

PRAIRIE VIEW A&M UNIVERSITY

A Member of the Texas A&M University System

May 2025

Greetings Panthers!

We're excited that you have chosen to start or continue your journey at Prairie View A&M University where your success is our top priority.

As you may be aware, the University has a limited number of on-campus and off-campus housing spaces and as a result, our living communities are nearing or at capacity. While there are some individuals that may have applied and are currently on a waiting list, we are encouraging everyone who has not secured housing to seek alternative options as the wait list is not guaranteed.

Off-campus housing options can be found on the Housing and Residence Life website at www.pvamu.edu/reslife where some of the local apartment complexes and their contact information in and around the city of Prairie View is posted. While Prairie View A&M University does not endorse any of the off-campus properties, university shuttles have service stops at many of the locations to serve you. The university is currently exploring potential lease options with off-campus properties.

We understand that housing transitions can be stressful. Please know that we are dedicated to serving you as best as possible. Should you have questions or concerns, please don't hesitate to contact us via email at housing@pvamu.edu. We look forward to your next chapter as a proud, productive Panther. We will see you soon!

Sincerely,

Orok Orok
