

Dr. LaSonya Dunham-Bishop Promoted to Vice President – Houston Region

We are pleased to announce the promotion of **Dr. LaSonya Dunham-Bishop to Vice President, Houston Region.**

Dr. Dunham-Bishop brings more than 20 years of distinguished leadership experience in education, program administration, workforce development, and community engagement. Since joining VOA Texas in 2016, she has consistently demonstrated a strong commitment to our mission and an exceptional ability to lead with vision and impact. In her role as Program Director, she oversaw operations across five counties, managed more than \$15 million in federal and private grant funding, and helped deliver critical services to thousands of families across the Greater Houston area.

She is widely recognized for her strategic leadership, innovative program development, and her ability to build meaningful partnerships across community, academic, and organizational stakeholders. Her work has strengthened program outcomes and expanded opportunities for the individuals and families we serve.

As Vice President, Dr. Dunham-Bishop will lead efforts to deepen VOA Texas' presence across the Houston region, serving as a key liaison to the community while advancing partnerships, fundraising, and regional growth initiatives. She will also help elevate organizational visibility and ensure continued alignment with our mission and long-term objectives.

Dr. Bishop's passion for service, collaborative leadership style, and proven track record of results make her an outstanding choice for this role. We are excited for the continued impact she will make in this new capacity.
