

Tech Tuesday

November 5, 2024

2:00 PM CT (Zoom)

Institute of Museum and Library Services

Cyndee Landrum, Acting Director of IMLS, oversees the agency's largest grant programs, Grants to States, which is the primary source of federal funding for library services in the U.S., and the agency's discretionary grant programs, including National Leadership Grants for Libraries, the Laura Bush 21st Century Librarian program, Native American and Native Hawaiian Library Services, and the newest library grant initiative, Accelerating Promising Practices for Small Libraries.
