

## CLEP - Course Equivalency Table

The following are a list of CLEP exams that PVAMU awards credit. If an CLEP exam is not listed then PVAMU currently does not award credit for that exam. Please note that all AP Scores meet the minimum standards recommended by the American Council of Educations' College Credit Recommendation Service (ACE Credit) and is subject to change at any time. It is at the discretion of individual colleges whether these scores will be used or if they will require a higher score for credit.
