

The Commuter Student Organization

All students residing off-campus or commuting to Prairie View are automatically a member of the Commuter Student Organization (CSO). The primary purpose of the organization is to ensure that our students have a positive campus experience by addressing needs and establishing opportunities to remain connected to “The Hill.” The CSO is pleased to offer the following programs and events for students to consider:

- Monthly CSO Meetings
- CSO Leadership Positions and Elections
- **The Panther Community Pack**—a group of commuter students who either reside at a specific off-campus property near PVAMU or live in one of the major surrounding areas (Medical Center—College of Nursing students, Cypress, Katy, Alief, Memorial/the Loop, North Houston, and more). Students will be able to utilize a listserv to communicate with each other. Monthly events will also be offered throughout the year to help students build lasting relationships with faculty, staff, and their neighborhood peers.
- The Residential College communities, which include the First-Year Experience community for freshmen, the Second-Year community for sophomores, and the four Program Houses (STEM & Agriculture, PV Goes Global, Social Justice, and The Honors College) for juniors and seniors.
- Sponsored focus groups for non-traditional students, students with families, and the College of Nursing students.
- Monthly E-Newsletter

To learn more about how you can get involved in CSO, please contact us at Housing@PVAMU.EDU.
