

SAFE CONNECT GUEST USERS INSTRUCTIONS

Guest User

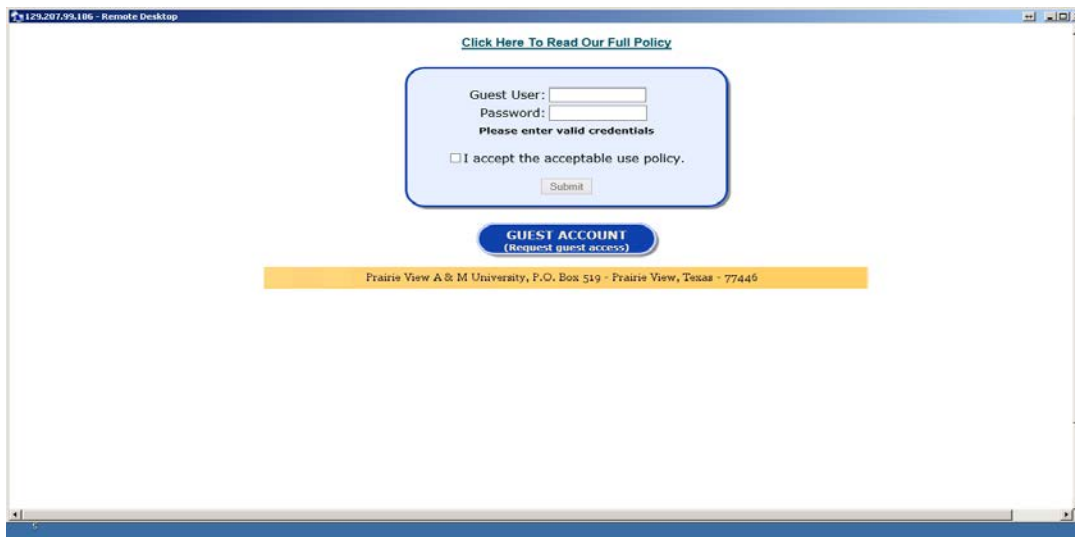

****READ INSTRUCTIONS ALL THE WAY THROUGH****

Connecting to the PVAMU Wireless Network

1. Click on the Wireless networks icon located on your task bar next to your volume control 

2. Click SSID **pvamu-guest**
3. Check the **Connect automatically** button
4. Click the **Connect** button
5. Accept the Disclaimer by clicking on the check box and then click accept.
6. Wait a few minutes for the network connection to establish then open a web browser and attempt to navigate to any web page. You should be greeted with a Guest registration page:

Picture 1

7. You may then register as a guest using your phone number and email address and a text will be sent to your phone with your password and username (same as email you used to register).
8. Retrieve the text message and then login in with the username and password texted to your phone and then **accept the acceptable use policy as shown in picture 1 above.**
