NATIONAL CYBERSECURITY AWARENESS

PVAMM

PRESENTS

Teri Green
CIO/CISO

LITE — EST. 2016 — Technolgy Solutions

Oct. 20, 2020 | Where: Zoom

Prairie View A&M University and the Center for Information Technology Excellence (CITE). Women in Technology celebrating National Cybersecurity Awareness Week (NCAW). Our goal is to build awareness around women in technology and the broad array of career opportunities in cybersecurity available to students and adults. A discussion around your journey through technology will be a great addition to our event.
