**EDUCATION**

<b><u>Degree</u></b>	<b><u>Field of study</u></b>	<b><u>Institution, Location</u></b>	<b><u>Date</u></b>
Ph.D.	Health Education & Promotions <b>Cognate:</b> Prevention of Science Certificate	Texas A&M University, College Station, TX	2012 - 2015
MS	Human Sciences, concentration in Human Nutrition and Dietetics	Prairie View A&M University, Prairie View, TX	2008 - 2009
Post Baccalaureate	Dietetic Internship	Prairie View A&M University, Prairie View, TX	2008- 2009
B. S	Dietetic, Food, and Nutrition	Prairie View A&M University, Prairie View, TX	2005-2007
A.A. S	Sciences	Lone Star College, Tomball, TX	2003-2005

**CERTIFICATIONS AND TRAINING**

- Digital Accessibility Certification: Faculty and Instructional Technology Track 2022
- 2022 SOPHE/CDC Digital Institute for Higher Education Academy (IHE Academy) 2022
- America Colleges and University Educators (ACUE) 2021
- Certified Health Education Specialist (CHES), National Commission for Health Education Credentialing, Inc. (NCHEC) 2021
- Quality Matter (GRQM) 2020
- Blooms Taxonomy Series Certificate 2020
- Classroom Management Certificate 2019
- Houston Community College Adjunct Academy Certification 2019

- CPR Certification 2018
  - Environmental Protection Agency Satellite and GPS Mapping 2019
- 2009

## **RESEARCH INTERESTS**

- COVID-19 and the digital divide in school
- Community needs assessment and interventions
- Caribbean food culture, health issues, and school nutrition policies
- Food preparation literacy, with an emphasis on chronic diseases and mental health
- Family influences on child health behaviors and outcomes
- Health disparities and inequality among the underserved minority population
- Qualitative research methods (photo-voice and grounded theory)

## **PROFESSIONAL EXPERIENCE (Teaching)**

<b><u>Institution</u></b>	<b><u>Position/ Title</u></b>	<b><u>Date</u></b>
Prairie View A&M University	<b>Assistant Professor</b> (Tenure Track) of Health, Department of Health and Kinesiology	2019-present
Houston Community College	<b>Temporary Full-time Professor</b> of Biology, Department of Natural Sciences	2018-2019
Prairie View A&M University	<b>Adjunct Instructor of Health</b> , Department of Health and Kinesiology	2016-2019
Prairie View A&M University	<b>Full-time Adjunct Instructor</b> , Department of Human Science and Ecology	2016-2018
University of Houston	<b>Lecturer</b> , Department of Psychological Health and Learning Sciences	2016-2017
Texas A&M University	<b>Graduate Teaching/ Administrative Assistant</b> , Department of Health and Kinesiology	2014-2015
Texas A&M University	<b>Graduate Teaching Assistant</b> , Office of Digital Learning Technologies (DLT)	2012-2014

## **PROFESSIONAL EXPERIENCE (Research)**

Texas A&M University	<b>Graduate Teaching/ Research Assistant</b> Transdisciplinary Center for Health Equity Research (TCHER)	2012-2015
Prairie View A&M University	<b>Research Specialist</b> , Cooperative Agricultural Research Center (CARC), College of Agriculture	2012
Texas A&M University	<b>Graduate Research Assistant</b> , Teen Health Empowerment Study, Department of Health and Kinesiology	2012-2013
Prairie View A&M University	<b>Nutrition Educator</b> , PVAMU Healthy Challenges, Department of Human Science and Ecology	2011-2012
Texas A&M University & Prairie View A&M University	<b>Research Associate /Project Manager / Coordinator</b> , School Wellness and Advocacy Project (SWAAP) Department of Human Science and Ecology	2008-2012
St. Francis Episcopal Church, Prairie View, TX	<b>Director</b> , Summer Nutrition Camp	Summer 2009
Prairie View A&M University	<b>Undergraduate Research Lab Assistant</b> , Cooperative Agricultural Research Center (CARC)	2005-2007

### **TEACHING AND COURSE MENTORSHIP**

\*\* indicates courses developed

\* indicates courses developed and certified for online teaching

^ faculty-mentored courses

### **Courses Developed & Certified for Online Teaching**

#### **Undergraduate courses at Prairie View A&M University**

HLTH 4073	Community Health Planning and Assessment**
HLTH 3053	Introduction to Public and Community Health**
PHLT 3173	Health Behavior Theories and Practice*
PHLT 3083	Women and Men Health*
PHLT 3253	Spirituality and Health*

### **Graduate courses at Prairie View A&M University**

HLTH 5073            Epidemiology and Disease\*\*

### **Undergraduate Course Mentor for Online Teaching**

HLTH 3013            Nutrition^

HLTH 3033            Research and Contemporary Health Issues^

### **Prairie View A&M University in the Department of Health and Kinesiology Undergraduate courses**

HLTH 3053            Introduction to Public and Community Health, Spring 2019-present

HLTH 3093            Drugs and Health, Fall 2019

HLTH 4073            Community Health Planning and Evaluation, Spring 2019-present

### **Graduate Courses**

HLTH 5073            Epidemiology, Spring 2019, Spring 2020, Spring 2021

HLTH 5193            Community Health, Fall 2019, Fall 2020

HLTH 5173            Nutrition and the Environment, Summer 2020

### **Prairie View A&M University in the Department of Human Science and Ecology Undergraduate**

HUNF 2633            Foodservice Systems face-to-face & Independent Studies, Fall 2016-17

HUNF 2653            Principles of Food Preparation and Meal Management, Spring 2017

HUNF 1343            Human Nutrition and Ecology, Fall 2016-17

HUNF 4613            Research in Nutrition, Spring 2017

### **University of Houston in the Department of Psychological Health and Learning Sciences**

#### **Undergraduate**

HLT4302            Health Aspect of Human Sexuality, Summer 2017 (80 students)

HLT 3301            Health Theory and Practices, Fall 2016 & Spring 2016 (150 students per semester)

HLT 3306            Environmental Health, Fall 2016 & Spring 2016 (150 students per semester)

### **Texas A& M University in the Department of Health and Kinesiology Undergraduate courses**

HLTH 236            Race Ethnicity Health, Fall 2012 - Spring 2014 (740+students)

HLTH 425            Health Program Evaluation, Spring 2015 (60 students)

HLTH 481            Allied Health, Fall 2015 (60 students)

## Houston Community College in the Department of Natural Sciences

### Undergraduate courses

BIOL 1322	Nutrition and Diet Therapy
BIOL 2301	Anatomy & Physiology 1
BIOL 2101	Anatomy & Physiology Lab
BIOL 2302	Anatomy & Physiology II
BIOL 1407	General Biology
BIOL 1306	Biology for Non-Majors

### GRANTS

#### Funded

1. Digital Transformation Initiative. Texas Higher Education Coordinating Board (PI) Kelly (Co-PI). Andrea McDonald (**2022-2024**) \$50,000.00.  
Develop a course using the backward design planning framework and publish it in the OERTX repository.
2. Assessing the Inclusion of Universal Design for Learning (UDL) in Higher Education Institutions Curricula. Faculty-Research & Innovation for Scholarly Excellence (RISE)-Undergraduate Funds. (PI) Andrea McDonald (**2022-2023**). \$6000.00.  
This project aims to train undergraduate students to conduct assessments and pilot UDL principles in the classroom.
3. The GET PHIT Workforce Development Program. Office of the National Coordinator Grant. (CO- Project Director) Andrea McDonald (**2021-2025**) \$9.75 million.  
This project aims to develop a culturally competent curriculum, recruit, mentor, and train underrepresented, students in public health informatics.
4. Measuring the Impact of Coronavirus among Students at a Historically Black College University (HBCU) in a Rural Area. PVAMU Faculty-Research & Innovation for Scholarly Excellence (RISE)-Undergraduate Research Grant. (Principal Investigator) Andrea McDonald (**2020-2022**) \$5000.00.  
This project explored students in higher education experience with online teaching and learning.
5. Mapping and Auditing Restaurants for Healthy Food Options During COVID-19 Pandemic. PVAMU Faculty-Research & Innovation for Scholarly Excellence (RISE)-Undergraduate Research Grant. Principal Investigator) Andrea McDonald (**2020-2021**) \$5000.00.  
This project examined restaurants operating hours and food availability during the COVID-19 pandemic.
6. USDA Assistance for Farmers Program: Assessing the Impact of COVID-19 on Historically Underserved Farmers, Ranchers, and their Family Health. PVAMU Faculty-Research & Innovation for Scholarly Excellence (RISE)-Undergraduate Research Gant. (Principal Investigator) Noel Estwick, (Co-Principal Investigator) Andre McDonald (**2020-**

**2021) \$5000.00.**

This project assessed the Impact of COVID-19 on Historically Underserved Farmers during the COVID-19 pandemic.

7. Research and Extension of Black-Eyed Peas for Food and Nutritional Security Across the New World Diaspora: Benefiting African Americans and Afro-Colombians through 1890s Universities Exchanges with SENA and National University in Colombia. 1890 Center of Excellence for International Engagement and Development (CEIED) funding. (Principal Investigator) Matthew Blair, (Co-Principal Investigator) Andre McDonald and Noel Estwick **(2020-2021) \$96,000.00.**

This project seeks to link 1890s Universities in the United States to cowpea culture and developed an exchange program between Afro-Colombian communities and students in institutions such as AgroSENA and the National University of Colombia Valle de Cauca.

8. Personalized Culturally Appropriate Nutrition Education Apps in Clinical Setting. Texas A&M Engineering Experiment Station Research Funding. (Principal Investigator) Andrea McDonald **(2017-2018) \$2500.00.**

This project was to create an application with foods from different cultures and provide nutrition composition.

9. An evaluation of different teaching techniques when implementing the six Caribbean food groups lesson modules. University of the West Indies Research Funding. (Principal Investigator) Isabella Granderson, (Co-Principal Investigator/ qualitative evaluator) Andre McDonald **(2015-2016) \$75,000 TT.**

This project evaluated different teaching techniques for implementing the six Caribbean food groups modules.

10. School Wellness Assessment and Advocacy Project (SWAAP). National Center on Minority Health and Disparities. (Principal Investigator) Lisako McKyer, & Sharon McWhinney, (Project Coordinator) Andrea McDonald **(2012-2014) \$6837,724.00.**

The goal of SWAAP was to test a culturally tailored childhood obesity intervention targeting rural minority parents of school-age children.

### **Unfunded**

1. Spencer Foundation. Measuring the Impact of Coronavirus among Students at a Historically Black Colleges and University (HBCU) in a Rural Area (50,000.00) Andrea McDonald **(PI).**
2. Department of Agriculture. Developing and evaluating mushroom fortified with vegetable amaranth products to improve human diet and nutrition (1000000.00) Peter Ampin PI and Andrea McDonald **(CO-PI).**

3. Centers of Excellence in International Engagement and Development. The 1890 Universities Foundation (72000.00) Noel Estwick (PI) and Andrea McDonald (**CO-PI**).
4. Department of Agriculture. Economic Impact on Health Literacy on Individual Health and Healthcare Facilities in Rural Texas Communities (499,996.00) Sharon McWhinney (PI) and Andrea McDonald (**CO-PI**).
5. Department of Health and Human Services. Socio-Economic Impact of Rural Healthcare in Selected Rural Counties. (675,000.00) Oluwagbemiga Ojumu (PI) and Andrea McDonald (**CO-PI**).

### **HONORS AND AWARDS**

<b><u>Award</u></b>	<b><u>Awarding Organization</u></b>	<b><u>Date</u></b>
One-Hour Editing Session	Textbook and Academic Authors Association (TAAA)	2021
Research Scholars Mentee	American Academy of Health Behavior (AAHB) Mentoring Program	2021-2022
Fellowship	Texas Public Health Association	2015
40 Under Forty Award	Prairie View A&M University	2016
Competitive Graduate Travel Award	Texas A&M University, College of Education and Human Development	2014-2015
Dissertation Grant	Texas A&M University, College of Education and Human Development	2014-2015
Thinking Progressively for Health Award	Texas Public Health Association	2014
Outstanding Research Poster Project	Texas Public Health Association	2013
