IMPORTANT INSTRUCTIONS:

- Each black space on the waiver must be completed with your program's information. The first two spaces should be filled in with your program name and sponsoring department. The third blank, under the Indemnity Clause, should be filled with a brief list of potential risks that the program participants will be exposed to during program activities. Filling this blank with potential risks such as physical injury or death will not be sufficient; more specific risks need to be communicated in this space. It is also recommended that you think beyond just the physical risks that the participant may be exposed to or experience as well.
- Font on waiver must be 10 point or more.
- **IMPORTANT!** Make sure the language that is bolded, underlined, and italicized remains that way in the releases distributed to your camp participants. Also, the font on the waiver should be at least 10-point font to be sufficient (even if the waiver is part of a brochure). Do not make changes to this form other than inserting the name of your camp/program where indicated.
- As before, this waiver must be signed by each camp participant and his or her parent/guardian and returned to camp staff before the camp begins.
- We will not accept other waivers – the waiver on our website must be used for ALL camps/programs as this waiver has been recently approved by the Office of General Counsel.
