I Acknowledge this Access is Appropriate (To be filled out by the requesting supervisor)

| Print Employee Name |
|---|
| I acknowledge that as the user's supervisor all access I am requesting is appropriate for this user and I am ultimately responsible for ensuring that access is appropriate. |
| I acknowledge that the access being requested is relevant to the user's job responsibilities as defined in the user's job description. |
| I acknowledge that I am responsible for ensuring that the user is properly trained in business processes and practices relevant to the user's responsibilities relating to the Banner system. |
| I understand the internal controls required in my department and acknowledge that access being requested does not conflict with internal control policies and procedures within my department and requested access does not create a conflict of interest not only within the Banner system, but also any business process or system the user may be responsible for outside of Banner. |
| I agree to respond timely when asked to review the user's access on a periodic basis and any unnecessary access will be properly communicated to the Office of Information Resource Management. |
| I acknowledge that if this user's employment status (i.e. termination, transferring departments, etc.) with this university changes it will be properly communicated to the Office of Information Resource Management. |
| I,, do hereby acknowledge that I will abide by this agreement and that failure to do so may lead to University disciplinary action. |

Supervisor Signature

Date

Insert Copy of TrainTraq Transcript Here (Must show completion of FERPA training)

Instructions

Step 1. For Requestor Use

Name Type in the user's name. Required.

Title Type in the user's official title. Required.

Division/Dept Type in the user's division/department. Required.

Phone ExtType in the user's 4 digit university number. Required.

E-mailType in the user's official university email username. Required.

TEST Needed Check if an account in TEST is immediately needed.

Date Type in the date of the request. Required.

Create Account Check if a new account is being requested. (New users will

be required to take navigation training.)

Delete AccountCheck if this is an existing account that needs to be deleted.

(Accounts are automatically deleted when an individual's employment status changes. This includes termination and transferring between departments. If the account needs to be deleted prior to the official change in employment status, this form should be completed and this

requested action should be noted.)

Modify Account Check if this is an existing account for which access is being

modified.

Select RoleSelect the role that best fits the user's job functions, else choose

"Other" and describe your role in the "Explain..." field.

Same Access AsType the name in of a Banner user whose job function mirrors

the user.

Explain the Access Being

Requested

Provide details on the access being requested and how the access

relates to the user's job functions.

Supervisor Signature/Date Immediate supervisor signature is required. Signature date is

required.

Print Name Type in the supervisor's name. Required. (Note that the signing

supervisor must also complete the "Acknowledgement of Request of Appropriate Banner Access" on page 2. This form must always be completed when submitting this form unless this is a request to delete an

account.)

Run Need Analysis Calculation FOR FINANCIAL AID STAFF ONLY - Check if access to run need

analysis calculations is being requested. Financial Aid Director's

signature required.

After completion, forward this request to the appropriate Information Owner. The requesting supervisor is required to work with the Information Owner to ensure that appropriate access is given.

BANNER Security User Maintenance Form

Banner Information Owners

| | Main | Back-Up |
|--------------------------------|------------------|----------------------------|
| Academic [REG] | Deborah Dungey | Michelle Hill |
| Account Receivables [AR] | Equilla Jackson | Rod Mireles/Martha Ewane |
| Admissions [ADM] | Hugh Durham | Lenice Brown/Michelle Hill |
| Advancement/Alumni [ADV] | Sue Sampleton | Edie Charlot |
| Financial Aid [FAID] | Ralph Perri | Joy Thomas |
| Graduate School [GRAD] | Pauline Walker | Carmen Carter |
| Institutional Research [IRE] | Dean Williamson | Ginger Phillips |
| Recruitment [RECRUIT] | Mark Pearson | Michelle Hill |
| Space Management [SPMG] | Derrick Elder | Terence Finley |
| Texas Success Initiative [TSI] | John Gardner | Wylene Miles |
| Information Resources[IRM] | Michael Martinez | Dwayne Marshall |
| Auxiliary Services [AUX] | Anitra Addison | Tressey Wilson |

Step 2. For Information Owner Use

Information Owner is responsible for working with the requestor to ensure that only that access which is NEEDED for the user to perform their job responsibilities is being granted.

For each row needed to complete the request complete the following. Only one class per row.

Add Check if the identified class is being added to this account.

RemoveCheck if the identified class is being removed from this account.

Class Print the security class that is being added/removed. This class

should be correctly spelled and must exist in Banner. (If you need to create the class use the "Banner Security Class Maintenance Form".)

Class Owner Select the primary class owner from the drop-down list.

Class Owner Signature Class owner signature is required for each identified class. The

designated back-up for the class owner may sign in the owner's

absence.

Comments Provide any comments that may assist in the assignment of

appropriate access.

Unmask Fields/Data

Unmask SSN Choose one of the following: 1) View SSN or 2) View Partial SSN.

New accounts do not get access to see SSNs unless otherwise expressed on this form. This action requires that the request be forwarded to the Information Security Officer for signature.

Unmask InternationalCheck if granting access to unmask International information.

Reaistrar's signature required.

SSASECT Time Conflict Override Check if granting access to SSASECT time conflict override field.

Registrar's signature required.

SZAREGS Error OverrideCheck if granting access to SZAREGS error override field.

Registrar's signature required.

SFASLST Roll Grades Ind (I

Posting)

Check if granting access to the SFASLST roll grades indicator field. (This indicator is concealed from academic department power users that are given access to enter I/IP grades on SFASLST.) Registrar's

signature required.

Secured Fields/Data

Approved Test CodesSelect the test code you are granting the user the ability to use.

Code owner's signature required.

Approved Hold CodesSelect the hold code group you are granting the user the ability to

use. Code owner's signature required.

Enter I and IP Grades Check if requesting access to enter in I/IP grades in SFASLST. (Roll

grades indicator will be automatically concealed from the user.)

Registrar's signature required.

Request should be forwarded to each Information Owner for which a signature is required. The completed request should then be forwarded to the Information Resource Supervisor, Office of Information Resource Management, Harrington Science Bldg 311C for final approval and processing.
