COMMUNITY DEVELOPMENT

The Master of Community Development is designed to meet the needs of individuals with diverse academic backgrounds who care about the problems and potential of socially, physically and economically distressed communities.

Students are also involved in the design and development of new and growing communities with the anticipation of avoiding future problems being faced by communities today.

CERTIFICATION

The Community Development Program offers Certification Study in the following:

- * Real Estate
- * Community Planning
- * Fundraising
- * Historic Preservation
- * International Community Development

Admission to the PVAMU Graduate School is not required to complete the above certification programs. Please contact the department for more information of Certification Study.
