ABOUT THE PAGEANT

Celebrating its 90th year in 2022, the Miss Prairie View A&M University title was originally acquired through campus contest. Young women who held the love and respect of their peers won by vote and participated in the annual homecoming coronation festivities. Queens elected during this era include the late Opal Johnson-Smith.

The title evolved in 1970 when, in an effort to establish representation for Prairie View women at the Miss Texas America pageant, the Miss Prairie View A&M University Scholarship pageant became the first of its kind on campus. The pageant became an entryway to provide opportunities for the university's young women to enter the broader social-cultural competitive arena. On April 28, 1970 Margaret Penn of Houston Texas made history as the first winner selected via pageant. She would go on to become the founder of the university's legendary Black Foxes.

In the decades since, the title of Miss Prairie View A&M University has evolved and become synonymous with class, grace, intellect, and leadership. As the highest female student leadership position, Miss Prairie View A&M University serves as an ambassador for the university by promoting campus leadership, community service, and school pride. Miss Prairie View is the epitome of the Prairie View Woman.

Miss Prairie Views have left a lasting impact in the 90 years of the title's history, from finalist placements in the Miss Texas pageant, the creation of PVAMU alumni association chapters, appearances in Ebony Magazine, Student Humanitarian awards, and several legacy programs that continue to this day. The PVAMU Purple Jackets, PV Girls Rock, PV Girls Vote and The Little Miss 1876 breakfast are just some glances at the lasting legacy of Miss Prairie View. The motto of our queens "Miss Prairie View: Now and Forever" is an affirmation of commitment to lifelong service and love of Prairie View A&M University.

Miss Prairie View A&M University 2021-2022

Z'Nae Michelle Mangum

Dear Prairie View,

This reign has truly been a dream come true and a testimony that resilience, determination, and passion are the key to manifesting the life you deserve. My platform, “The Butterfly Effect” was not just a quick idea but a symbol of the personal growth I’ve experienced here at Prairie View. For me this platform is a personal reassurance of the prosperity, beauty, transformation, and hope for a metamorphic change within oneself. I believe that all of us are created to be colorless caterpillars and through life and its trials and tribulations we are transformed to be the flourishing, colorful, and beautiful butterflies: hence the great Butterfly Effect. I thank God first and foremost for granting me strength and resilience to transform into the graceful woman I’m continuing to become. It was by his grace, mercy, and the village he blessed me with that I was able to not only fulfill my duties but exceed them as well.

I hosted many programs this year, including my **Motivational Mondays series, Woman Up Wednesdays, a Mat Paint Party, the PV Girls Vote Initiative, the “Way Too Sexy” zumba class, “Dance It Out”** and so many other community service opportunities and other collaborations. I was also able to serve as a host and keynote speaker for dozens of events, competitions, community schools, and recitals throughout the year in Houston and here on campus. Lastly, I was granted the opportunity to experience many historical moments like being the “breakthrough” queen able to host events on-campus after two years of worldwide pandemic, making it to the SWAC Championship, and having the opportunity to assist with the 90th Miss Prairie View Contestants and future queen.

At times, that busy schedule became overwhelming, but with the village that raised me I knew I could do all things through Christ that strengthens me. It has always been deeper than a title for me and I know the sophomore me who admired and adored the many queens before me is the happiest girl ever to know that her wildest dream is now accomplished. I thank God for the opportunity to represent a different side of myself in my journey from serving as Captain of the beautiful Black Foxes dance line to becoming the 89th Miss Prairie View A&M University.

To my mother and sister, LaToya Mangum and Mija Obey, thank you for being my saviors, best friends, first loves, and lifeline. It’s because of you that I will never give up and continue to fight and be the best me. Thank you for the unconditional love and support that you continue to give me no matter what.

To my PVAMU Marching Storm family, thank you for being such a wonderful family away from home. We are truly all we got and all we need. Thank you to all our directors, Dr. Zachery and Mrs. Shawn Zachery for instilling the hard working and discipline that have made me the leader I am today. To my sisters, the Black Foxes: I could not have done this without your love and emotional support. It is because of the Foxes that I knew I wanted to continue to mentor, inspire, and learn from my peers through my platform.

To my sisters, the Black Foxes: I could not have done this without your love and emotional support. It is because of the Foxes that I knew I wanted to continue to mentor, inspire, and learn from my peers through my platform. To all my family and friends: words could not fully explain the amount of love and appreciation I have for you. To my other Miss PVAMU sisters, thank you for bringing me into this sisterhood with loving and open arms. Thank you for serving as mentors and now life-long sister queens. We share a story that no one else will ever understand or appreciate the way that we do. I love you all and hope that I made you'll proud in continuing this beautiful legacy.

To Dr. Ruth J. Simmons and the rest of our administration, I am grateful for the opportunities you've given me throughout this year and for your unwavering faith in my ability to lead this campus. To the entire Division of Student Affairs, the Eta Gamma and Epsilon Tau Lambda Chapter of Alpha Phi Alpha Fraternity Incorporated, the Collegiate 100, the office of Student Engagement, and the Purple Jackets, thank you for your assistance with my programs. I must also say a special thank you to Shante Moore, Dr. Beverly Copeland, Chelsea Young, Mrs. Valerie Gibson and Momma Honey (fashion) for going above and beyond for me throughout this year. I love you all so much and I have no idea what I would have done without you!

To the official advisors to Mr. & Miss PVAMU, Mrs. Lorie Proctor and Dean Charles Lewter IV, I thank you for your patience, love, prayers and advice. You deserve so much more credit than you often receive, and I cannot thank you enough for the work you put in this year and years prior to ensure that Mr. and Miss PVAMU and the entire Royal Court were always taken care of. Mrs. Proctor: you are my second mother, best friend, and life coach all at the same time. I could not have done this without you. Thank you for all the laughs, motivation, motherly hugs, and shoulder to cry on. With you I never felt alone and knew if anybody could understand me, it was always you.

To my king, Mr. PVAMU 2021-2022 Keyshon Limbrick: we did it! Thank you for being such a wonderful king, little brother and friend. I have watched you grow into an amazing leader and I am excited to see where life takes you. I wouldn't have want to take this on with anyone else! To the 2021-2022 Royal Court, thank you a year of complete love and joy. I see us as a family and I thank God for blessing me with each and everyone of you. I was so honored to serve this university with you.

To this year's contestants: Elicia, Devi, Maya, Brinae, Mackenzie, and Taverlyn, you have made me so proud and I admire each of you for making this step. You each motivate me to be a better leader and woman every single day. No matter what: you are ALL worthy of this amazing opportunity. Continue to be the light and trailblazers here and lead the way for the many queens to come. To the 90th Miss Prairie View A&M University: congratulations and welcome to the Queendom. Please know that YOU ARE beautiful, capable, and worthy of everything and more. This year will be top 2 and not number 2. Never question yourself or lose sight of your passion to continue the legacy that was set before us. Love PVAMU unconditionally and keep your faith higher than your crown. Always remember, I will be there for you every step of the way.

By far the hardest part is saying "goodbye." My dear Prairie View thank you so much. I am forever indebted to you and will continue to make you proud beyond the hill.

Love Always,
