PRAIRIE VIEW A&M UNIVERSITY
Principals and Presidents

THE HISTORY OF PRAIRIE VIEW A&M UNIVERSITY

Establishment

1876

Prairie View A&M University, the first state-supported college in Texas for African Americans, was established during the Reconstruction period after the Civil War. This was the historical period when political and economic special interest groups were able to aggressively use the federal government to enact public policy designated to “alter or reshape the cultural milieu of the vanquished Southern state.” The University had its beginning in the Texas Constitution of 1876 which, in separate articles, established an “Agricultural and Mechanical College” and pledged that “Separate schools shall be provided for the white and colored children, and impartial provisions shall be made for both.” As a consequence of these constitutional provisions, the Fifteenth Legislature established “Alta Vista Agricultural and Mechanical College of Texas for Colored Youth” on August 14, 1876.

Enrollment of the First Students

1878

The Board of Directors purchased the Alta Vista Plantation (1,338 acres) from Mrs. Helen Marr Kirby, the widow of the late Col. Jared Ellison Kirby. The College was named “Alta Vista Agricultural and Mechanical College for Colored Youth.” The Board, authorized to appoint a principal to administer the College, selected L.W. Minor of Mississippi. Eight young African American men, the first to enroll in a state-supported college in Texas, began their studies on March 11, 1878.

Era of Principals as Chief Administrative Officers

1878 - 1948

Prairie View strengthened and enlarged its curriculum and grew under the leadership of a series of dedicated principals. These men led the College during those difficult decades as Federal Reconstruction ended and the doctrine of “separate but equal” emerged with the Plessy v. Ferguson Supreme Court decision of 1896. The eight principals and their tenures were: L.W. Minor, 1878; E.H. Anderson, 1879-1884; Laurine C. Anderson, 1884-1894; Edward L. Blackshear, 1895-1915; Isaiah M. Terrell, 1915-1918; J.G. Osborne, 1918-1925; Paul (Uncle Paul) Bledsoe (Interim Principal), 1925-1962; Willette Rutherford Banks, 1926-1947; and Edward B. Evans, 1947-1948.

Era of Presidents as Chief Administrative Officers

1948 to Present

In 1948, as a result of America emerging as the leader of the “Free World” after World War II, President Harry S. Truman ordered the racial integration of the U.S. Armed Forces. The Board of Directors changed the title of the Chief Administrative Officer of the College from Principal to President on December 3, 1948. The Presidents and their tenures are: Edward B. Evans 1948-1966; Jesse M. Drew, 1966; Alvin I. Thomas, 1966-1982; Ivory Nelson (Interim President), June 1982-January 1983; Percy A. Pierre, 1983-1989; Milton R. Bryant (Interim President), June 1989-December 1989; Julius W. Becton, Jr., 1989-1994; Harold S. Bonner (Interim President), August 1994-October 1994; Charles A. Hines, 1994-2002; Willie A. Tempton, Sr. (Interim President), 2002-2003; George C. Wright, 2003-present.

Names Given to the University

1878 - 1998

The Fifteenth Legislature (August 14, 1867) established “Alta Vista Agricultural and Mechanical College of Texas for Colored Youth.” The Sixteenth Legislature (April 19, 1879) established “Prairie View State Normal School” in Waller County for the training of colored teachers. The Twentieth Legislature attached the words Agriculture and Mechanical Department of Prairie View Normal School. The Twenty-sixth Legislature (1889) changed the name to Prairie View State Normal & Industrial College.” The Forty-ninth Legislature (June 1, 1945) changed the name to “Prairie View University.” The Fiftieth Legislature (March 3, 1947) established “The Texas State University of Negroes” (now Texas Southern University) and changed the name of Prairie View University to “Prairie View Agriculture and Mechanical College of Texas.” The Sixty-third Legislature (1973) changed the name to Prairie View A&M University.

KEYNOTE SPEAKER

Thomasine Johnson

Thomasine Johnson is the President and CEO of En'terior Designs, a comprehensive interior design firm headquartered in Houston, TX. After retiring from corporate America, Johnson decided to pursue her life-long passion of becoming an interior designer. With that in mind, she combined her talents, education and corporate experience to develop the unique residential and commercial design services of En'terior Designs.

The mission of En'terior Designs is to create comprehensive designs that focus on people, purpose and space. She has a passion for using design to enhance the quality of life for everyone and she strongly believes that you can develop a whole community, one room at a time. It is with that belief she has been afforded opportunities to work with non-profit organizations and for-profit corporations all over the world.

Over the years, Johnson has developed a strong conviction for community service that goes hand-in-hand with the master's degree that she holds in Community Development from Prairie View A&M University. Coupling her passion for service and talent, she has been able to focus on projects that add value to any community. From sponsoring design workshops for low-to-moderate income homeowners to being a principal designer of full community development projects. She also dedicates her time and resources to the efforts of Habitat for Humanity, Project 1% and other non-profit organizations.

En'terior Designs collaborated with the community development design for Corinthian Village, a unique independent living space for active senior adults. Corinthian Village is part of Corinthian Pointe 2.3.4., a comprehensive, 234-acre, master-planned community, developed by a non-profit organization in collaboration with private, public, and non-profit partners. Pointe 2.3.4. offers a multitude of goods, products and services through various educational, recreational, spiritual, cultural and commercial components. The project is valued at more than \$200 million and created 2,000 construction jobs and 400 permanent jobs for Houston.

Johnson's ability to conduct careful research and comprehensive planning resulted in a design solution that not only meet regulatory requirements and address specific functional necessities but offer maximum aesthetic appeal, resulting in being recently awarded the 2011 National Interior Design Community Service Design Award.

En'terior Designs has won multiple local and national interior design industry accolades and awards in community service. She has also been the recent recipient of numerous personal awards: FHPW Woman of Excellence Award, American Business Women of America Woman of the Year, Houston Top 25 Woman and Houston Who's Who to name a few.

The ability to stay abreast of the latest in the interior design industry coupled with the passion of service have made Thomasine Johnson and the En'terior Designs firm a leading benchmark in the field, as it enhances community development.

She is married to George E. Johnson Jr., real estate developer. They have four adult children that work hand and hand in the family-owned corporation. Their joy is their five wonderful grandsons who will continue the legacy.

ALMA MATER

Dear Prairie View

Dear Prairie View, our song to thee we raise
In gratitude, we sing our hymn of praise,
For mem'ries dear, for friends and recollections,
For lessons learned while here we've lived with thee,
For these we pledge our hearts full of devotion,
To serve thee now, and through eternity.

As days go by, our hearts will not grow cold,
We'll love thy purple royal and thy gold,
We'll through our lives exemplify thy teachings,
We'll always strive a blessing to be.
Thy children we our love and pride confessing,
We'll love thee now, and through eternity.

Words by O. Anderson Fuller
Music from "*Finlandia*" by Silbelius
