

REQUEST FOR COURSE REVALIDATION FOR MASTER'S DEGREE FORM

A student must complete requirements for the degree within six (6) consecutive years after the first date of enrollment in the Graduate School. Credit for individual courses completed in residence between six and seven years before all requirements for the master's degree are completed may be revalidated by special examination or other process given by the department concerned. Courses completed in extension or at another institution and the time limit cannot be revalidated. A course in which a grade of "C" was earned cannot be revalidated. A revalidated course is valid as credit toward the master's degree only during the term in which it is revalidated.
