(b) Professional Summary

Jeremy Kiesler has been the Program Coordinator for the Texas Undergraduate Medical Academy at Prairie View A&M University since October 2023. Before assuming this role, he dedicated a decade to teaching high school biology and coaching men's soccer, with nine of those years being at Spring Woods High School in Houston, Texas. His outstanding contributions as a science educator earned him the prestigious title of Teacher of the Year. Prior to relocating to Houston in August 2014, Jeremy taught and coached for a school year in his home state of Indiana, where he was born and raised. He holds a Bachelor of Science degree in Biology Education from Indiana University in Bloomington and is currently pursuing a Master of Science degree in Biological Sciences at Clemson University. Jeremy is a dedicated educator and collaborative leader who embraces new opportunities, makes tough decisions, embraces personal growth in challenging areas, and takes immense pride in his work.
