We Are So Glad To Have You Back Home!

As we all adjust to the constantly changing world of today, here are some tips and guidelines to promote a safe environment.

BE SAFE

Prairie View A&M University and American Campus Communities are committed to reducing the spread of the novel corona virus. In an effort to reduce transmission, visitation policies and social distancing protocols will be strictly enforced. Keep an eye on your email to stay up to date on the latest information

BE SMART

Please be mindful of common lease violations such as alcohol, partying, visitation violations, smoking, candles etc. Failure to abide by these policies may result in unwanted disciplinary actions including eviction.

DO YOUR PART

If you see something, say something. It is important that if you notice any violations of campus or housing policies that you notify the proper authorities. We are all in this together!
