2. Term of Contract

The term of this Contract shall be two (2) years commencing on January 10, 2018. Prior to expiration of the original term, the contract will renew automatically in two (2) year increments for two additional terms under the same terms and conditions unless either party provides notice to the other party 60 days in advance of the renewal date stating that the party wishes to discuss modification of terms or not renew. Additionally, the parties by mutual agreement may extend the term for up to ninety (90) additional calendar days.

3. Product and Service Offerings

A. Products

This Contract is a full Catalog contract, offering all products Dell is authorized to sell or manufacture.

B. Services

Related services include but are not limited to: deployment, help desk, managed services, storage and server assessment services, product installation, Custom Factory Integration of

Customer Imaged Software (“CFI”), maintenance and support, asset recovery services, product training, and future services Dell may offer upon DIR approval.

4. Pricing

MSRP is defined as Dell’s published retail price list as found on <http://ftpbox.us.dell.com/slg/weekly/dellpricereport.pdf>.

B. Customer Discount

The minimum Customer discount for all products and services will be set forth in Appendix C Pricing Index.

Vendor agrees that the DIR standard pricing discounts contained in Appendix C will remain at least one percent (1%) better than the NASPO (the National Association of State Procurement Officials ValuePoint (NASPO VP) Category A level, standardized discounts. This extension of competitive volume sales pricing is intended solely to ensure that DIR will, at a minimum, remain competitive with the standard price rates set for NASPO VP as a whole. DIR may not apply, without the express consent of Vendor, any pre-existing discount structure to the NASPO VP pricing being offered to DIR by Vendor. DIR may either use DIR discounted pricing or the NASPO VP pricing but may not combine, or compound the two.

In the event that DIR pricing fails to remain competitive with (i.e., at least one percent [1%] better than) NASPO VP standardized, category level pricing as described in the foregoing paragraph, Vendor shall extend such pricing to DIR. Vendor shall use its commercially reasonable best efforts to notify DIR of such NASPO VP price change and amend this Contract within thirty (30) days after the amendment to the Vendor’s NASPO VP contract. The introduction of the NASPO VP pricing to the DIR contract shall be effective from the date of execution into the Contract by amendment. Both parties agree that the pricing shall not be retroactive for DIR and shall not extend back to the date that Vendor reduced NASPO VP catalog pricing. Further, the parties agree that DIR, or the State of Texas, does not have the right to audit the NASPO VP contract held by the Vendor. References to the Vendor’s NASPO VP contract are only contained in this Contract for purposes of referencing the pricing discounts contained therein. Both parties acknowledge that the Vendor’s NASPO VP contract and pricing are readily available to the public and may be freely accessed by the Vendors DIR web page and by the internet for the purposes of validation under the terms and conditions of this Contract.

C. Customer Price

1) The price to the Customer shall be as set forth in Appendix C, Pricing Index.

2) Customers purchasing products and services under this Contract may negotiate more advantageous pricing or participate in special promotional offers. In such event, a copy of such better offerings shall be furnished to DIR upon request.

This requirement applies to products or non-customized services actually charged by Vendor for a quantity of one (1) under substantially similar terms and conditions, for substantially similar configurations or deliverables. This requirement does not apply to volume or special pricing purchases. This Contract shall be amended within ten (10) business days to reflect the lower price.

F. Delivery

Shipment of Dell-branded systems from Dell's facility is estimated at between fifteen (15) and twenty-five (25) days after receipt of a valid and complete order. While there may be industry-wide situations of constrained product, current manufacturing lead times for desktop and notebook systems are ten (10) to fourteen (14) business days. Current lead times for server systems are nine (9) to twelve (12) business days; this is specifically designed for extensive testing on these mission-critical systems.

Shipment of third party software and peripheral items is estimated at between seven (7) and ten (10) days after receipt of a valid and complete order.

Please note that customization through Dell's Configuration Services may increase lead times. While Dell does not guarantee specific delivery dates, Customers providing Dell with an accurate quarterly forecast will greatly enhance Dell's ability to be prepared for Customer orders and to meet your needed delivery timeframes.

G. Tax-Exempt

As per Section 151.309, Texas Tax Code, Customers under this Contract are exempt from the assessment of State sales, use and excise taxes. Further, Customers under this

Price decreases shall take effect automatically during the term of this Contract and shall be passed onto the Customer immediately at the time of submission of a purchase order, but shall not be retroactive to products for which a purchase order has been received, or for services currently being rendered under a prior purchase order.

5. DIR Administrative Fee

A. The administrative fee to be paid by the Vendor to DIR based on the dollar value of all sales to Customers pursuant to this Contract is one half of one percent (.50%). Payment will be calculated for all sales, net of returns and credits. For example, the administrative fee for sales totaling \$100,000 shall be \$500.

B. All prices quoted to Customers shall include the administrative fee. DIR may change administrative fee amounts; however, no revision will take effect before ninety (90) days following written notice. Vendor may revise pricing to reflect the change in administrative fees.
