Prairie View A&M University

The information presented in this report is derived from a study by the Prairie View A&M University College of Business titled: The Economic Impact of Prairie View A&M University on Waller County, the Houston-Baytown-Sugar Land MSA and the State of Texas. 

Prairie View A&M University is an institution steeped in tradition with a firm grasp of the future. With an established reputation for producing engineers, corporate leaders, nurses and educators, PVAMU has made an impact throughout the United States. Through the creation of courses like Chinese and Arabic, Prairie View continues to prepare its students to compete in a global marketplace.

Close proximity to Houston, coupled with its quiet rural location, make PVAMU an ideal place to study, learn and explore. The university’s dedication to excellence extends past its majestic campus into nearby Houston. The state-of-the-art College of Nursing resides in the world-renowned Texas Medical Center, where students learn the latest nursing procedures in simulation labs. In Northwest Houston, students enjoy the convenience of centralized offerings in education, nursing, business and community development at the university’s Northwest Houston Center. Rooted deep within the heart of PVAMU is the mission of providing access to a quality education. Students’ needs are met through a comprehensive approach, addressing their issues inside and outside of the classroom.

Employers of PVAMU Alumni

include many prestigious corporations and governmental entities such as:

- Accenture
- AT&T
- Boeing
- Cy-Fair Independent School District
- Chevron
- City of Houston
- Enterprise Rent-a-car
- ExxonMobil
- Halliburton
- Houston Independent School District
- IBM
- Lockheed Martin
- NASA
- Raytheon
- Shell
- State of Texas
- Texas Instruments
- U.S. Army Corps of Engineers
- United States Department of Agriculture
