Scope and Contents Note: The collection is a compilation of various donations, and the creator is either unknown or acquisition from a PVAMU Special Collections and Achieves staff member. So, the collection is arranged in four series according to the type of materials given through various donations in the last few years. The series is explained below:

Series One: Printed Materials and Programs, 1981-2021, undated

The first box contains publications only from some Divine Nine organizations. This collection is still actively growing with the continuous donations from the Prairie View community.

Series Two: Photographs, undated

The second box consists of pictures donated from a member of the Zeta Phi Beeta Sorority.

Series Three: Artifacts, undated

The objects in this collection pertain to a wooden plaque from the Kappa Alpha Psi organization.

Series Four: Reference Materials, 1933-2022, undated

The last series is folders pulled from the collection before the creation of the collecting scope on the PVAMU Divine Nine collection. These folders serve as a reference guide to researchers, but the SCAD staff wants to create individual collections for each Greek Organization.

Arrangement: The collection is arranged in four series according to the various Printed Materials, Invitations and Programs, Photographs, Artifacts, and miscellaneous files about the Greek Organizations.
