in Texas (ExCET) or the examinations of Educator Standards (TeXES). A listing of certificates available and of the specific requirements for each is provided in this catalog section.

Applications for admission to graduate teacher certification programs may be obtained from the Office of the Dean, College of Education, the Office of Certification, or the Graduate School.

APPROVED PROFESSIONAL CERTIFICATE AND ENDORSEMENT PROGRAMS

**Professional All-Level**
Learning Resources Specialist

**Professional Elementary**
Early Childhood EC-4 Generalist

**Professional Secondary**

REQUIREMENTS FOR THE PROFESSIONAL ELEMENTARY CERTIFICATE

Prerequisites
A Texas Provisional Elementary Certificate and three years of teaching experience.

Academic Specialization ................................................................. 12 SCH
The 12 semester hours must be in a subject taught in Texas public schools and in which
the student already has earned at least 18 semester hours of undergraduate credit in a
program for elementary teachers.

Professional Development ............................................................... 6 SCH
Select from:
CURR 5003 Theory and Dynamics of Curriculum and Instruction .................................................... 3 SCH
EDFN 5113 Psychology of Learning and Development ................................................................. 3 SCH
EDFN 5123 Socio-Cultural Issues in Education ............................................................................. 3 SCH
EDFN 5143 Advanced Educational Statistics ................................................................................. 3 SCH

Resource Area ............................................................................. 6 SCH
Select from:
ELED 5113 Teaching/Learning Styles in the Elementary School..................................................... 3 SCH
ELED 5123 Studies in Elementary Education ..................................................................................... 3 SCH
ELED 5133 Seminar in Elementary Education ..................................................................................... 3 SCH
ELED 5143 Individualizing Instruction in the Elementary School ..................................................... 3 SCH
ELED 5153 Classroom Communication ......................................................................................... 3 SCH

Electives ......................................................................................... 6 SCH
Courses may be selected from any of the areas above.

Total Certificate Requirements ..................................................... 30 SCH

REQUIREMENTS FOR THE PROFESSIONAL SECONDARY CERTIFICATE

Prerequisites
A Texas Provisional Elementary Certificate and three years of teaching experience.

Academic Specialization ................................................................. 12 SCH
The courses selected, with approval of the advisor, must be graduate level courses in one
of the following specializations:
Health
Spanish
Theater Arts
Industrial Technology
Physical Education
Professional Development ................................................................. 6 SCH
EDFN 5113 Psychology of Learning and Development
EDFN 5123 Socio-Cultural Issues in Education

Resource Area .................................................................................. 6 SCH
CURR 5003 Theory and Dynamics of Curriculum and Instruction
3 semester hours of graduate-level courses selected with approval of advisor.

Electives ......................................................................................... 6 SCH
Courses may be selected from any of the areas above.

Total Certificate Requirements ...................................................... 30 SCH

REQUIREMENTS FOR THE EDUCATIONAL ADMINISTRATION PRINCIPAL STANDARD PROFESSIONAL CERTIFICATE

Prerequisites
- Master’s Degree
- Two (2) years of Teaching Experience
- Pass ExCET Examination #68

Common Core .................................................................................. 18 SCH
ADMN 5003 Fundamentals of School Administration
ADMN 5023 Public School Law
ADMN 5033 School Business Management
ADMN 5043 The Principalship
ADMN 5073 School Curriculum Leadership
SUPV 5113 Principles of Supervision

Academic Area ................................................................................. 12 SCH

Resource Courses ..............................................................................
Coursework selected from:
Computer Science
Educational Testing
Educational Research

Specialized Preparation .................................................................... 6 SCH
ADMN 5133 School Community Relations
ADMN 5193 Decision Making
ADMN 5083 Special Topics
ADMN 5013 Theory, Practice and Research
ADMN 5053 Administration of Special Programs
ADMN 5103 School Personnel Administration

ADMN 5503 Mid-Management Internship (Last Course) .................... 3 SCH
Relevancy Requirements

- The following courses must have been taken within the last ten (10) years in order to receive credit toward certification: ADMN 5023, ADMN 5043, ADMN 5053, ADMN 5073, ADMN 5503 and SUPV 5113
- At least 15 semester hours toward certification must be taken at PVAMU
- No grade of “C” will be accepted toward certification
- In order to receive a barcode label for the ExCET test, the following requirement must be met:
  i. Completion of all coursework

Total Certificate Requirements................................................................. 39 SCH

* In order to qualify for the 5-Year Temporary Certification, a passing score must be earned on the Departmental Examination and Twelve (12) SCH (including ADMN 5043) must be completed from this Common Core.
** If one or more of these programs have been completed (with verification), ADMN 5083, Special Topics, may be taken with the advisor’s approval.
*** Must be taken at PVAMU

REQUIREMENTS FOR THE EDUCATIONAL ADMINISTRATION SUPERINTENDENT CERTIFICATE

Prerequisites

- Master’s Degree
- Professional or Professional Principal’s Certificate
- Three (3) years of experience in Educational Administration
- Admitted to the Superintendency Program
- Pass ExCET Examination #64
- The following graduate courses must have been completed prior to admission to the Program or be included in the Program Requirements:
  ADMN 5023 Public School Law
  ADMN 5013 Theory, Practice and Research
  SUPV 5113 Principles of Supervision
  ADMN 5003 Fundamentals of School Administration
  ADMN 5103 School Personnel
  ADMN 5033 School Business Management
  ADMN 5073 Public School Curriculum Leadership
  CNSL 5143 Human Growth and Development
  CNSL 5153 Cross-Cultural Issues

*Common Core ........................................................................................................ 15 SCH

**ADMN 5133 School Community Relations or ADMN 5013 Theory, Practice and Research
ADMN 5063 Problems in Educational Administration
ADMN 5113 Planning and Managing Educational Facilities
ADMN 5123 School Finance
ADMN 5513 Superintendency Internship

Total Certificate Requirements........................................................................ 15 SCH
* All of the Specialization Preparation must be taken at PVAMU.
** If credit was given toward Mid-Management Certification, another course may be taken from the following suggested list of courses:
   ADMN 5083 Special Topics in Educational Administration
   ADMN 5073 Public School Curriculum Leadership
   CNSL 5123 Appraisal Techniques
   CNSL 5153 Cross-Cultural Issues
   SPED 5203 Special Education Seminar or SPED 5213 Introduction to Exceptional Children

REQUIREMENTS FOR THE PROFESSIONAL COUNSELOR CERTIFICATE

Constance Person, Curriculum and Instruction, Early Childhood Education, Elementary Education

PURPOSE AND GOALS

The graduate program is designed to develop those advanced competencies in leadership and instruction that will enable individuals to demonstrate analytical processes in the teaching/learning environment and procedures of educational research and its application.

ADMISSION TO PROGRAM

Students desiring admission to the graduate programs in the Department of Curriculum and Instruction must meet the general admission requirements outlined in the catalog section, “Graduate Admissions Requirement.” Admission to the graduate study, however, does not constitute admission to a master degree program in the Department of Curriculum and Instruction.

In determining an applicant’s eligibility for admission to the Department of Curriculum and Instruction, the following are essential:

1. A baccalaureate degree from an institution accredited by a regional accrediting agency equivalent to the Southern Association of Colleges and Schools;
2. An overall undergraduate grade point average of 2.75 on a 4.0 scale, or the equivalent;
3. Scores on the Graduate Record Examination (GRE); and
4. Three letters of recommendation.

Students who fail to meet the criteria for regular admission may be placed in a non-degree/special or provisional status. Such students are not entitled to pursue a degree in the Department of Curriculum and Instruction until they receive unconditional admission.

Students who fail to satisfy the admission GPA minimum may not enroll in more than six (6) semester hours of graduate work in any one semester or full summer term while attempting to attain unconditional status. A student may not enroll in more than 12 semester hours while in this category.

Students admitted conditionally (non-degree/special or provisional status) when the GPA is less than 2.75 but no less than 2.45 on a 4.0 scale, may attain unconditional status by achieving a 3.0 GPA for the first 12 hours of graduate work.
Students may apply for conditional admission to graduate study (non-degree/special status) when the GPA is less than 2.45 but a minimum of 2.25.

Students may not enroll in more than six (6) semester hours of graduate work per term and may not enroll in more than 12 semester hours while in this category.

Completion of Entrance Requirements
Students enrolled in non-degree/special or provisional status may take no more than 12 semester hours prior to attainment of unconditional admission, and must attain unconditional status within four school terms from the time of their first enrollment (three regular and one summer semester). If unconditional status has not been attained within that time frame; the student will be dismissed from the program. Provisionally admitted students may withdraw from no more than three courses during their initial probationary status. Unconditional admission will require completion of all university requirements.

TRANSFER CREDIT
Either transfer or continuing students may transfer credit from other universities to Prairie View A&M University; however, the grade of “C” will not be accepted for transfer credit. Additional guidelines are indicated below:

a. Transfer students newly admitted may apply up to six hours of graduate credit earned at another accredited institution to their Prairie View A&M University program. Transfer requests should be made during the first semester of registration at Prairie View A&M University and included in the degree plan along with official transcripts. Work taken at other institutions expires at the end of six years from completion, just as does work completed at Prairie View A&M University.
b. Continuing students may request transfer of up to six hours of credit from other universities to the programs in the Department of Curriculum and Instruction for substitution for Prairie View courses provided:

1. The official catalog description of the courses and official transcripts are provided to the Department of Curriculum and Instruction for review at least two weeks prior to the final registration day of the semester in which the course is to be taken.
2. The Prairie View A&M University Program Coordinator, within the Department, approves the courses for transfer credit prior to enrollment.
3. Subsequent to completion of the course, the student must have the University where the course was taken furnish the Office of Graduate Programs and the Program Coordinator with either an official course grade report or a transcript that reflects the official grade. (Instructor submissions to the Office of Graduate Programs or the Registrar will not suffice.)
4. The continuing student is in good standing in the Department--unconditionally admitted and with a minimum GPA of 3.0.

REMOVAL OF INCOMPLETES
A graduate student can receive a grade of “I,” incomplete, in a course with the privilege of finishing the work before the end of one calendar year from the close of the term in which the grade was earned. The “I” should be removed and replaced with a grade acceptable in the student’s degree program if the student is seeking a degree and the “I” is in a course to be counted toward degree completion requirements. If a student does not complete the course requirements within one calendar year; the “I” will change to a grade of “F.”

ACADEMIC PERFORMANCE STANDARDS
Students whose semester GPA for courses leading to the Master’s degree in the Department of Curriculum and Instruction falls below 3.0 for one semesters, and whose overall GPA falls below 3.0, will be placed on probation for one semester. To return to unconditional status, the student must repeat the course(s) and earn a grade of “B” or higher. No grades of “C” are allowed in SPED 5353 and SPED 5263.
Academic Suspension
Academic suspension is an administrative action taken by the Department Head and/or Dean of the College of Education. It bars a student from enrollment in graduate courses for at least one term. Students may request return to the program in a probationary status through written petition to the Department Head and/or Dean, who will refer the request to a committee of graduate faculty for review and recommendation. Students are limited to one suspension.

Probationary Status
A condition in which a student must maintain at least a 3.0 GPA each semester until his/her cumulative GPA reaches 3.0.

The Two-C Rule
Students who earn more than two grades of “C” or below may be dismissed from the program. This applies to courses repeated and to those taken for the first time.

ADVANCEMENT TO CANDIDACY
Admission of an applicant for the Master’s degree programs does not constitute advancement to candidacy. Such advancement will be granted upon the completion of at least 12 semester hours of graduate credit with at least a “B” average. The student must submit a formal application for Advancement/Admission to Candidacy, to the Department of Curriculum and Instruction, to the College of Education, to the Graduate School. Failure to complete the Advancement/Admission to Candidacy form may prevent the student from enrolling in program courses in subsequent semesters.

Admission to candidacy cannot be granted unless the conditions for admittance have been satisfied and all appropriate test scores have been placed on file in the Department of Curriculum and Instruction. Admission to candidacy is recommended by the advisor, Department Head and Dean of the College and the Graduate School. The Office of Graduate Programs must approve admission to candidacy. The application for admission to candidacy and the application for graduation may not be filed during the same semester. In general, a minimum of 12 hours must be completed before one can be admitted to candidacy.

CERTIFICATION
Students seeking certification must meet all requirements listed in the catalog section, “Graduate Certification.” Specific requirements may be obtained from the Office of Teacher Certification in the College of Education.

MASTER OF SCIENCE IN EDUCATION AND MASTER OF EDUCATION PROGRAM REQUIREMENTS

Common Core........................................................................................................12 SCH

CURR 5003 Theory and Dynamics of Curriculum and Instruction

PURPOSE AND GOALS

The Department of Educational Leadership and Counseling offers programs of study leading to the Master of Arts in Counseling, the Master of Science in Counseling and Educational Administration, the Master of Education in Educational Administration, and the Doctor of Philosophy in Educational Leadership.

The instructional program is designed to provide coursework leading to certificates and the Professional Counseling License. Certificates and licenses are awarded by the appropriate state agency following the applicants’ completion of all requirements including any applicable examinations.

Doctor of Philosophy in Educational Leadership

The Ph.D. program in Educational Leadership is designed for individuals who wish to develop and improve their abilities to provide the highest level of leadership. The educational objectives of the Ph.D. Program in Educational Leadership are: 1) to meet higher education needs of the state and nation in this rapidly growing area; 2) to educate, train, and prepare individuals who possess the research and methodological skills to initiate, conduct and evaluate independent research; 3) to prepare educated citizens who are both able and willing to meet private leadership and public sector needs of society; and 4) to prepare liberally educated individuals who know how to think, reason, and apply knowledge that will enable them to work and use technology in an ever changing world.
ADMISSION TO PROGRAM
Masters Degree
Students desiring admission to the graduate programs in the Department of Educational Leadership and Counseling must meet the general admission requirements outlined in the catalog section, “Graduate Admissions Requirement.” Admission to the graduate study, however, does not constitute admission to a master’s degree program in the Department of Educational Leadership and Counseling.

In determining an applicant’s eligibility for admission to the Department of Educational Leadership and Counseling, the following are essential:

1. A baccalaureate degree from an institution accredited by a regional accrediting agency equivalent to the Southern Association of Colleges and Schools;
2. An overall undergraduate grade point average of 2.75 on a 4.0 scale, or the equivalent;
3. Scores on the Graduate Record Examination (GRE); and
4. A valid State of Texas Teaching Certificate and proof of three (3) years teaching experience if the student is pursuing the Educational Administration Teaching track.

Students who fail to meet the criteria for admission may be placed in a non-degree/special or provisional status. Such students are not entitled to pursue a degree in the Department of Educational Leadership and Counseling until they receive unconditional admission.

Students who fail to satisfy the admission GPA minimum may not enroll in more than six (6) semester hours of graduate work in any one semester or full summer term while attempting to attain unconditional status. A student may not enroll in more than 12 semester hours while in this category.

Students admitted conditionally (non-degree/special or provisional status) when the GPA is less than 2.75 but no less than 2.45 on a 4.0 scale, may attain unconditional status by achieving the following:

1. A 3.0 GPA for the first 12 hours of graduate work, with no more than one “C”;
2. Satisfactory completion of ADMN 5003 - Fundamentals of School Administration, and ADMN 5093, Educational Statistics (Administration); and

Students who fail to satisfy the admission GPA minimum may not enroll in more than six (6) semester hours of graduate work in any one semester or full summer term while attempting to attain unconditional status. A student may not enroll in more than 12 semester hours while in this category.

Students who fail to satisfy the admission GPA minimum may not enroll in more than six (6) semester hours of graduate work in any one semester or full summer term while attempting to attain unconditional status. A student may not enroll in more than 12 semester hours while in this category.

Students may apply for conditional admission to graduate study (non-degree/special status) when the GPA is less than 2.45 but a minimum of 2.25. In addition to the general application requirements, supplementary requirements under this category are indicated below:

1. Request and pass a departmental interview, and
2. Make a passing score of 260 on the Reading Section of the TASP Examination (only the Reading Section of the TASP Examination must be taken), and maintain at least a “B” (3.0) average in all coursework.

Students may not enroll in more than six (6) semester hours of graduate work per term and may not enroll in more than 12 semester hours while in this category. Students who have completed a total of 12 semester hours, but who have been unsuccessful in scoring 260 or above on the Reading portion of the TASP Examination, will be dismissed from the program.
The Ph.D. Program
Admission Criteria for the Ph.D. Program in Educational Leadership, as established by the Program faculty, are as follows:

**Required elements:** (In order for an applicant to be considered, all criteria below must be submitted by the semester deadline.)

1. Baccalaureate degree conferred by an accredited institution;
2. A Grade Point Average (GPA) of 2.75, on a four-point scale on all completed undergraduate coursework;
3. Master’s degree prior to entering doctoral course work, conferred by an accredited institution;
4. A Grade Point Average (GPA) of 3.2, or higher, on a four-point scale on all completed coursework;
5. Original transcripts, submitted to the Graduate School for all academic work taken at the undergraduate and graduate levels (unofficial copies may be used by the Doctoral Committee in initial screening);
6. Official Graduate Record Examination (GRE) score report, submitted to the Graduate School (an unofficial copy may be used by the Doctoral Committee in initial screening);
7. Three letters of recommendation from persons sufficiently acquainted with the applicant’s ability and his or her potential to successfully complete a doctoral program;
8. Original written essay demonstrating strong writing skills that includes the following: autobiography, professional aspirations and achievements and how obtaining the Ph.D. in Educational Leadership will enhance the applicant’s ability to affect change in the educational arena; and
9. If a foreign student, submission of official results from the Test of English as a Foreign Language (TOEFL). A score of 600 or higher is mandatory.

**Preferences:**

1. A minimum of 3 years teaching experience in public or private institutions;
2. A Grade Point Average (GPA) of 3.0, or higher, on four-point scale on all completed undergraduate coursework;
3. Master’s degree in Educational leadership/Administration or related fields. A Secondary preference is given to applicants who are certified administrators and have a minimum of 2 years administrative experience;
4. A Grade Point Average (GPA) of 3.5, or higher, on a four-point scale in all completed graduate coursework;
5. Graduate Record Exam (GRE) Verbal and Quantitative scores in the higher percentiles;
6. Demonstrated evidence of scholarly activity that includes: publications, presentations at conferences, and grantsmanship;
7. Graduate research methods course (if not taken, course must be completed); and
8. Graduate statistics course (if not taken, course must be completed).

**Completion of Entrance Requirements**

Students enrolled in non-degree/special or provisional status may take no more than 12 semester hours prior to attainment of unconditional admission, and must attain unconditional status within four school terms from the time of their first enrollment (three regular and one summer semester). If unconditional status has not been attained within that time frame, the student will be dismissed from the program. Provisionally admitted students may withdraw from no more than three courses during their initial probationary status. Unconditional admission will require completion of all university requirements. Discovery of enrollment completed in violation of these requirements may result in permanent bar from enrollment in the Administration/Counseling Program.
TRANSFER CREDIT

Either transfer or continuing students may transfer credit from other universities to Prairie View A&M University; however, the grade of “C” will not be accepted for transfer credit. Additional guidelines are indicated below:

a. Transfer students newly admitted may apply up to six hours of graduate credit earned at another accredited institution to their Prairie View A&M University program. Transfer requests should be made during the first semester of registration at Prairie View A&M University and included in the degree plan. Work taken at other institutions expires at the end of six years from completion, just as does work completed at Prairie View A&M University.

b. Continuing students may request transfer of up to six hours of credit from other universities to the Administration/Counseling program for substitution for Prairie View courses provided:

1. The official catalog description of the courses is furnished to the Department of Educational Leadership and Counseling Coordinator for review at least two weeks prior to the final registration day of the semester in which the course is to be taken.
2. The Prairie View A&M University Program Coordinator approves the courses for transfer credit prior to enrollment.
3. Subsequent to completion of the course, the student must have the University where the course was taken furnish the Office of Graduate Programs and the Program Coordinator with either an official course grade report or a transcript that reflects the official grade. (Instructor submissions to the Office of Graduate Programs or the Registrar will not suffice.)
4. If prior to enrollment in the transfer course, the student has not made a grade of “C” or below in the Prairie View A&M University course which is equivalent to the transfer course.
5. The continuing student is in good standing in the Department--unconditionally admitted and with a minimum GPA of 3.0.

REMOVAL OF INCOMPLETES

A graduate student can receive a grade of “I”, incomplete, in a course with the privilege of finishing the work before the end of one calendar year from the close of the term in which the grade was earned. The “I” should be removed and replaced with a grade acceptable in the student’s degree program if the student is seeking a degree and the “I” is in a course to be counted toward degree completion requirements. A student who is unable to satisfy the requirements for removing the “I” in one calendar year may request approval to reenroll in the course and to have the “I” changed to “P” after the student has completed the course with a “C” or better. Credit will be awarded for the last attempt only. A student must re-enroll in the course if it is needed. This regulation does not apply to thesis and research credit courses, but does apply to terminal project credit courses.

ACADEMIC PERFORMANCE STANDARDS

Students whose semester GPA for courses leading to the Master’s degree in Administration/Counseling falls below 3.0 for two consecutive semesters, and whose overall GPA falls below 3.0, will be suspended from the program.

Academic Suspension
Academic suspension is an administrative action taken by the Department Head and/or Dean of the College of Education. It bars a student from enrollment in graduate courses for at least one term. Students may request return to the program in a probationary status through written petition to the Department Head and/or Dean, who will refer the request to a committee of graduate faculty for review and recommendation. Students are limited to one suspension.

Probationary Status
A condition in which a student must maintain at least a 3.0 GPA each semester until his/her cumulative GPA reaches 3.0.
**The Two-C Rule**
Students who earn more than two grades of “C” or below may be dismissed from the program. This applies to courses repeated and to those taken for the first time.

**ADVANCEMENT TO CANDIDACY**

Admission of an applicant for the Master’s degree programs does not constitute advancement to candidacy. Such advancement will be granted upon the completion of at least 12 semester hours of graduate credit with at least a “B” average. The student must submit a formal application, through the Department of Educational Leadership and Counseling/College of Education, to the Office of Graduate Programs. Failure to fulfill this requirement may prevent the student from enrolling the following semester or having credits considered for a degree.

Admission to candidacy cannot be granted unless the conditions for admittance have been satisfied and all appropriate test scores have been placed on file in the Department of Educational Leadership and Counseling. Admission to candidacy is recommended by the Department Head and Dean of the School or College offering the program. The Office of Graduate Programs must approve admission to candidacy. The application for admission to candidacy and the application for graduation may not be filed during the same semester. In general, a minimum of 12 hours must be completed before one can be admitted to candidacy.

**COURSE LOAD**

The following limitations on course load are in effect:

1. During a regular session, a graduate student may not enroll in more than 12 hours.
2. During a five- or six-week summer session, a graduate student may not enroll in more than six semester hours per session (12 hours total during the entire summer term), except when one course is a four-hour course, in which case the student may enroll in seven hours. The total credit hours earned for the two summer sessions may not exceed fourteen.
3. A graduate student may not enroll in more than three semester credit hours during a three-week summer session.
4. A graduate student enrolled in a three-week session may not enroll in more than one three-hour course in the six-week session being conducted concurrently.
5. This university defines full time enrollment for a graduate student as a minimum of 9 semester credit hours during the regular terms and a minimum of 4 semester credit hours during each summer term.

**APPLICATION FOR GRADUATION**

An application for graduation may not be filed unless the applicant has:

1. Completed at least twenty-four (24) semester hours of coursework.
2. Earned a 3.0 cumulative Grade Point Average with no more than two “Cs” in graduate courses.
3. Presented written evidence of any course transferred, with grade(s) of “B” or above.
4. Secured formal evaluation of all academic work prior to registration for the final semester.
5. Been admitted to candidacy at least one semester prior to applying for graduation.
6. Taken the GRE.

**MASTER OF ARTS, MASTER OF SCIENCE AND MASTER OF EDUCATION DEGREE PROGRAMS**

Students seeking certification must meet all requirements listed in the teacher certification section of this catalog. Specific requirements may be obtained from the Office of Teacher Certification in the College of Education.

DOCTOR OF PHILOSOPHY IN EDUCATIONAL LEADERSHIP

Students who enter the Educational Leadership Ph.D. Program will be required to complete a minimum of sixty-three (63) credit hours after the Master’s degree.

Core Courses ................................................................................................................................................ 18 SCH
EDUL 7003 Fundamental of Strategic Thinking
EDUL 7013 Strategic Planning
EDUL 7023 Organizational Theory
EDUL 7033 Dynamics of Leadership
EDUL 7043 Organizational Development and Change
EDUL 7053 Diversity in Educational Leadership
**Concentration Core Hours** .............................................................................................................................................. 15 SCH
Concentration in General Education, Administration and Superintendency
EDUL 7063 Organizational Behavior in Education
EDUL 7073 Educational Laws and Policies
EDUL 7083 Educational Governance
EDUL 7093 School- Community Relations
EDUL 7103 Educational Facilities Planning and Management
EDUL 7123 Ethical Decision making in Educational Leadership
EDUL 7133 Critical Issues in Educational Leadership
EDUL 7143 Human Resource Management
EDUL 7153 Educational Budgeting and Resource Allocation
EDUL 7163 Special Topics in Educational Leadership
EDUL 7173 Internship I Observation and Field Experience
EDUL 7183 Internship II Administrative Applications

**Research** ............................................................................................................................................................................. 9 SCH
The following two courses are required before students are permitted to enroll in doctoral level research courses:
EDFN 5093 Educational Statistics (3 hours)
EDFN 5143 Advanced Educational Statistics (3 hours)

The following courses are required for all students:
EDUL 7603 Quantitative Research Design and Analysis
EDUL 7613 Qualitative Research Design
EDUL 7623 Advanced Research
EDUL 8003 Dissertation Seminar
EDUL 8013 Dissertation

**Electives** .......................................................................................................................................................................... 6 SCH
Each student will select elective courses according to their interest

**Internship** ............................................................................................................................................................................ 3-6 SCH
Through the internship experiences, students will complete a comprehensive set of field-based competencies, which are required for graduation.

**Dissertation** ....................................................................................................................................................................... 12 SCH
EDUL 8013 Dissertation hours
EDUL 8023 Dissertation hours
EDUL 8026 Dissertation hours
EDUL 8033 Dissertation hours
EDUL 8043 Dissertation hours
EDUL 8053 Dissertation hours

**Total Degree Requirements** .................................................................................................................................................. 63

**Time Limit**
Students attending full-time should be able to complete the formal doctoral course work within twenty-four months if they attend during both regular session and summer. Students who only enroll full-time during regular semesters require longer than two full years. Each student will be given seven (7) years to complete the doctoral program. Students who earn two “C”s may be dismissed from the doctoral program.

Health and Human Performance Programs

Department of Health and Human Performance

ADMINISTRATIVE OFFICER

Clifton Gilliard, Interim Head, Health and Human Performance

FACULTY

Ronald J. Peters, Health
Kevin B. Simms, Health and Human Performance
Mary V. White, Health and Human Performance
Reuben L. Wright, Human Performance

PURPOSE AND GOALS

The programs in the Department of Health and Human Performance are designed to meet the professional needs and interests of students who wish to pursue a Master of Science in Education or a Master of Education, with a concentration in Health and Physical Education. The graduate programs are designed for those students with special interests in the areas of health and physical education.

The master’s degree with a concentration in physical education is primarily for teachers, coaches, and school administrators. The curriculum prepares students for advanced teaching and/or administrative endeavors at the elementary or secondary levels.

The master’s degree with a concentration in health is primarily for those students who are interested in school health education or working in various health care settings such as hospitals, public and private health and education agencies, or health promotion programs. An internship is required.

MASTER OF SCIENCE IN EDUCATION AND MASTER OF EDUCATION DEGREE PROGRAMS

Students seeking certification must meet all requirements listed in the teacher certification section of this catalog. Specific requirements may be obtained from the Office of Teacher Certification in the College of Education.

Degree Requirements for Applicants without a Baccalaureate Degree in Health and/or Physical Education

Professional students who seek admission to the master’s program must meet the same prerequisite and degree requirements as baccalaureate degree students. Students are expected to complete the prerequisite curriculum within two years of the initial admission date.

**Prerequisite Required Courses**

- HUPF 1172 Foundations I or HUPF 1272 Foundations II
- HLTH 1023 Human Sexuality
- HLTH 2003 Personal Health and Wellness
- HLTH 3013 Nutrition
- HLTH 3033 Research/Contemp. Issues in Health
- HUPF 1012 Sports Skills I
- HUPF 3033 Movement Act./Elem. Children
- HUPF 1112 Sports Skills II
- HUPF 4073 Research/Human Performance
- HUPF 3023 Applied Anatomy and Kinesiology

**Other Degree Requirements**

- 36 SCH
Total Degree Requirements ................................................................. 56 SCH

Internship/Practicum in Health and Human Performance
The internship is an integral part of the instructional program in the Health/Physical Education/Community curriculum. The experience is designed to enhance the understanding and application of knowledge and research findings to public health and wellness or physical fitness settings by providing an opportunity to gain practical experience, at an appropriate level and content, in the community/public health field. All students in the health and physical education/community focus area are required to complete a minimum of two hundred hours of an internship/practicum experience. Further information regarding the internship/practicum will be provided upon matriculation by the Department of Health and Human Performance.

Thesis
For the capstone of their educational experience, students in the department are expected to conduct an original piece of publishable research and/or contribute to the knowledge base of behavioral sciences and health education. Theses are written under the supervision of individual faculty members. Research topics and support for studies are provided by health agencies and organizations in the area.
