

Undergraduate Medical Academy

College Readiness and Community Engagement Training Program

June 6-7, 2017

CRCET Program

Do you know what to do in case of an emergency?

This two-day program is for rising sophomore and junior high-school students who may be interested in exploring careers in the sciences or health-related fields.

The CRCET program will be directed by the Texas Undergraduate Medical Academy at Prairie View A&M University and we invite high school students to participate in a summer enrichment experience designed to help prepare students for college readiness and community engagement.

The summer day camp will include academic instruction, college readiness, and training in cardio pulmonary resuscitation (CPR) and Community Emergency Response Team (CERT) skills.

Program and Application Details

Program Highlights

- A total of 4 community service hours in community emergency response training
- Workshops in Chemistry, Mathematics, Study Strategies, Time Management and Professionalism
- College admissions presentations
- CPR/AED training

Program Cost

- There is a \$75.00 participant fee for accepted students. This fee covers all meals, supplies, and a program t-shirt.
- Students who wish to apply for one of two available scholarships may submit a 500 word essay with the program application responding to the prompt: *"How Earning a College Degree would be Beneficial to my Community"*

Application Instructions

- Completed applications must include
 - One completed application form
 - One letter of reference from a teacher, coach, or community leader
- Applications and letters of reference should be scanned and emailed to Ms. Essence Peasant at elpeasant@pvamu.edu by or on May 12, 2017.
- There is a program cost of \$75 due on June 6, 2017 for accepted applicants.
