

Steps to Access Your Test Scores from the Student Portal

The ACCUPLACER Student Portal allows you to review your test scores, reprint your Individual Score Report (ISR), and send your scores to other institutions. **Note:** If you did not enter an email address when you tested, you will not be able to access your report. Please contact the institution where you tested for your score report.

1. Go to <https://studentportal.accuplacer.org/> to access the ACCUPLACER Student Portal. From the list of options, click “Your ACCUPLACER Score Report.”

The screenshot shows the ACCUPLACER Student Portal interface. On the left is a sidebar with a menu: ACCUPLACER Student Portal, Home Page, Practice Resources, Your ACCUPLACER Score Report, Test Center Locator, Test Taking Tutorials, and Texas Resources. The main content area is titled 'The ACCUPLACER student portal allows access to:' and lists several options: Practice Resources, Your ACCUPLACER Score Report (highlighted with a red arrow), Test Center Locator, Test Taking Tutorials, and Texas Resources. Each option has a brief description of what it provides.

2. On the “Find Your Test Results” screen, enter the same information you did when you took your test, then select the “Search” button. When choosing your Student Institution, remember that you may have tested for a college in your area even though you tested at your high school. Select the institution you tested for, rather than the testing location (if different).

The screenshot shows the 'Find your Test Results' form. At the top, a blue header bar contains the text 'Find your Test Results' with a person icon. Below this, a message states: 'All fields are required and refer to where you took the test.' The form contains several input fields: Student ID (Test1234), First Name (Test), Last Name (Taker), Date of Birth (07/01/1992), Institution Country (United States), Institution State (New Jersey), and Student Institution (Ocean County College). At the bottom right, there are two buttons: 'Reset' and 'Search' (highlighted with a red box).

3. You will see a screen confirming that your test results were found. The “Search Result” screen will show you the email address you entered when you tested. Click the “Send Reports” button to receive an email with a link to your Individual Score Report.
