**For:** Community and Economic Development Department  
at Prairie View University

# Executive Summary

Customized Mobile Application Solution for Community and Economic Development (CED)  
Department at Prairie View A&M University

## Overview

AV Tech LLC is proud to provide a tailored quotation for developing a state-of-the-art mobile application for the Community and Economic Development (CED) Department at Prairie View A&M University. Our innovative approach ensures robust functionality and scalability to meet the department's growing needs.

## Proposed Solution

- **Basic Version:** Core user access and administrative capabilities designed for streamlined operations.
- **Additional Features:** An extensive library of features, each developed and independently priced for both Android and iOS platforms. This enables flexible expansion based on budget and priorities.

## Key Benefits

- Scalable and future-ready digital infrastructure
- Enhanced accessibility and user engagement
- Secure, intuitive, and localized mobile tools

## Platforms

### Android and iOS

Development for both platforms will proceed in parallel to maximize efficiency and ensure timely delivery.

# Solution Description

The proposed solution architecture is designed to balance **core functionality**, **scalability**, and **budget flexibility**. The app will operate on a **county-specific model**, where all users are linked to their county of residence or interest during onboarding. This ensures that events, announcements, notifications, and even agents or programs shown in the app are **relevant to the user's chosen county**. It supports CED's mission of hyper-local engagement and tailored service delivery. It is structured in two tiers:

## 1. Basic Version

This is the **foundational mobile application**, delivered on both Android and iOS platforms. It contains all essential functionalities required for users to register, access key program resources, engage with events and surveys, and for administrators to view participation metrics. This version ensures that CED has a solid, fully operational app ecosystem that meets the core objectives from day one.

### Why it's important:

- ✓ Provides a centralized, secure system for user management and outreach.
- ✓ Enables immediate service delivery and digital communication.
- ✓ Lays the technical foundation for all future enhancements.

## Core Features

1. **User Registration & Login:** Secure login system for registered users only. New users provide personal info (name, contact, demographics) during sign-up.
2. **Resource Hub:** Central repository for educational documents, business templates, video materials, and training programs. Managed via CED-admin portal connected to AITC's backend API.
3. **Survey & Application Submissions:** Embedded forms supporting both qualitative and quantitative inputs. Admins can schedule surveys or trigger them manually. Collected data will be export-ready for tools such as PEARS.
4. **Events Calendar (Location-Based):** Displays upcoming events and workshops based on user location. Includes registration capability and personalized event listings.
5. **Basic Analytics Dashboard:** Admins access key engagement metrics organized per user.

## 2. Additional Features (Modular add-ons)

These are **independently developed modules** that enhance the app's capabilities and address more specific needs such as AI assistance, offline access, multilingual support, and media streaming. Each feature is treated as a separate package with **its own implementation schedule and cost per platform** (Android and iOS).

### Why it's structured this way:

- ✓ Empowers CED to **choose features that align with available funding or evolving priorities.**
- ✓ Allows **incremental growth**: start small, expand as needed without reengineering the whole app.
  - ✓ Supports agile decision-making during implementation and post-launch phases.

1. AI Chatbot: Responds to USDA and CED-related FAQs, trained on program documents, dynamic updates
2. Push Notifications: Send segmented, real-time alerts (by location, interest, program). Supports manual or automated scheduling.
3. Resource Hub – Interactive Expansion: Interactive annotations, commenting, and bookmarking. User-level resource tracking (views, completions).
4. Microlearning Modules: Short asynchronous courses with progress tracking. Digital badges supported.
5. Offline Mode: Enables caching of selected videos, PDFs, or guides for low-connectivity environments.
6. Event Mapping & Transportation Integration: Includes Google/Apple Maps for event location, ride-share link-outs, and add-to-calendar support.
7. SMS Notifications: Text-based updates for alerts, ideal for users preferring SMS over app push notifications.
8. Live Human Chat: Users can initiate support chats with real agents. Admin dashboard to manage live inquiries.
9. Live Streaming & Event Broadcasts: In-app viewing of training, workshops, or webinars with live chat/Q&A integration.
10. Extension Store: Sell branded materials, training kits, or registration-based services.
11. Donation Portal: Integrated fundraising tools via Stripe or PayPal with campaign tracking.
12. Multilingual Interface: UI and content toggle between English and Spanish, with future language additions.
13. Discussion Boards & Group Messaging: Thematic or event-based discussion channels moderated by CED staff.
14. Accessibility: Screen reader support, font scaling, high-contrast mode, and compliance with WCAG 2.1 standards.

- C. MEMBER may immediately terminate this Agreement if (i) the PROVIDER’s insurance coverage required under this Agreement is cancelled or non-renewed; or (ii) the PROVIDER declares bankruptcy, is placed into involuntary bankruptcy or receivership or becomes insolvent.
- D. MEMBER may terminate this Agreement without cause upon thirty (30) days’ prior written notice to PROVIDER.
- E. In the event that MEMBER terminates this Agreement for cause, MEMBER shall receive a pro-rata refund of any pre-paid amounts.

#### 4. CONFIDENTIALITY

- A. The Parties anticipate that under this Agreement it may be necessary for a Party (the “Disclosing Party”) to disclose information of a confidential nature (“Confidential Information”) to the other Party (the “Receiving Party”). The Disclosing Party shall clearly identify Confidential Information at the time of disclosure by (i) appropriate stamp or markings on the document exchanged, or (ii) written notice, with attached listings of all material, copies of all documents, and complete summaries of all oral disclosures (under prior assertion of the confidential nature of the same) to which each notice relates, delivered within thirty (30) days of the disclosure to the Receiving Party. Confidential Information shall include all information, data or other content that MEMBER, its affiliates, and their employees, contractors, students, or end-users enter, submit or upload to Services or otherwise provide to PROVIDER through use of the Services under this Agreement (collectively, the “Customer Data”).
- B. “Confidential Information” does not include information that: (i) is or becomes publicly known or available other than as a result of a breach of this Agreement by the Receiving Party; (ii) was already in the possession of the Receiving Party as the result of disclosure by an individual or entity that was not then obligated to keep that information confidential; (iii) the Disclosing Party had disclosed or discloses to an individual or entity without confidentiality restrictions; or (iv) the Receiving Party had developed or develops independently before or after the Disclosing Party discloses equivalent information to the Receiving Party; provided, however, that the above exclusions do not apply to Customer Data that is personally identifiable information or other personal or private data that is protected under applicable laws or regulations.
- C. The Receiving Party shall handle Confidential Information with the same care that the Receiving Party uses to protect its own information of comparable sensitivity, but not less than reasonable care. For Customer Data, a reasonable standard of care includes at minimum the obligations set forth in Section 10.B., Access to Agency Data, below. The Receiving Party may use Confidential Information only for purposes of performing its obligations under this Agreement and may disclose Confidential Information only to the Receiving Party’s employees, contractors, agents, and other representatives (“Representatives”) having a need to know the Confidential Information to fulfill the Receiving Party’s obligations under this Agreement; provided that they are subject to confidentiality obligations not less restrictive than those set forth herein, and the Receiving Party remains responsible for its Representatives’ compliance with the obligations under this Section.
- D. The Receiving Party shall promptly notify the Disclosing Party of any known unauthorized disclosure, misappropriation, or misuse of Confidential Information and shall take prompt and effective steps to prevent a recurrence of such misappropriation or misuse.
- E. If the Receiving Party is legally required to disclose Confidential Information, the Receiving Party shall, to the extent allowed by law, promptly give the Disclosing Party written notice of the requirement so as to provide the Disclosing Party a reasonable opportunity to pursue appropriate process to prevent or limit the disclosure. If the Receiving Party complies with the terms of this Section, disclosure of that portion of the Confidential Information, which the Receiving Party is legally required to disclose, will not constitute a breach of this Agreement.
- F. The Receiving Party shall, upon request of the Disclosing Party, promptly return or destroy all materials embodying Confidential Information other than materials in electronic backup systems or otherwise not reasonably capable of being readily located and segregated without undue burden or expense, except that the Receiving Party may securely retain one (1) copy in its files solely for record purposes; provided that any such Confidential Information shall remain subject

PROVIDER shall comply with FERPA as to any such education records and is prohibited from redisclosure of the education records except as provided for in this Agreement or otherwise authorized by FERPA or MEMBER in writing. PROVIDER is only permitted to use the education records for the purpose of fulfilling its obligations under this Agreement and shall restrict disclosure of the education records solely to those employees, subcontractors or agents who have a need to access the education records for such purpose. PROVIDER shall require any such subcontractors or agents to comply with the same restrictions and obligations imposed on PROVIDER in this Section, including without limitation, the prohibition on redisclosure. PROVIDER shall implement and maintain reasonable administrative, technical, and physical safeguards to secure the education records from unauthorized access, disclosure or use.
- D. **Payment Card Industry (PCI) Compliance.** For purposes of this Agreement, “PCI DSS” means the most current version of the Payment Card Industry Data Security Standard administered by the Payment Card Industry Security Standards Council. If applicable, PROVIDER acknowledges and agrees that it is responsible for the security of cardholder data it possesses or otherwise stores, processes or transmits on behalf of MEMBER, or to the extent that PROVIDER could impact the security of the cardholder data environment and agrees as follows:
- i. PROVIDER represents and warrants that, as of the Effective Date of this Agreement, it has complied with all PCI DSS requirements and has performed the necessary steps to validate its compliance with PCI DSS. PROVIDER shall maintain such compliance for the Term of this Agreement and send documentation of its most recent validation of compliance to MEMBER annually during the Term of this Agreement. In the event that PROVIDER learns that it is no longer PCI DSS compliant, PROVIDER will notify MEMBER within two (2) business days of discovery and immediately remediate such non-compliance.
  - ii. PROVIDER acknowledges that unauthorized access to the cardholder data environment (a “cardholder data breach”) resulting from a lapse in PROVIDER’s security obligations is grounds for early termination of this Agreement, without penalty and with immediate effect, at MEMBER’s discretion. PROVIDER agrees to comply with all laws, rules, and regulations applicable to cardholder data services, including without limitation, those laws requiring notification of individuals in the event of a cardholder data breach.
  - iii. PROVIDER agrees to indemnify and hold harmless MEMBER from and against any third-party claims, damages, or other harm related to a cardholder data breach. This provision survives termination of this Agreement.

asserted against A&M System Indemnities (each, a “Claim”) arising out of or related to (i) an allegation that any of the Services infringe upon, misappropriate, or otherwise violate the intellectual property rights of a third party (“Infringement Claim”); (ii) PROVIDER’s breach of any certification, representation, or warranty contained in this Agreement; or (iii) any acts or omissions of PROVIDER or its employees or agents pertaining to the activities and obligations under this Agreement, except to the extent such Claim arises from an A&M System Indemnitee’s gross negligence or willful misconduct. If the Services become or are likely to become the subject of an Infringement Claim, then PROVIDER may, at its expense and option, either: (a) replace or modify the Services to make them non-infringing, while maintaining equivalent functionality; or (b) procure for MEMBER the right to continue using the Services pursuant to this Agreement. If neither of the foregoing options is reasonably available to PROVIDER, then either Party may terminate this Agreement and PROVIDER shall refund MEMBER, on a pro-rata basis, the amount of any prepaid fees.

PROVIDER shall promptly respond to and use commercially reasonable efforts to resolve and remediate any noncompliance with the Accessibility Warranty. In the event that PROVIDER fails or is unable to do so, MEMBER may immediately terminate this Agreement, and PROVIDER will refund to MEMBER all amounts pre-paid by MEMBER under this Agreement within thirty (30) days following the effective date of termination.
- B. **Access to Agency Data.** Pursuant to Section 2054.138, Texas Government Code, PROVIDER shall implement and maintain appropriate administrative, technical, and physical security measures, [including without limitation, the security control baseline required by the then-current risk and authorization management program established by the Texas Department of Information Resources (“TX-RAMP”)] to safeguard and preserve the confidentiality, integrity, and availability of Customer Data (“Security Controls”). Upon written request by MEMBER, PROVIDER shall provide MEMBER with evidence or a copy of the certification of its compliance with the Security Controls within thirty (30) days of such request.
- C. **Cloud Computing Services.** As of the Effective Date, PROVIDER certifies that it complies with the then-current requirements of TX-RAMP. Pursuant to Section 2063.408, Texas Government Code, PROVIDER shall maintain TX-RAMP compliance and certification, as may be amended from time to time, throughout the Term, including any renewal term of this Agreement. PROVIDER shall provide MEMBER with evidence of its TX-RAMP compliance and certification within thirty (30) days of MEMBER’s request and at least thirty (30) days prior to the start of any renewal term of this Agreement. In the event that PROVIDER fails to maintain TX-RAMP compliance and certification throughout the Term, including any renewal term, MEMBER may immediately terminate this Agreement, and PROVIDER will provide a refund to MEMBER of any prepaid fees.

Under Section 231.006, Texas Family Code, PROVIDER certifies that it is not ineligible to receive the payments under this Agreement and acknowledges that this Agreement may be terminated and payment may be withheld if this certification is inaccurate.

PROVIDER shall submit written notice of a claim of breach of contract under this Chapter to the Contracts Officer of MEMBER, who shall examine PROVIDER's claim and any counterclaim and negotiate with PROVIDER in an effort to resolve the claim.
