PVAMU is partnering with EVERFI to bring Sexual Assault training for college sports teams to all of our student-athletes & athletic staff.

Completion of your assigned course is required by NCAA & PVAMU.
AS A STUDENT-ATHLETE, WHAT TRAINING WILL I BE REQUIRED TO COMPLETE?

SEXUAL ASSAULT PREVENTION-ATHLETES

Sexual Assault Prevention training is designed to empower students with the information, skills, and confidence to cultivate positive relationships and to proactively intervene when they see harmful situations.

Note: Starting Spring 2020, a non-completed/incomplete training assignment will result in a registration hold being placed on your student account until the training has been completed.
