To: President Wright, Vice Presidents, Deans, Directors and Department Heads

From: Corey S. Bradford

Re: Accountable Property Officer Responsibilities

The State of Texas is increasingly monitoring assets in our inventory so increased emphasis is placed on stewardship of assets under your control. This memorandum is issued as a reminder that the responsibilities of the Accountable Property Officer must be included in every departmental property officer’s position description in PV PAWS. They must be submitted to the Human Resources Department, and the responsibilities must be addressed in the evaluation of the employee. The responsibilities are attached to this memorandum and are being provided to the Human Resources Department to be included in each Property Officer’s official file.
