PRAIRIE VIEW A&M UNIVERSITY
Principals and Presidents

THE HISTORY OF PRAIRIE VIEW A&M UNIVERSITY

Establishment

1876

Prairie View A&M University, the first state-supported college in Texas for African Americans, was established during the Reconstruction period after the Civil War. This was the historical period when political and economic special interest groups were able to aggressively use the federal government to enact public policy designated to “alter or reshape the cultural milieu of the vanquished Southern state.” The University had its beginning in the Texas Constitution of 1876 which, in separate articles, established an “Agricultural and Mechanical College” and pledged that “Separate schools shall be provided for the white and colored children, and impartial provisions shall be made for both.” As a consequence of these constitutional provisions, the Fifteenth Legislature established “Alta Vista Agricultural and Mechanical College of Texas for Colored Youth” on August 14, 1876.

Enrollment of the First Students

1878

The Board of Directors purchased the Alta Vista Plantation (1,338 acres) from Mrs. Helen Marr Kirby, the widow of the late Col. Jared Ellison Kirby. The College was named “Alta Vista Agricultural and Mechanical College for Colored Youth.” The Board, authorized to appoint a principal to administer the College, selected L.W. Minor of Mississippi. Eight young African American men, the first to enroll in a state-supported college in Texas, began their studies on March 11, 1878.

Era of Principals as Chief Administrative Officers

1878 - 1948

Prairie View strengthened and enlarged its curriculum and grew under the leadership of a series of dedicated principals. These men led the College during those difficult decades as Federal Reconstruction ended and the doctrine of “separate but equal” emerged with the Plessy v. Ferguson Supreme Court decision of 1896. The eight principals and their tenures were: L.W. Minor, 1878; E.H. Anderson, 1879-1884; Laurine C. Anderson, 1884-1894; Edward L. Blackshear, 1895-1915; Isaiah M. Terrell, 1915-1918; J.G. Osborne, 1918-1925; Paul (Uncle Paul) Bledsoe (Interim Principal), 1925-1962; Willette Rutherford Banks, 1926-1947; and Edward B. Evans, 1947-1948.

Era of Presidents as Chief Administrative Officers

1948 to Present

In 1948, as a result of America emerging as the leader of the “Free World” after World War II, President Harry S. Truman ordered the racial integration of the U.S. Armed Forces. The Board of Directors changed the title of the Chief Administrative Officer of the College from Principal to President on December 3, 1948. The Presidents and their tenures are: Edward B. Evans 1948-1966; Jesse M. Drew, 1966; Alvin I. Thomas, 1966-1982; Ivory Nelson (Interim President), June 1982-January 1983; Percy A. Pierre, 1983-1989; Milton R. Bryant (Interim President), June 1989-December 1989; Julius W. Becton, Jr., 1989-1994; Harold S. Bonner (Interim President), August 1994-October 1994; Charles A. Hines, 1994-2002; Willie A. Tempton, Sr. (Interim President), 2002-2003; George C. Wright, 2003-present.

Names Given to the University

1878 - 1998

The Fifteenth Legislature (August 14, 1867) established “Alta Vista Agricultural and Mechanical College of Texas for Colored Youth.” The Sixteenth Legislature (April 19, 1879) established “Prairie View State Normal School” in Waller County for the training of colored teachers. The Twentieth Legislature attached the words Agriculture and Mechanical Department of Prairie View Normal School. The Twenty-sixth Legislature (1889) changed the name to Prairie View State Normal & Industrial College.” The Forty-ninth Legislature (June 1, 1945) changed the name to “Prairie View University.” The Fiftieth Legislature (March 3, 1947) established “The Texas State University of Negroes” (now Texas Southern University) and changed the name of Prairie View University to “Prairie View Agriculture and Mechanical College of Texas.” The Sixty-third Legislature (1973) changed the name to Prairie View A&M University.

KEYNOTE SPEAKER

Dr. Ira Bell, III

Dr. Ira Bell, a 1970 graduate of PVAMU, offers more than 35 years of combined experience as a medical professional and in the healthcare industry. His expertise in medical management and physician's leadership has warranted executive positions in both hospital and ambulatory care settings. Strategy creation and application, continuous quality improvement, peer review, physician team building and medical information serve as his platform of expertise coupled with his extensive background in both the public and private sectors. This unique experience has allowed him to achieve success in his current role as Chief Medical Officer for Sendero Health Plans.

Prior to joining the Sendero team, Bell served as the Medical Director for Texas Medicaid and Healthcare Partnership (TMHP). In the position, and as medical expert for TMHP, Bell's years of experience working as a provider and physician in Texas supplied a unique view into the health care industry and insight that proved invaluable when working directly with providers and their staffs. He also took a leadership and advisory role with the medical and support staff within TMHP. By following trends in healthcare, staying current on shifts and changes in state and federal policy and drawing on his own experience, Bell has offered advice to the provider community as well as other health care groups.

A native of Bastrop County, Bell came to Prairie View A&M University to study Biology as a part of a summer work study program that introduced high school students to college life. During his time, he participated in numerous student organizations including ROTC and worked as a junior fellow in Fuller Hall. He credits PVAMU with teaching him the important life lessons of giving back to your community, being passionate about what you do and making sure to keep your priorities in order. Following graduation, he went on to earn his medical degree from the University of Texas Medical Branch in Galveston and later completed the MBA program for physician executives at the University of Houston - Clear Lake.

Bell completed his medical residency at Brackenridge Hospital where he served as chief resident for family practice during his third and final year of residency training. He later served as the chief of staff.

Bell holds many other prestigious professional affiliations and has been a member on many medical commissions and boards. He has acted as chairman or president on several others. Currently, he is an active member in various organizations including the American Cancer Society Board of Directors for the Central Texas Region, the American Medical Association and the Travis County Medical Society.

He currently resides in Austin, Texas with his wife and is a proud father of four.

ALMA MATER

Dear Prairie View

Dear Prairie View, our song to thee we raise
In gratitude, we sing our hymn of praise,
For mem'ries dear, for friends and recollections,
For lessons learned while here we've lived with thee,
For these we pledge our hearts full of devotion,
To serve thee now, and through eternity.

As days go by, our hearts will not grow cold,
We'll love thy purple royal and thy gold,
We'll through our lives exemplify thy teachings,
We'll always strive a blessing to be.
Thy children we our love and pride confessing,
We'll love thee now, and through eternity.
