The 2013 White Coat Ceremony, “An Evening in Sicily” took place on Saturday, October 26, 2013. This event highlighted 20 sophomores and juniors, as well as 8 honor admits who have met the standards for the Undergraduate Medical Academy. The guest speaker for the evening was Dr. Antonio A. Rene of the Rural Public Health School at Texas A&M Health Science Center.

Presentations included Beyond the Books: A Showcase of UMA Extracurricular Activities, recognition of Mr. & Miss UMA 2013-2014, and The China Experience; PVAMU Trip to China. Along with these presentations Dr. Dennis Daniels unveiled the much awaited name for the 2013 class - the Sapphire Class.

We would like to congratulate all students who received their white coats and thank the Patrons of the Undergraduate Medical Academy, UMA students and staff who assisted in making the White Coat Ceremony 2013 a success!
