Parent & Family Programs

Welcome to the Panther Family! It is my pleasure to welcome you and share some of the great resources that we provide throughout your student's time at Prairie View A&M University.

The Office of Parent & Family Programs is your office on campus. This office will serve as the primary point of contact for PVAMU parents and families.

We recognize that having a student in college can be both an exciting and challenging experience. We are here to help ease that process while providing resources and opportunities for involvement and a parent support network.

You will also find valuable information on our Parent & Family website. Make sure to monitor our website for more information about events such as Parent & Family Orientation, Parent & Family Weekend, Coffee and Conversation, and other events.

Again, I would like to welcome you to the Panther Family. We look forward to seeing you at our Parent & Family events.

OUR MISSION

To connect parents and families of Prairie View A&M University students to our campuses so that they may support their student's academic, social, and physical development and success. The Office of Parent & Family Programs is here to answer questions, provide resources, and help provide guidance through any challenges the parents and family members are experiencing.
