Biographical Note:

These files were a part of the reference department located in the W. R. Banks Library that was transferred to the John B. Coleman Library in 1985. It is unknown when this collection was started but contains important files on personnel employed by the University or attended school at Prairie View.

Sources: none.

Scope and Contents Note:

The collection was stored in four one linear footage boxes by last name only. The collection was rehoused for long-term preservation into archival-safe boxes and folders. The arrangement will remain the same by alphabet order from A to Z. The inventory list will be described by each individual or group name in alphabetical order. The list of names goes from administrative personnel like acting principals (W. R. Banks) to Faculty members (Will Henry Bennett), Librarians (O. J. Baker) to various alumni from the 1920s to late 1990s. Also, various Prairie View Mayors, Waller County attorneys, and groups outside of Prairie View A&M University are included in this collection. In addition, the contents range from unpublished materials like speeches, personal records, involvement at Prairie View and more.

The purpose of preserving these files is unknown, but valuable information was collected on these selected individuals.

For the individuals who have separate collections, the folders were pulled by the acting supervisor, Ms. Earles to add to their respective collection(s) like for example any principals and presidents. The remaining folders will stay in the collection and be listed in the inventory section of the Finding Aid. Lastly, this is an active collection that is adding fellow alumni members and their contributions to the collection.
