

PRAIRIE VIEW A&M UNIVERSITY
DIVISION OF STUDENT AFFAIRS

Student Counseling Services

Dr. Bernadine Duncan, Director

Did you know?

- ❖ One in four young adults between the ages of 18 and 24 have a diagnosable mental illness.
- ❖ More than 25 percent of college students have been diagnosed or treated by a professional for a mental health condition within the past year.
- ❖ More than 11 percent of college students have been diagnosed or treated for anxiety in the past year and more than 10 percent reported being diagnosed or treated for depression.
- ❖ More than 80 percent of college students felt overwhelmed by all they had to do in the past year and 45 percent have felt things were hopeless.
- ✓ **Mental health issues are a leading impediment to academic success.**
- **Student Counseling Services' mission** is to assist students in overcoming obstacles to their personal and academic goals that may impede their development as they matriculate through Prairie View A&M University.

Student Counseling Services

- **Services offered** include confidential individual, couples, marital, academic skills, and group counseling for students as well as outreach presentations, referrals, crisis intervention, training and consultation to the campus community. Our global efforts are in the areas of retention, prevention, and intervention.
