ACI - 2025

ARCHITECTURAL CONCEPTS INSTITUTE

This is an opportunity for high achieving future Panthers like yourself.

Texas residents with a +3.0 GPA are eligible for our select **Architectural Concepts Institute (ACI) Summer Program**.

Regents and Presidential Award Scholars from out of state also qualify for this 10-week summer program.

The Program covers one academic year's worth of Architecture Design course work that will earn you 12 credit hours toward your degree

The ACI Program sets you on **the path** to completing the **four-year Bachelor of Science in Architecture** and the **one-year Master of Architecture** all in **four years**,
- if you continue to take design classes each summer

With a cumulative +3.0 GPA you can receive a **Scholarship to cover tuition fees, meals, and board** for the Summer.

We have a limited number of openings so if you are interested, [click here to apply](#)

If you have any questions please feel free to send your emails to jaokello@pvamu.edu or anhall@pvamu.edu - We look forward to hearing from you soon.
