PRAIRIE VIEW A&M UNIVERSITY
Principals and Presidents

THE HISTORY OF PRAIRIE VIEW A&M UNIVERSITY

Establishment

1876

Prairie View A&M University, the first state-supported college in Texas for African Americans, was established during the Reconstruction period after the Civil War. This was the historical period when political and economic special interest groups were able to aggressively use the federal government to enact public policy designated to “alter or reshape the cultural milieu of the vanquished Southern state.” The University had its beginning in the Texas Constitution of 1876 which, in separate articles, established an “Agricultural and Mechanical College” and pledged that “Separate schools shall be provided for the white and colored children, and impartial provisions shall be made for both.” As a consequence of these constitutional provisions, the Fifteenth Legislature established “Alta Vista Agricultural and Mechanical College of Texas for Colored Youth” on August 14, 1876.

Enrollment of the First Students

1878

The Board of Directors purchased the Alta Vista Plantation (1,338 acres) from Mrs. Helen Marr Kirby, the widow of the late Col. Jared Ellison Kirby. The College was named “Alta Vista Agricultural and Mechanical College for Colored Youth.” The Board, authorized to appoint a principal to administer the College, selected L.W. Minor of Mississippi. Eight young African American men, the first to enroll in a state-supported college in Texas, began their studies on March 11, 1878.

Era of Principals as Chief Administrative Officers

1878 - 1948

Prairie View strengthened and enlarged its curriculum and grew under the leadership of a series of dedicated principals. These men led the College during those difficult decades as Federal Reconstruction ended and the doctrine of “separate but equal” emerged with the Plessy v. Ferguson Supreme Court decision of 1896. The eight principals and their tenures were: L.W. Minor, 1878; E.H. Anderson, 1879-1884; Laurine C. Anderson, 1884-1894; Edward L. Blackshear, 1895-1915; Isaiah M. Terrell, 1915-1918; J.G. Osborne, 1918-1925; Paul (Uncle Paul) Bledsoe (Interim Principal), 1925-1962; Willette Rutherford Banks, 1926-1947; and Edward B. Evans, 1947-1948.

Era of Presidents as Chief Administrative Officers

1948 to Present

In 1948, as a result of America emerging as the leader of the “Free World” after World War II, President Harry S. Truman ordered the racial integration of the U.S. Armed Forces. The Board of Directors changed the title of the Chief Administrative Officer of the College from Principal to President on December 3, 1948. The Presidents and their tenures are: Edward B. Evans 1948-1966; Jesse M. Drew, 1966; Alvin I. Thomas, 1966-1982; Ivory Nelson (Interim President), June 1982-January 1983; Percy A. Pierre, 1983-1989; Milton R. Bryant (Interim President), June 1989-December 1989; Julius W. Becton, Jr., 1989-1994; Harold S. Bonner (Interim President), August 1994-October 1994; Charles A. Hines, 1994-2002; Willie A. Tempton, Sr. (Interim President), 2002-2003; George C. Wright, 2003-present.

Names Given to the University

1878 - 1998

The Fifteenth Legislature (August 14, 1867) established “Alta Vista Agricultural and Mechanical College of Texas for Colored Youth.” The Sixteenth Legislature (April 19, 1879) established “Prairie View State Normal School” in Waller County for the training of colored teachers. The Twentieth Legislature attached the words Agriculture and Mechanical Department of Prairie View Normal School. The Twenty-sixth Legislature (1889) changed the name to Prairie View State Normal & Industrial College.” The Forty-ninth Legislature (June 1, 1945) changed the name to “Prairie View University.” The Fiftieth Legislature (March 3, 1947) established “The Texas State University of Negroes” (now Texas Southern University) and changed the name of Prairie View University to “Prairie View Agriculture and Mechanical College of Texas.” The Sixty-third Legislature (1973) changed the name to Prairie View A&M University.

KEYNOTE SPEAKER

Michael J. Sorrell

Michael Joseph Sorrell is the 34th President of Paul Quinn College. He is currently leading what is arguably one of the greatest turnarounds in the history of higher education. Under his leadership, President Sorrell has worked to carry out his vision of transforming Paul Quinn College into a nationally elite small college by focusing on innovation, academic rigor, and servant leadership. He attributes the campus' increasing success to the indoctrination of four guiding principles: Leave places better than you found them; Lead from wherever you are; Live a life that matters, and; Love something greater than yourself.

During President Sorrell's eight-year tenure, the college has received numerous accolades including: 2011 HBCU of the Year; 2012 HBCU Student Government Association of the Year, 2012 HBCU Male President of the Year and 2013 HBCU Business Program of the Year by HBCU Digest; 2013 President's Higher Education Community Service Honor Roll; a partnership with PepsiCo, which assisted in the transformation of their unused football field into the two-acre WE over Me Farm; and surpassing all institutional fundraising records (including having the most seven-figure gifts in the school's history).

President Sorrell is a highly sought after writer and speaker across the nation, who was featured as an emerging leader by the *Root Magazine*. He holds leadership positions at Duke University's Sanford School of Public Policy, the College Board, the Center for Minority Serving Institutions at the University of Pennsylvania, Amegy Bank, Teach for America, the Dallas Regional Chamber, and the Department of Education Policy and Leadership for the Simmons School of Education at Southern Methodist University. Additionally, his TEDx talk on the New Urban College model is highly regarded amongst higher education scholars.

Sorrell graduated from Oberlin College with a B.A. in Government and continued his education by receiving both an M.A. in Public Policy and a J.D. degree from Duke University. Sorrell is currently a Doctor of Education candidate at the University of Pennsylvania's Graduate School of Education. Sorrell is also a life member of Kappa Alpha Psi Fraternity, Incorporated.

He is married to Natalie Jenkins Sorrell, and they have two children, Michael Augustus and Sage Louise-Sinclair Sorrell.

Dear Prairie View

Dear Prairie View, our song to thee we raise
In gratitude, we sing our hymn of praise,
For mem'ries dear, for friends and recollections,
For lessons learned while here we've lived with thee,
For these we pledge our hearts full of devotion,
To serve thee now, and through eternity.

As days go by, our hearts will not grow cold,
We'll love thy purple royal and thy gold,
We'll through our lives exemplify thy teachings,
We'll always strive a blessing to be.
Thy children we our love and pride confessing,
We'll love thee now, and through eternity.

Words by O. Anderson Fuller
Music from "*Finlandia*" by Silbelius
