PROOF OF ENGLISH PROFICIENCY

Some acceptable methods of verifying that the exchange visitor has sufficient proficiency in English to participate in his or her program:

- Adequate scores on English proficiency tests such as IBT, IELTS, and TOEIC or other standardized tests in English such as GRE and GMAT
- Interview(s) with the exchange visitor by faculty at the sponsoring institution who determine that the exchange visitor has sufficient English proficiency
- Evidence from the exchange visitor's professional experience and accomplishments that indicates a sufficient level of English proficiency

The type of assessment that is used and the level of English proficiency that is considered sufficient will likely vary from exchange visitor to exchange visitor depending on the nature of the program undertaken in the U.S. (e.g., observation, research, and/or teaching).
