

Transform Your

Learning/Teaching/Work

Through Technology

**PVAMU Virtual
Tech Summit 2021**

Students, Faculty & Staff are welcome to attend both days, please refer to your email for more information.

The Microsoft Day, Tuesday April 13, will be conducted by Microsoft Trainers in Teams. Check your email for the calendar invites for each session.

Day 2, Wednesday April 14, will be hosted in Conduit - a new engaging platform!

You will receive an email the day before reminding you of the event.

The day of you will receive an email with your unique entrance link. This gives you access to all the sessions!

We hope you can attend some different sessions to learn more about the tools available to you!
