

# Prairie View A&M University Research Week

## April 10 – 12, 2019

The Office of Research, Innovation, and Sponsored Programs (ORISP) and the Office of Provost and Academic Affairs jointly sponsor the first **Annual Research Week, April 10 – 12, 2019**, to recognize and celebrate research, innovation, and creative accomplishments of PVAMU faculty, scientists, and students. The following activities will take place:

### Day 1: Display of Research, Innovation, and Creative Projects by Faculty and Scientists

Wednesday, April 10, 2019. 9:30 am – 12 noon.

Location: Welcome Center

Faculty and scientists are invited to display posters of their research projects and interact with attendees. Each department is invited to contribute **up to five faculty presentations**. Abstracts for posters must be submitted by department heads to Ramaswamy Krishnamoorthi at [rakrishnamoorthi@pvamu.edu](mailto:rakrishnamoorthi@pvamu.edu). **Deadline: March 27, 2019**

**For guidelines to prepare abstracts, [click here](#).**

**Awards:** Best Overall Presentation: \$600;

STEM category: three awards - \$500; \$400; \$300

NonSTEM category: three awards - \$500; \$400; \$300

### Day 2: Student Research Symposium

Thursday, April 11, 2019. 9:30 am – 12 noon

Location: Student Recreational Center

Undergraduate and graduate students will showcase their research projects through poster displays and interaction with attendees. The symposium is a joint effort by the College of Juvenile Justice & Psychology and the Undergraduate Student Research Program of ORISP.
