Cyber Security Awareness Month

CITE CENTER FOR INFORMATION TECHNOLOGY EXCELLENCE

Do Your Part.

If You Connect IT, Protect IT

#BeCyberSmart

In 2019, more than **$3.5 billion** was lost globally to cyber crime! **7 million** data records are compromised **daily!**

Join us 10/5 to 10/9 to learn more!

Tip #1

It is not only necessary to safeguard our personal devices, but all the devices we interact with. No matter what the future brings, everyone needs to do their part.

Join us 10/26 to 10/30 to learn more!

Tip #4

There are an estimated 4.8 billion Internet users which is approximately 62% of the world's population! The need to "Protect IT" is more important than ever.

Join us 10/12 to 10/16 to learn more!

Tip #2

2020 has seen major disruptions in the way we work, learn, and socialize, with our homes, schools & businesses more connected than ever, it's vital to "Protect IT"!

Join us 10/19 to 10/23 to learn more!

Tip #3

Be on the lookout for posters, emails, webinars and social media posts throughout October.

Each will have Qrcodes to answer questions about Cyber Security as part of a month long scavenger hunt to win prizes!
