## Major Course Requirements

### Method of Determining Final Course Grade

Course Grade Requirement		Value	Total
1)	Hall of Fame Speech	100	20%
2)	Informative Speech & Outline	100	20%
3)	Persuasive Speech & Outline	100	20%
4)	Online Graded Discussions	100	20%
5)	Midterm Exam	50	10%
6)	Final Exam	50	10%
<b>Total:</b>	<b>Total:</b>	<b>500</b>	<b>100%</b>

### Grading Criteria and Conversion:

A = 90-100%	450-500
B = 80-89%	400-449
C = 70-79%	350-399
D = 60-69%	300-349
F = 59% and Below	0-299

If a student has stopped attending the course (i.e. “stopped out”) at any point after the first day of class but did not officially withdraw from the course and has missed assignments and exams and performed below the grade level of a D, a grade of FN (failed-non attendance) will be assigned for the final course grade to ensure compliance with the federal Title IV financial aid regulations. In contrast, if the student has completed all assignments and exams, but performed below the grade level of a D, a grade of F will be assigned for the final course grade.

### Detailed Description of Major Assignments:

Assignment Title or Grade Requirement	Description
1. Hall of Fame Speech	This 3-5 minute speech links your subject (a person, event, etc.) with a specific trait, either positive (if praising) or negative (if condemning). You will establish a specific occasion/ceremony (Hall of Fame induction, funeral, tribute, toast, interview, impromptu, dedication of a memorial, etc.). You will elicit an emotional response through careful use of language style while reinforcing beliefs and feelings your audience already holds. (Attempts to change those beliefs and feelings are better suited to Persuasive Speeches.) You must provide an outline for this assignment.
2. Informative Speech	This 4-6 minute speech provides information new to most of your audience. It may be useful to think of this speech as a teaching opportunity, a short lecture about an important topic. This speech also could be a demonstration (“how-to”) speech. You are required to use at least one presentation aid. You must provide an outline with this assignment.
3. Persuasive Speech	This 5-7 minute speech will persuade your audience to perform an action. Through carefully crafted and well-supported arguments, and based upon the information you have given them and the emotional response you have elicited, you must persuade your audience to act on an issue. You are required to use at least one presentation aid (to depict the severity of the social problem, the amount of people it affects, and how your solution will mitigate the problem if implemented, etc.). You must provide an outline with this assignment.
4. Online Discussions	You will respond to 11 prompts over the course of the semester that deal with information from the chapters you read or over the lectures of the course. Each of these discussions should include two posts. One should be your response to the prompt and the second should be your response to another student post. These should be meaningful posts and I am looking to see that you engage with each other in discussion over course material. These will not be graded in terms of spelling, grammar, etc... but instead I am looking to see that you have a meaningful response to the prompt (no specific length, but it should be enough to answer the prompt) and a

	meaningful response to another student post (again no specific length, but long enough to be meaningful).
5 and 6 Exams	Both the Midterm and Final exam will be short answer exams and will be completed on e-courses. You will have 1 hour and 20 minutes to complete each exam.

## Course Procedures or Additional Instructor Policies

**Make-up and Late Work:** NO LATE ASSIGNMENTS, PERFORMANCES, SCRIPTS, DISCUSSIONS, OR EXAMS WILL BE ACCEPTED. **I do not accept late WORK unless you have a university-approved absence and provide university-approved documentation to me within one week (7 days) of your absence.** I will not accept late assignments, presentations, exams, or discussions under any circumstance. You are expected to come to each and every class on time and prepared. Finally, I will not accept late assignments, presentations or exams under any circumstance.

**Speeches:** All speeches (Hall of Fame, Group, Informative, and Persuasive) must be completed to pass the course. Speeches must be submitted with the speaker visible from the front (should be standing and also should be audible as well). An audience of 3 adults over the age of 16 is REQUIRED and must be visible before the video of the speech begins. Note: Any speech not meeting this requirement will receive -5 points for each missing audience member. NO EXCEPTIONS. A speech submitted without the audience in view or without the required amount of audience members will not be viewed and will receive -15 points. Speeches will need to be recorded in a single take- NO EDITING. This class is meant to simulate speaking live in front of an audience. If editing is detected - You will receive a zero until you turn in an unedited speech. Speeches MUST be uploaded to YouTube as UNLISTED- NO EXCEPTIONS. Do not submit as PRIVATE. The link to your speech should also appear at the top of your outline as well. You are REQUIRED TO USE YOUTUBE AND NO OTHER SOURCE FOR UPLOAD WILL BE ACCEPTED.

**Online Decorum:** All speeches will be presented using YouTube. You are encouraged to create a YouTube account as early as possible. Instructions for uploads will be attached to each assignment. You are also expected to maintain net decorum when responding to discussions as well. Treat each other with fairness and respect. I will not tolerate anything less.

**Grade Concerns:** I am happy to discuss your work and performance with you. Keep in mind that I will protect your privacy in discussing your work. This means not discussing your grade in the presence of other students, faculty or staff before, during or after class sessions and or office hours. If others are present at the time that you attempt to engage in a conversation about your grades I will ask them to leave or instruct you to wait until such time as your privacy can be maintained.

In general, I require a 24-hour reflection period before discussing grading concerns. After the reflection period has passed, you may submit your concerns in writing. Make sure that in your email you include:

- 1.) Your name, the title of the course, and meeting time
- 2.) The name of the assignment
- 3.) A clear discussion of your issues or concerns
- 4.) Your suggestion(s) for resolving the issue(s)

**I will respond in writing to your concern(s) within 48 hours of receiving them unless the email is sent over the weekend or holiday break. If you continue to have questions after you have received and read my written response(s) to your concern(s), we will find a suitable time to meet and discuss your concern(s). USE ONLY your pvamu.edu email accounts to discuss grade concerns. I will not respond to emails sent via a non PVAMU email account as there is no way to secure your receipt of my response or the authenticity of the user.**

## **University Rules and Procedures**

### **Academic Misconduct**

Academic dishonesty is defined as any form of cheating or dishonesty that has the effect or intent of interfering with any academic exercise or fair evaluation of a student's performance. The college faculty can provide additional information, particularly related to a specific course, laboratory, or assignment.

You are expected to practice academic honesty in every aspect of this course and all other courses. Make sure you are familiar with the *University Administrative Guidelines on Academic Integrity*, which can be found on the [Academic Integrity webpage](#). Students who engage in academic misconduct are subject to university disciplinary procedures. As listed in the *University Administrative Guidelines on Academic Integrity*, the University Online Catalog, and the

Student Code of Conduct, the following are examples of prohibited conduct. This list is not designed to be all-inclusive or exhaustive. In addition to academic sanctions, any student found to have committed academic misconduct that is also a violation of criminal law may also be subject to disciplinary review and action by the Office of Student Conduct (as outlined in the Student Code of Conduct).

### **Forms of Academic Dishonesty:**

1. **Cheating**: Deception in which a student misrepresents that he/she has mastered information on an academic exercise that he/she has not learned, giving or receiving aid unauthorized by the instructor on assignments or examinations. Examples: unauthorized use of notes for a test; using a "cheat sheet" on a quiz or exam; any alteration made on a graded test or exam which is then resubmitted to the teacher;
2. **Plagiarism**: Careless or deliberate use of the work or the ideas of another; representation of another's work, words, ideas, or data as your own without permission or appropriate acknowledgment. Examples: copying another's paper or answers, failure to identify information or essays from the internet and submitting or representing it as your own; submitting an assignment which has been partially or wholly done by another and claiming it as yours; not properly acknowledging a source which has been summarized or paraphrased in your work; failure to acknowledge the use of another's words with quotation marks;
3. **Collusion**: When more than one student or person contributes to a piece of work that is submitted as the work of an individual;
4. **Conspiracy**: Agreeing with one or more persons to commit an act of academic/scholastic dishonesty; and
5. **Multiple Submission**: Submission of work from one course to satisfy a requirement in another course without explicit permission. Example: using a paper prepared and graded for credit in one course to fulfill a requirement and receive credit in a different course.

### **Nonacademic Misconduct**

The university respects the rights of instructors to teach and students to learn. Maintenance of these rights requires campus conditions that do not impede their exercise. Campus behavior that interferes with either (1) the instructor's ability to conduct the class, (2) the inability of other students to profit from the instructional program, or (3) campus behavior that interferes with the rights of others will not be tolerated. An individual engaging in such disruptive behavior may be subject to disciplinary action. The Office of Student Conduct will adjudicate such incidents under nonacademic procedures.

### **Sexual Misconduct**

Sexual harassment of students and employees at Prairie View A&M University is unacceptable and will not be tolerated. Any member of the university community violating the university's sexual harassment policy will be subject to disciplinary action. In accordance with the Texas A&M University System guidelines, your instructor is obligated to report to the Office of Title IX Compliance ([titleixteam@pvamu.edu](mailto:titleixteam@pvamu.edu)) any instance of sexual misconduct involving a student, which includes sexual assault, stalking, dating violence, domestic violence, and sexual harassment, about which the instructor becomes aware during this course through writing, discussion, or personal disclosure. The faculty and staff of PVAMU actively strive to provide a learning, working, and living environment that promotes respect that is free from sexual misconduct, discrimination, and all forms of violence. If students, faculty, or staff would like assistance or have questions, they may contact the Title IX Coordinator at 936-261-2144 or [titleixteam@pvamu.edu](mailto:titleixteam@pvamu.edu). More information can be found at [www.pvamu.edu/titleix](http://www.pvamu.edu/titleix), including confidential resources available on campus.

### **Protections and Accommodations for Pregnant and Parenting Students**

The U.S. Department of Education's Office for Civil Rights (OCR) enforces, among other statutes, Title IX of the Education Amendments of 1972. Title IX protects people from discrimination based on sex, sexual orientation, and gender identity in education programs or activities that receive federal financial assistance. This protection includes those who may be pregnant and parenting. Title IX states: "No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance." Students seeking accommodations related to pregnancy or parenting should contact the Office of Title IX for information, resources, and support at [titleixteam@pvamu.edu](mailto:titleixteam@pvamu.edu). Additional information and/or support may be provided by the Office of Disability Services or the Office of the Dean of Students.

### **Non-Discrimination Statement**

Prairie View A&M University does not discriminate on the basis of race, color, sex, religion, national origin, age, disability, genetic information, veteran status, sexual orientation, or gender identity in its programs and activities. The University is committed to supporting students and complying with The Texas A&M University System non-discrimination policy. It seeks to establish an environment that is free of bias, discrimination, and harassment. If you experience an incident of discrimination or harassment, we encourage you to report it. If you would like to speak with someone who may be able to afford you privacy or confidentiality, there are individuals who can meet with you. The Director of Equal Opportunity & Diversity has been designated to handle inquiries regarding the non-discrimination policies and can be reached at Harrington Science Building, Suite 109 or by phone at 936-261-1744 or 1792.

### **Class Attendance Policy (See the University Online Catalog for Full Attendance Policy)**

Prairie View A&M University requires regular class attendance. Attending all classes supports the full academic development of each learner, whether classes are taught with the instructor physically present or via distance learning technologies such as interactive video and/or the internet. Excessive absenteeism, whether excused or unexcused, may result in a student's course grade being reduced or in the assignment of a grade of "F." Absences are accumulated beginning with the first day of class during regular semesters and summer terms. Each faculty member will include the University's attendance policy in each course syllabus.

### **Student Academic Appeals Process**

Authority and responsibility for assigning grades to students rest with the faculty. However, in those instances where students believe that miscommunication, errors, or unfairness of any kind may have adversely affected the instructor's assessment of their academic performance, the student has a right to appeal by the procedure listed in the University Online Catalog and by doing so within thirty days of receiving the grade or experiencing any other problematic academic event that prompted the complaint.

### ***Technical Considerations***

#### **Minimum Recommended Hardware and Software:**

- Intel PC or Laptop with Windows 10 or later version; Mac with OS High Sierra\*
- Smartphone or iPad/Tablet with Wi-Fi\*
- High-speed Internet access
- 8 GB Memory
- Hard drive with 320 GB storage space
- 15" monitor, 800x600, color or 16 bit
- Sound card w/speakers
- Microphone and recording software
- Keyboard & mouse
- Most current version of Google Chrome, Safari, or Firefox

**Note:** Be sure to enable Java & pop-ups in the Web browser preferences

\* Smartphones, Google Chrome books, and Android tablets may not be supported. iPads are the only tablets supported.

#### **Participants should have a basic proficiency of the following computer skills:**

- Sending and receiving email
- A working knowledge of the Internet
- Microsoft Word (or a program convertible to Word)
- Acrobat PDF Reader
- Windows or Mac OS
- Video conferencing software

### **Netiquette (online etiquette)**

Students are expected to participate in all discussions and virtual classroom chats as directed. Students are to be respectful and courteous to others on discussion boards. Foul or abusive language will not be tolerated. Do not use ALL CAPS for communicating to others AS IT CAN BE INTERPRETED AS YELLING. Avoid slang terms such as "wassup?" and texting abbreviations such as "u" instead of "you." Limit and possibly avoid the use of emoticons. Be cautious when using humor or sarcasm as tone is sometimes lost in an email or discussion post, and the message might be taken seriously or sound offensive.

### **Video Conferencing Etiquette**

When using Zoom, WebEx, or other video conferencing tools, confirm the visible area is tidy, clear of background clutter, inappropriate or offensive posters, and other distractions. Ensure you dress appropriately and avoid using high traffic or noisy areas. Stay muted when you are not speaking and avoid eating/drinking during the session. Before the class session begins, test audio, video, and lighting to alleviate technology issues.

### **Technical Support**

Students should go to <https://mypassword.pvamu.edu/> if they have password issues. The page will provide instructions for resetting passwords and contact information if login issues persist. For other technical questions regarding eCourses, call the Center for Instructional Innovation and Technology Services at 936-261-3283 or email [ciits@pvamu.edu](mailto:ciits@pvamu.edu).

### **Communication Expectations and Standards**

Emails or discussion postings will receive a response from the instructor, usually in less than 48 hours. Urgent emails should be marked as such. Check regularly for responses.

### **Discussion Requirement**

Online courses often require minimal to no face-to-face meetings. However, conversations about the readings, lectures, materials, and other aspects of the course can occur in a seminar fashion. The use of the discussion board will accomplish this. The instructor will determine the exact use of discussion boards.

**It is strongly suggested** that students type their discussion postings in a word processing application such as Word and save it to their PC or a removable drive before posting to the discussion board. This is important for two reasons: 1) If for some reason your discussion responses are lost in your online course, you will have another copy; 2) Grammatical errors can be greatly minimized by the use of the spell-and-grammar check functions in word processing applications. Once the post(s) have been typed and corrected in the word processing application, copy and paste to the discussion board.

### **COVID-19 Campus Safety Measures**

To promote public safety and protect students, faculty, and staff during the coronavirus pandemic, PVAMU has adopted policies and practices to limit virus transmission.

- **Self-reporting** – Students who test positive for COVID-19 are required to report their positive test results within 48 hours using the [PVAMU Self-Reporting Form](#). Proof of off-campus and self-administered home test results must be sent to [covid-19@pvamu.edu](mailto:covid-19@pvamu.edu). Proof for self-administered home test is a picture of the test with a photo ID in the same photo.
- **Self-monitoring** – Students should follow public health guidance to help slow the spread of the virus, including being vaccinated. Students who have a fever or exhibit symptoms of COVID-19 should not participate in face-to-face instruction.
- **Face Coverings** – Face coverings (KN-95, surgical mask, etc.) are highly recommended in classrooms, teaching laboratories, common spaces such as lobbies and hallways, public study spaces, libraries, academic resource and support offices, and outdoor spaces where 6 feet of physical distancing is challenging to maintain reliably.
- **Physical Distancing** – Physical distancing should be maintained between students, instructors, and others in course and course-related activities where possible.
- **Personal Illness and Quarantine** – Students required to quarantine are to participate in courses and course-related activities remotely and must not attend face-to-face course activities. Communication with the

student's instructor for remote support will take place by the Office of the Assistant Vice President for Academic Engagement and Success. Students under quarantine are expected to participate in courses and complete graded work unless they have symptoms that are too severe to participate in course activities. Students experiencing personal injury or illness that is too severe for the student to attend class may qualify for an excused absence. To receive an excused absence, students must provide appropriate documentation to the Office for Student Conduct, [studentconduct@pvamu.edu](mailto:studentconduct@pvamu.edu).

- **Questions** – For answers regarding COVID-19 policies and/or procedures, students should refer to [www.pvamu.edu/coronavirus](http://www.pvamu.edu/coronavirus) or email [covid-19@pvamu.edu](mailto:covid-19@pvamu.edu).
