

How to Create a Ticket in SNOW

1. Go to the website <http://www.pvamu.edu/helpdesk>
2. In the login in box fill in your **full PVAMU email address** and **password**

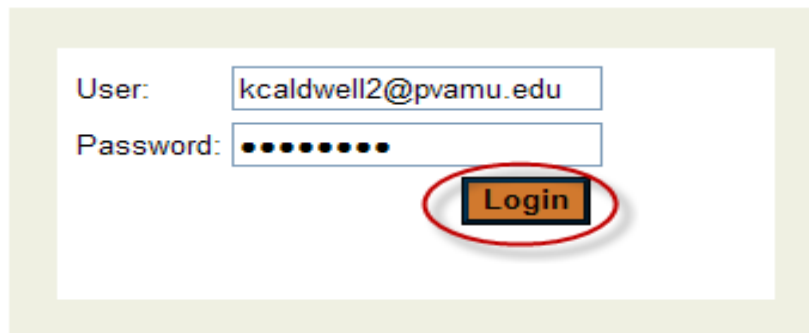

Log In using PVAMU email address and password
For Example: **jsmith2@pvamu.edu**

A screenshot of a login form. The 'User:' field contains the text 'kcaldwell2@pvamu.edu'. The 'Password:' field contains ten black dots. Below the password field is a brown 'Login' button. Two red arrows point from the right towards the user and password input boxes.

3. Click the **Login** button

Log In using PVAMU email address and password
For Example: **jsmith2@pvamu.edu**

A screenshot of the same login form as above. The 'User:' field contains 'kcaldwell2@pvamu.edu' and the 'Password:' field contains ten black dots. The brown 'Login' button is circled with a red oval.

4. On the next page click **Submit New Ticket**

5. Fill in your best contact number, a short description of the problem, and in the big description box be more **detailed**

The screenshot shows a "Ticket" submission form. The form has a header "Ticket" with a red exclamation mark and "= Required field" next to it, and a "Submit" button on the right. The form fields are: "Company:" (Prairie View A & M Univer), "User:" (Kyna Caldwell), "Best contact number:" ((936) 261-9327), "Contact type:" (Self-Service), "Short description:" (Test Ticket), and "Description:" (This is a test run for a tutorial to show how to use this format). Red arrows point to the "Best contact number", "Short description", and "Description" fields. There are also search icons for "Campus:", "Building:", and "Room:" fields.

*High priority issues should be submitted via phone, not New Ticket.
