PRAIRIE VIEW A&M UNIVERSITY
Principals and Presidents

THE HISTORY OF PRAIRIE VIEW A&M UNIVERSITY

Establishment

1876

Prairie View A&M University, the first state-supported college in Texas for African-Americans, was established during the Reconstruction period after the Civil War. This was the historical period when political and economic special interest groups were able to aggressively use the federal government to enact public policy designated to “alter or reshape the cultural milieu of the vanquished Southern state.” The University had its beginning in the Texas Constitution of 1876 which, in separate articles, established an “Agricultural and Mechanical College” and pledged that “Separate schools shall be provided for the white and colored children, and impartial provisions shall be made for both.” As a consequence of these constitutional provisions, the Fifteenth Legislature established “Alta Vista Agricultural and Mechanical College of Texas for Colored Youth” on August 14, 1876.

Enrollment of the First Students

1878

The Board of Directors purchased the Alta Vista Plantation (1338 acres) from Mrs. Helen Marr Kirby, the widow of the late Col. Jared Ellison Kirby. The College was named “Alta Vista Agricultural and Mechanical College for Colored Youth.” The Board, authorized to appoint a principal to administer the College, selected L.W. Minor of Mississippi. Eight young African-American men, the first to enroll in a state-supported college in Texas, began their studies on March 11, 1878.

Era of Principals as Chief Administrative Officers

1878 - 1948

Prairie View strengthened and enlarged its curriculum and grew under the leadership of a series of dedicated principals. These men led the College during those difficult decades as Federal Reconstruction ended and the doctrine of “separate but equal” emerged with the Plessy v. Ferguson Supreme Court decision of 1896. The eight principals and their tenures were: L.W. Minor, 1878; E.H. Anderson, 1879-1884; Laurine C. Anderson, 1884-1894; Edward L. Blackshear, 1895-1915; Isaiah M. Terrell, 1915-1918; J.G. Osborne, 1918-1925; Paul (Uncle Paul) Bledsoe (Interim Principal), 1925-1962; Willette Rutherford Banks, 1926-1947; and Edward B. Evans, 1947-1948.

Era of Presidents as Chief Administrative Officers

1948 to Present

In 1948, as a result of America emerging as the leader of the “Free World” after World War II, President Harry S. Truman ordered the racial integration of the U.S. Armed Forces. The Board of Directors changed the title of the Chief Administrative Officer of the College from Principal to President on December 3, 1948. The Presidents and their tenures are: Edward B. Evans 1948-1966; Jesse M. Drew, 1966; Alvin I. Thomas, 1966-1982; Ivory Nelson (Interim President), June 1982-January 1983; Percy A. Pierre, 1983-1989; Milton R. Bryant (Interim President), June 1989-December 1989; Julius W. Becton, Jr., 1989-1994; Harold S. Bonner (Interim President), August 1994-October 1994; Charles A. Hines, 1994-2002; Willie A. Tempton, Sr. (Interim President), 2002-2003; George C. Wright, 2003-present.

Names Given to the University

1878 - 1998

The Fifteenth Legislature (August 14, 1867) established “Alta Vista Agricultural and Mechanical College of Texas for Colored Youth.” The Sixteenth Legislature (April 19, 1879) established “Prairie View State Normal School” in Waller County for the training of colored teachers. The Twentieth Legislature attached the words Agriculture and Mechanical Department of Prairie View Normal School. The Twenty-sixth Legislature (1889) changed the name to Prairie View State Normal & Industrial College.” The Forty-ninth Legislature (June 1, 1945) changed the name to “Prairie View University.” The Fiftieth Legislature (March 3, 1947) established “The Texas State University of Negroes” (now Texas Southern University) and changed the name of Prairie View University to “Prairie View Agriculture and Mechanical College of Texas.” The Sixty-third Legislature (1973) changed the name to Prairie View A&M University.

KEYNOTE SPEAKER

Ernest B. Collins

There are few things in life that Ernest Collins would love to do more than tend to his livestock, manage his ranch, spend time with his family or discuss his alma mater, Prairie View A&M University. These simple things are woven into his everyday life.

A 1967 graduate of Prairie View, Ernie Collins grew up on a farm in Travis County approximately seven miles southeast of Austin. As one of eleven children born to Ella and Talferd Collins, he quickly learned the importance of hard work and education. As a top priority, each of the children were supported and encouraged to take full advantage of educational opportunities. As a result, all eleven children graduated from high school and attended college. They also learned the importance of agriculture. The family farm, located on Dee Gabriel Collins Road, has been owned and operated by members of the Collins family since the late 1800s and is recognized by the state of Texas for its history.

Following high school graduation Collins enrolled in the state's second oldest institution of education, where he studied business. It was during this time that he enrolled in the advanced ROTC program. Upon graduation he was commissioned 2nd Lieutenant in the United States Army. While focused on the basic business principles of profit and growth and balancing the art of the military service, he also flourished in the subject of love. Prior to reporting for officer's basic training artillery at Fort Sill, Oklahoma, Ernie married Floretta Brown in her hometown of Bay City, Texas.

Collins served two years in the Army as a training officer at Fort Ord, California. He was discharged as 1st Lieutenant in 1969. Soon after he joined Humble Oil and Refinery Company, which is now ExxonMobil, and spent a 34-year career working in various marketing and management positions. Collins, worked with the company's most famous advertising campaign, "Put a tiger in your tank." The slogan and accommodating faux tiger tail to fix around a car's gas cap along with the bumper-sticker proclaiming 'I've got a tiger in my tank' reached record breaking heights.

Today, Collins is actively involved in the community. He serves as a Houston Livestock Show and Rodeo Director, a member of the advisory board for the Rodeo Institute for Teacher Excellence (RITE), charter member of the "100 Ranchers" organization, advisor to the Farm Service Agency County Committee for Harris and Montgomery County and a member of the Land Owners Association of Texas. In 2007, he served as the Chairman of the Black Heritage Committee, bringing his focus of community involvement and educational outreach to the forefront.

He served on the University's Extend the View: *Shape Tomorrow Today* Capital Campaign cabinet and is a founding trustee of the Prairie View A&M Foundation, which is working to raise funds to support all of the University's major initiatives including a new athletic complex. He is a supporter of the Estelle 4-H and Youth Camp and an advisor to the College of Agriculture and Human Sciences. He and his family have established scholarship endowment funds at Prairie View A&M University and Morehouse College.

Collins and his wife reside in Houston and are the proud parents of three children, Leslie Collins-Thompson (Rod), Todd Jamal (Jeanelle), and Daryl Donovan (deceased). They are also proud grandparents of six: Taylor, Ross and Brooke Thompson; Sydney Rose, Ella Gabrielle and Alston Ernest Collins.

ALMA MATER

Dear Prairie View

Dear Prairie View, our song to thee we raise
In gratitude, we sing our hymn of praise,
For mem'ries dear, for friends and recollections,
For lessons learned while here we've lived with thee,
For these we pledge our hearts full of devotion,
To serve thee now, and through eternity.

As days go by, our hearts will not grow cold,
We'll love thy purple royal and thy gold,
We'll through our lives exemplify thy teachings,
We'll always strive a blessing to be.
Thy children we our love and pride confessing,
We'll love thee now, and through eternity.

Words by O. Anderson Fuller
Music from "*Finlandia*" by Silbelius
