

Student Services Information

Prairie View A&M University is student centered. The University believes that the intellectual and moral growth of students occurs both within and outside the formal classroom setting. Residential and social life experiences are regarded as learning opportunities, significant in their own right and complementary to those provided within the academic curriculum. Thus, the University is committed to providing a co-curricular environment that supports individual needs, and actively contributes to the University's residential and community life. A complete listing of the University's student services is provided in the *Prairie View A&M University Student Handbook*. Those services that are particularly relevant to academic life at the University are briefly described below.

Student Financial Services

The primary purpose of the Student Financial Aid Program at Prairie View A&M University is to provide financial assistance to persons, who without this aid would be unable to begin or to continue their education. The selection of aid recipients is based upon academic achievement, and financial need. Financial aid is designed to assist with the cost of a college education. It is intended to supplement the financial resources of the family and the student. It includes gift aid (grants and scholarships), low interest loans, and work-study.

General Information

Prairie View A&M University has the following major student financial assistance programs:

- Federal Pell Grant
- Stafford Loans
- PLUS Loans
- Federal Supplemental Educational Opportunity Grants (FSEOGs)
- Federal Work-Study
- Scholarships

Grants are financial aid you don't have to pay back

Work-Study lets you work and earn money to help pay for school

Loans are borrowed money that you must repay with interest

Undergraduates may receive grants, loans, and Federal Work-Study.

Graduate students may receive loans and federal Work-Study, but not Federal Pell Grants.

Student Eligibility

To receive aid from the Student Aid Program at Prairie View A&M University, you must:

- have a financial need, except for some loan programs;
- have a high school diploma or a General Education Development (GED) certificate;
- be enrolled or accepted for enrollment as a regular student working toward a degree **or certificate in an eligible program**;
- be a **U. S. citizen or eligible program**;
- have a valid **Social Security Number**;
- make satisfactory academic progress;

- sign a statement on the Free Application for Federal Student Aid (FAFSA) certifying that you will use federal student aid only for educational purposes;
- sign a statement on the FAFSA certifying that you are not in default on a federal student loan and that you do not owe money back on a federal student grant;
- **register with the Selective Service**, if required.

Philosophy of the Financial Services Office

We believe that:

- Our first responsibility is to assist the most economically disadvantaged student.
- Self-help (loan and work) should be a part of the University aid award.
- Students should make a commitment to their education with both current and future earnings; this means both working and borrowing to pay for their education;
- Student budgets should reflect reasonable allowances for typical student expenses.
- The Federal Need Analysis Methodology (FM) is designed to provide an equitable formula for evaluating students.
- Funding is limited and may not meet your total need. Therefore, the Financial Aid Office will award aid to the neediest students first. Aid continues to be awarded on an ongoing basis until funding is exhausted.
- We have a responsibility to develop information and policies that minimize defaults on student loans.
- The financial aid packaging process ensures effective use of the funds available, and fair and equitable treatment of all aid applicants.

Applying for Financial Aid

What Form Do I Use?

You can apply for federal aid by completing and submitting the current Free Application for Federal Student Aid (FAFSA).

You can get the application from any high school, college or university.

Will I Need to Fill Out Forms in Addition to the FAFSA to Receive Aid?

To be considered for non-federal aid such as institutional aid (aid from Prairie View A&M University), you will have to fill out additional forms, which are in the Financial Services Office, and there are deadline dates to get these forms on file.

Other required documents that may be requested, if needed

1. Alien Registration Card (I151 or I168)
2. Anti-Drug Abuse Certificate
3. Authorization to Credit Account
4. Copy of Birth Certification
5. Copy of Social Security Card
6. Financial Aid Application
7. Graduate School Verification
8. Independent Student Affidavit
9. Pell Verification Form
10. Proof of Citizenship Information
11. Selective Service Verification
12. Separation or Divorce Form
13. Signed 1040 Tax Form and W-2 Statement for Parent
14. Signed 1040 Tax Form and W-2 Statement for Student
15. Signed Non-Filing Tax Statement
16. Social Security Benefits Verification Form
17. Statement of Educational Purpose

When Do I Apply?

Apply as soon AFTER January 1 as possible (you can't apply before this date). It's easier to complete the application when you already have your current tax year's return, so you may want to complete your tax return as early as possible. Do not sign, date, or send your application before January 1. You need to apply only once each school year.

Send your complete application in the envelope that came with it. It is already addressed, and using it will ensure that your application reaches the correct address.

What Happens After I Apply?

After your complete application is received by the processing system, the processor will produce as Student Aid Report (SAR). The SAR will report the information from your application and if there are no questions or problems with your application, your SAR will report your Expected Family Contribution (EFC), the number used in determining your eligibility for federal student aid. The results will be sent to you and to the schools that you listed on your application.

If you apply using FAFSA on the Web or FAFSA Express, in some cases, you'll have to mail in a signature page before your application can be processed. You will receive a **Student Aid Report (SAR)** in the mail up to 14 days after you submit your computed application, including a signature (if required).

It will take about four weeks for your application to be processed if you apply by paper application and for you to receive a SAR in the mail.

If it's been more than four weeks since you submitted your application and you haven't heard anything, you can check on your application through the FAFSA on the Web site, even if you did not apply using FAFSA on the Web.

Important Deadline Dates and Priority Dates

January 1st	Free Application for Federal Student Aid (FAFSA) should be completed.
March 1st	Priority Deadline for Summer Aid
April 1st	Priority Deadline for Fall Aid
November 1st	Priority Deadline for Spring Aid

Deciding to Accept or Decline Your Award

1. It is our policy to award grants to students who demonstrate the highest financial need. For you to be able to afford the cost of attending Prairie View A&M University assuming you have high financial need, we expect it to be necessary for you to also accept loans and/or work-study you have been awarded.
2. If you did not receive enough financial aid, let us know. Help us to better understand your situation. If you have unique circumstances, we may be able to address them.

NOTE: You must reapply for federal aid every year. Also, if you change schools, your aid doesn't go with you. Check with your new school to find out what steps you must take to continue receiving aid.

3. Your signature on your financial aid award letter certifies that:
 - you are accepting or declining the aid offered to you as you have indicated on the letter, and
 - you will report receipt of any additional resources, such as scholarships, to the Financial Aid Office.
4. If you attend two schools in the same enrollment period, you must inform the financial aid offices at both schools. You can only receive federal or state aid at one school during the same enrollment period.

Withdrawal Policy and Procedures

If you withdraw from the University, keep the following points in mind:

1. To officially withdraw, undergraduate and graduate regularly admitted students should contact the Registrar's Office and Student Financial Services Office. If you leave the University and do not formally withdraw, you will be assigned a grade of "F" (failure).
2. Withdrawal does not eliminate your financial obligation to the University. You are still responsible for any charges owed to the University at the time you withdraw, based on the University's tuition and housing refund policies.
3. There are specific federal, state, and University withdrawal policies regarding tuition and fees, housing charges, refunds to financial aid programs, and repayment resulting from withdrawal.

4. When withdrawing there are three situations, which may require an immediate repayment of financial aid funds:
 - a. If your University charges are reduced as a result of withdrawal, and it creates a credit balance on your student account, these funds may be used to repay the financial aid programs. This will depend on the amount of your financial aid and the date of withdrawal.
 - b. If you withdrew a credit balance from your student account to use for living expenses, you may have to repay financial aid funds, which are in excess of an amount determined to be reasonable for the length of your enrollment.
 - c. If you withdraw during free add/drop, you are not eligible to receive any financial aid for that term, and any credit balance you withdrew from your student account must be repaid.

Return of Title IV Financial Aid Funds Policy at Prairie View A&M University

Payment of tuition and fees are due when students select and complete registration for courses. **NO MATTER IF PAYING CASH OR USING FINANCIAL AID.**

If your tuition and fees have been paid using Title IV money such as **Pell Grant, SEOG, Subsidized Stafford Loan, Unsubsidized Stafford Loan, PLUS Loan, and LEAP**, Prairie View A&M University must adhere to a Return of Title IV Funds Policy when you drop out of classes, withdraw from the University, or cease attendance. This Return of Title IV Funds Policy was enacted in the Higher Education Amendments of 1998 by the Department of Education in Washington, DC on November 1, 1999, which governs Federal Title IV Financial Aid Programs. This policy requires Prairie View A&M University to use a statutory schedule to determine the amount of Title IV funds a student has earned as of the date the student withdraws from classes or ceases attendance. The amount of Title IV funds earned based on the amount the student spent in attendance has no relationship to the student's incurred institutional charges. The pro-rata schedule must be calculated up to the 60% point of the payment of fees and tuition period. After the 60% point of attendance, the student is considered to have earned 100% of the Title IV Funds.

Prairie View A&M University is not required to take attendance of its students. However, the institution has a uniform withdrawal policy for all students. Students must provide official written notification of withdrawal from one or all courses. When a student notifies Prairie View A&M University, in writing, according to the policy that they are withdrawing from the University, the date the institution determines the student withdrew is the same as the withdrawal date. **In the case the student does not provide written notification of withdrawal, Prairie View A&M University will use the last day of attendance as an academically related activity.** The beginning of the withdrawal process for Prairie View A&M University is determined by the date on which the student provides written form to the Registrar's Office. **If a student "drops out" of course or ceases attendance and does not notify Prairie View A&M University, the withdrawal date will be the mid-point of the payment period.**

Satisfactory Academic Progress Policy

Academic Standards for Financial Aid Recipients

Prairie View A&M University requires all financial aid recipients to maintain satisfactory academic progress toward a degree. This policy provides for a probationary period of two semesters before a student is placed on financial aid suspension. The Satisfactory Academic Progress Policy for financial aid is applicable to all students receiving financial aid funds during any academic semester.

To satisfy academic progress requirements, students must:

1. Graduate from high school with a minimum grade point average of 2.00. A student who fails to meet the GPA requirements upon initially applying for financial aid must complete one full-time semester of twelve (12) or more hours with a 2.00 GPA before his/her application for aid can be considered.
2. Transfer student must transfer a minimum grade point average of 2.00 or higher from all previously attended school. All semester hours attempted will be used to determine GPA, not just the semester hours accepted by the Office of Undergraduate Admissions.

Quality Assurance Program

The U. S. Department of Education requires each university to conduct activities that will verify financial aid information provided by its students. This process may be done by verifying applicants selected by the Department of Education or through the Quality Assurance Program.

Prairie View A&M University participates in the Quality Assurance Program. This program is governed by federal regulations, and the results of our findings are reported to the federal government. The process begins in late September, and approximately 300 financial aid recipients are randomly selected. If selected, students must submit documentation to verify the information provided on the application. Errors made may result in reductions or increases in aid eligibility. Participation is mandatory for selected students, and non-compliance can result in cancellation of fall and spring aid.

Financial Assistance

You must pay the full amount due for your tuition and fees by your due date or your registration will be canceled. This includes additional charges for classes added after your billings.

Student Receiving Financial Assistance

If you have been offered financial assistance by the Office of Student Financial Services to prevent your registration from being canceled, prior to the due date on your statement you must submit your acceptance of financial assistance offered in amounts sufficient to pay your current balance due. Your registration will not be canceled, even if that aid is not yet reflected on our statement; however, there are exceptions to this rule. Financial assistance that will **NOT** prevent cancellation of classes included: non PVAMU scholarships, Federal Parent Loans for Undergraduate Students (FPLUS), state or federal work-study, and miscellaneous student loans or other funds that pay directly to the student. These forms of financial assistance do not count toward payment until the funds are credited to your account. You must pay whatever your financial assistance does not pay for prior to the due date on your statement to avoid late penalties.

Most assistance will be automatically credited to your account and applied against outstanding charges. This includes additional charges for classes added after you received your billing. A refund check will be mailed to you for the remaining balance.

IMPORTANT: If you have accepted financial assistance, but have decided not to attend, you **MUST** advise the Registrar's Office and the Office of Student Financial Services of the fact. In most cases your assistance could be enough to hold your registration from the automatic cancellation process. If you fail to contact the University about your intentions, it can result in severe financial and academic penalties.

Students making partial payment will automatically be placed on the installation plan. If doing so reduces the current due balance to an amount less than or equal to the amount of payments made, the student's registration will not be canceled. However, these students will be required to pay the \$36 installment payment service fee.

Enrollment Requirement for Receiving Financial Assistance

For a student to receive financial assistance, minimum semester credit hour enrollment requirements must be met. Refer to the following table to determine the number of hours required for you to receive financial assistance. You are responsible for meeting the minimum enrollment requirements. Receiving assistance to which you are not entitled or receiving assistance and then dropping to below the required number of semester credit hours constitute a violation of University policy and state and/or federal law. As a result, you may be required to repay financial assistance received.

Minimum Semester Credit Hour Requirements for Receiving Financial Assistance

Semester Credit Hours Required for:

	Full-Time	Half-Time
Undergraduate	12 SCH	6 SCH
Graduate	9 SCH	6 SCH

<i>Type</i>	<i>Minimum Requirements</i>
All Scholarships	Full-Time
Federal Perkins Loans	Half-Time
Grants (other than Pell)	Full-Time
Federal Stafford Loans	Half-Time
Federal Pell Grants (undergraduates only)	Half-Time

Academic Scholarships

The scholarship office is dedicated to helping undergraduate students with scholarship needs. The scholarship office awards undergraduate students with academic scholarships through university funds and through funds made available by friends and supporters. The scholarship office processes all scholarships for the university and hosts a list of outside scholarships that are available. All scholarships awards are based on available funds.

Prairie View A&M University scholarships are awarded on the basis of academic achievement and/or financial need. Academic achievement is indicated by grades earned in high school and college course work, test scores, such as SAT or ACT, participation in extracurricular activities, and other criteria defined by the specific scholarship programs. Financial need is rarely the primary factor considered, but it is often used to make a decision among equally qualified applicants.

Institutional Scholarships

Scholarship donors provide institutional scholarships at Prairie View A&M University. Colleges, academic departments, and the financial aid department within Prairie View A&M University award these scholarships.

Competitive Scholarships for Non-Resident Fee Waivers

The recipient of a competitive institutional scholarship of at least \$1000 for the academic year and/or summer for which the student is enrolled is entitled to pay in-state tuition rates. That means non-resident students may receive the benefit of resident tuition. An official academic college/department scholarship committee must award the scholarship and the recipient must compete with other students, including Texas residents. The scholarship award must total \$1000 or more.

Students participating in the University Academic Scholarship Program may receive an out-of-state tuition waiver as long as they are in good standing and there are no mandated changes by Prairie View A&M University or the Texas Legislature.

Private Scholarships

Private scholarships are scholarships that are not controlled by the University, rather by the donors themselves. These scholarships are awarded through the individual donors and the money is sent to Prairie View A&M University to be disbursed.

Enrollment Verification

If a scholarship donor needs proof that you are enrolled for a particular semester, contact the Scholarship Office, (936) 857-4853, with the address of the donor and your name and social security number.

How Are They Disbursed?

Scholarships are applied to your tuition each semester. The University must confirm that you have been accepted and have enrolled full time in courses before payment will be made. If you know that you will be enrolled less than full time, you will need to have your donor or department contact the scholarship office to approve payment of your scholarship(s).

If you receive the scholarship in cash and you are receiving any other type of financial aid, you are still obligated to notify us. We may be required to adjust your financial aid package. Occasionally, a donor will send the scholarship check directly to you. Please forward the scholarship check to the Student Financials Services/Scholarship Office, and it will be processed accordingly (endorse checks made payable to you or both you and Prairie View A&M University before forwarding).

Outside Scholarships

The donor should send your scholarship check, made payable to **Prairie View A&M University**, and a cover letter to:

Prairie View A&M University
Scholarship Office
P. O. Box 337
Prairie View, Texas 77446

The cover letter should include your name and social security number and directions for disbursement. It is also helpful to have your name and social security number on the check in the memo section of the check as well.

Some donors send checks co-payable to you and the University. This means you must go to the Financial Aid Office on or after the first day of class and sign the check before it can be applied to your tuition. This can cause unnecessary delays and may be an inconvenience to you. Checks made payable to Prairie View A&M University on your behalf will enhance our ability to credit your account quickly.

How to Apply

Applications are due every year on or before **April 1** for the following academic year. The University Academic Scholarship Committee awards university academic scholarships.

Who May Apply?

Entering Freshman

Students entering the University with no other college credit or directly out of High School.

Transfer Student

Students entering the University from another college (either a Four Year University or a Junior College) may compete for scholarships after completing one semester of course work at Prairie View A&M University.

Current Student

Students who are currently enrolled at Prairie View A&M University may apply for university related scholarships as follows:

Fall scholarships (apply March 1-31) deadline April 1st

Spring scholarships (apply October 1 –31) deadline November 1st

Applications may be obtained from the Scholarship Office.

College and Departmental Scholarships

For information on specific college and departmental applications, contact those offices directly.

Inquires about university scholarships should be directed to the Scholarship Office, Prairie View A&M University, P. O. Box 337, Prairie View, Texas 77446 or email central_scholarship@pvmau.edu. Scholarships and other financial assistance information can be found on-line at: <http://www.pvamu.edu>.

Library and Instructional Services

The five-story John B. Coleman Library opened in 1988. As the central provider of library and instructional support services for students and faculty, it ensures on-site, on-shelf and electronically accessible information for campus-based and distance learning sites. Additionally, it supports the needs of the vibrant research and service components of the University. Services provided by the J.B. Coleman Library are augmented by campus-wide computing services provided by the Information Technology Department and by special faculty support services offered by the Center for Teaching Excellence and Distance Education.

Appropriate library and instructional support services are provided to students who attend classes at any of the following distant learning sites: Houston Nursing Center, Houston; Northwest Graduate Center, Spring, Texas (Coastal Bank Facility); the Moore Communications Building, College Station, Texas; the University Center, Killeen, Texas; and the University Center, Conroe/Woodlands, Texas.

The Reference Department provides library orientation and research assistance for faculty, students, researchers, and community patrons including area school pupils. Guidance in conducting computer research is also available. Patrons may utilize the Circulation Department's OCLC national interlibrary loan service for obtaining material not held by Prairie View A&M University. Faculty and students may apply for a TEXSHARE card to utilize collections among academic institutions in Texas. Faculty and graduate students may also obtain a HARLIC (Houston Area Research Library Consortium) card, which may be used to checkout materials from area member libraries.

For a full description of library resources available, see the J.B. Coleman Library's web page at <http://www.tamu.edu/pvamu/library>

Information Technology Services

The Information Technology (IT) Department provides educational and administrative computing services to students, faculty, and staff. Students are currently supported through four (4) Student Computer Centers (J.B. Coleman Library – Room 210; New Science Building – Room 127; College of Nursing – Houston, TX; Graduate School – Spring, TX) and various specialized computer labs. These Student Computer Centers are designed to support general-purpose educational computing needs and are funded by and available to all Prairie View A&M University students. The IT Department provides computer networking resources, management, and technical support to these Centers. Additionally, the IT Department provides technical resources and support to specialized departmental labs that are designed to enhance the academic skills of targeted groups of students. These specialized labs are normally managed and funded by the appropriate departments/colleges. The Student Computer Centers provide flexible hours of operation that includes extended week-day hours and support for week-end access. Computing resources are available for applications such as e-mail, Internet browsing, word processing, data/statistical analysis and multimedia presentations. Students are able to view their personal information, class schedules, available class courses and sections, grades, financial records, library resources, University catalogues, financial aid information, and more...; online. Additional services include connectivity for Internet access as well as an e-mail and dialup account for every student and employee. Computerized administrative processes and associated technical support are provided to faculty and staff via specialized application software packages that reside on networked computer servers and mainframes.

The IT Department also provides a campus-wide customer service IT Helpdesk and supports wireless computer technology that is continuing to expand throughout the main and remote campuses. The wireless technology is currently available in the Library and most educational buildings and facilitates anywhere, anytime access to University sponsored computing resources with the goal of enhancing the student learning experience.

For additional information regarding IT Department services or to reach the IT Helpdesk, please call (936) 857-2525, E-mail IT@pvamu.edu, or visit www.pvamu.edu

Career Services

The Department of Career Services has the unique role of providing programs and services that assist both graduating and continuing students in obtaining professional employment. The department provides employment, and combination of Recruitment, Cooperative Education, and Summer Intern Employment, career opportunities in the various academic fields offered at the university. In collaboration with each university department and college, career services works to inform students about career opportunities available in the market place. In addition, the department advises students on all aspects of career preparation and the job search process.

The department of Career Services operates a Career Center, which hosts several hundred recruiters annually. The center's primary responsibility is to establish relationships with recruiters throughout the United States and abroad. As a result, several thousand student interviews are conducted annually. Each year, a university wide Fall and Spring Career Festival is sponsored to bring employers and students together. The Career Center also provides assistance for current and former students seeking information on graduate and professional schools and various fellows programs.

Cooperative education (co-op) and Internship Programs are provided to combine students' academic education with on-the-job training. The department offers opportunities through both a co-op and internship track. The primary focus is to enhance a student's placement opportunities by offering paid (or, in some cases, unpaid) temporary employment within their particular field of study. Co-op programs involve alternating semesters of on-campus instruction with off campus employment resulting in a meaningful professional and educational experience. Internships provide employment opportunities for students during the summer months. The objectives are to better prepare students for immediate employment upon graduation, and assist students in the development of attitudes and skills conducive to effective performance in professional positions.

Students who are in good standing are eligible to participate in a co-op program after a successful completion of 30 hours of college course work, with a minimum 2.5 grade point average.

Students must apply at least one semester in advance of the semester they wish to be employed. Applications are available in the Career Center. Most departments have an established number of elective semester hours in a major that may be satisfied through approved Co-op program participation. To receive academic credit for the Co-op or intern experience, a student must formally apply through the Co-op office and register for a Co-op course through their academic department.

For more information, write to Career Services, P.O. Box 66, Prairie View, Texas 77446-0066.

Judicial Services

It is important to have a campus environment that is conducive to academic endeavor and social and individual growth. All students are expected to obey the law and to show respect for and obedience to properly constituted authority. The University also expects its students to fulfill contractual obligations, to maintain absolute integrity, and to have a high standard of individual honor in academic work.

Students are responsible for being fully acquainted and compliant with the rules and regulations published in the *University Student Handbook and Residence Hall Handbook*.

Health and Counseling Services

The Owens-Franklin Health Center located on the main campus coordinates health and counseling services for the student body. The Health Center is open from 8:00 a.m. to 6:00 p.m., Monday through Friday, with licensed and/or certified health care professionals to attend to basic health care needs. Emergency Medical Services (including ambulance transport) are provided by Waller-Hempstead EMS with on call (24 hour) paramedics. The University further enhances its urgent care services by stationing on campus (for campus calls only) Emergency Medical Technicians (State Certified) between the hours of 6:00 .m. and 8:00 a.m.,

Monday through Friday and for 24 hours per day on Saturdays and Sundays. The 911 Emergency Services is also available 24 hours per day, seven days per week for life threatening emergencies.

The Student Health fee covers unlimited office visits and after hours Urgent Care Services. Additionally, students are discounted 25% for all ancillary services including laboratory, x-ray and/or pharmaceutical services. Ambulance transportation or services rendered at full service hospitals are the responsibility of the student. It is recommended that all students have personal health insurance coverage. For a minimal charge, a student health insurance policy can be obtained to cover emergencies and hospital care not covered by the Student Health Fee. Information about student health insurance is available at the Owens-Franklin Health Center.

Counseling services are provided 24 hours a day, seven days per week. Licensed counselors maintain regular office hour's 9:30a.m. - 7:30 p.m., Monday through Friday, and are on call during the remaining hours. Licensed counselors are available to provide crisis intervention, individual and/or group therapy as required.

Disability Services

The Office for Disability Services is responsible for achieving and maintaining program accessibility for all students who self-identify as having an officially documented disability (Rehabilitation Act, Section 504 and Americans with Disability Act). Students are encouraged to become self-advocates; however, the Office for Disability Services provides leadership in advocating for removal of attitudinal and physical barriers that may impede successful progression toward achievement of the student's educational objectives.

Students requesting service through the Office of Disability Services must submit all documentation and meet all eligibility requirements each semester. Services are determined based on individual assessment, but generally involve academic adjustments that will support the student's access to programs and services within the University.

For information about the complaint and appeal procedure and other services available from the Office for Disability Services, visit Evans Hall, Room 315 or call (936) 857-2610.

Safety and Security Services

Prairie View A&M University is dedicated to ensuring the physical security and personal safety of its community members. The University strives to provide all students, faculty, and employees with a safe environment in which to learn and work. Achieving and maintaining this environment requires that all persons commit themselves to being responsible, active participants in the exercise of safety and security. Members of the University community must be knowledgeable of the rules and procedures governing the maintenance of a safe, secure environment.

To promote the safety and security of the campus and its community members, Prairie View A&M University has established both the Environmental Health and Safety Department and the University Department of Public Safety. For information on safety training or to report unsafe conditions please call (936) 857-4121 (extension 4121), or visit <http://www.pvamu.edu> or email ehsd@pvamu.edu.

The Prairie View A&M University Department of Public Safety operates 24 hours daily and provides police, fire, civil defense, and other emergency services to the university. Officers enforce university regulations as well as county and municipal ordinances, and state and federal laws. As peace officers, they are vested with all powers, privileges, and immunities of peace officers while in the performance of their duties.
