# THE HISTORY OF PRAIRIE VIEW A&M UNIVERSITY

## *Establishment*

**1876**

Prairie View A&M University, the first state-supported college in Texas for African Americans, was established during the Reconstruction period after the Civil War. This was the historical period when political and economic special interest groups were able to aggressively use the federal government to enact public policy designated to “alter or reshape the cultural milieu of the vanquished Southern state.” The University had its beginning in the Texas Constitution of 1876 which, in separate articles, established an “Agricultural and Mechanical College” and pledged that “Separate schools shall be provided for the white and colored children, and impartial provisions shall be made for both.” As a consequence of these constitutional provisions, the Fifteenth Legislature established “Alta Vista Agricultural and Mechanical College of Texas for Colored Youth” on August 14, 1876.

## *Enrollment of the First Students*

**1878**

The Board of Directors purchased the Alta Vista Plantation (1,338 acres) from Mrs. Helen Marr Kirby, the widow of the late Col. Jared Ellison Kirby. The College was named “Alta Vista Agricultural and Mechanical College for Colored Youth.” The Board, authorized to appoint a principal to administer the College, selected L.W. Minor of Mississippi. Eight young African American men, the first to enroll in a state-supported college in Texas, began their studies on March 11, 1878.

## *Era of Principals as Chief Administrative Officers*

**1878 - 1948**

Prairie View strengthened and enlarged its curriculum and grew under the leadership of a series of dedicated principals. These men led the College during those difficult decades as Federal Reconstruction ended and the doctrine of “separate but equal” emerged with the Plessy v. Ferguson Supreme Court decision of 1896. The eight principals and their tenures were: L.W. Minor, 1878; E.H. Anderson, 1879-1884; Laurine C. Anderson, 1884-1894; Edward L. Blackshear, 1895-1915; Isaiah M. Terrell, 1915-1918; J.G. Osborne, 1918-1925; Paul (Uncle Paul) Bledsoe (Interim Principal), 1925-1962; Willette Rutherford Banks, 1926-1947; and Edward B. Evans, 1947-1948.

## *Era of Presidents as Chief Administrative Officers*

**1948 to Present**

In 1948, as a result of America emerging as the leader of the “Free World” after World War II, President Harry S. Truman ordered the racial integration of the U.S. Armed Forces. The Board of Directors changed the title of the Chief Administrative Officer of the College from Principal to President on December 3, 1948. The Presidents and their tenures are: Edward B. Evans 1948-1966; Jesse M. Drew, 1966; Alvin I. Thomas, 1966-1982; Ivory Nelson (Interim President), June 1982-January 1983; Percy A. Pierre, 1983-1989; Milton R. Bryant (Interim President), June 1989-December 1989; Julius W. Becton, Jr., 1989-1994; Harold S. Bonner (Interim President), August 1994-October 1994; Charles A. Hines, 1994-2002; Willie A. Tempton, Sr. (Interim President), 2002-2003; George C. Wright, 2003-present.

## *Names Given to the University*

**1878 - 1998**

The Fifteenth Legislature (August 14, 1867) established “Alta Vista Agricultural and Mechanical College of Texas for Colored Youth.” The Sixteenth Legislature (April 19, 1879) established “Prairie View State Normal School” in Waller County for the training of colored teachers. The Twentieth Legislature attached the words Agriculture and Mechanical Department of Prairie View Normal School. The Twenty-sixth Legislature (1889) changed the name to Prairie View State Normal & Industrial College.” The Forty-ninth Legislature (June 1, 1945) changed the name to “Prairie View University.” The Fiftieth Legislature (March 3, 1947) established “The Texas State University of Negroes” (now Texas Southern University) and changed the name of Prairie View University to “Prairie View Agriculture and Mechanical College of Texas.” The Sixty-third Legislature (1973) changed the name to Prairie View A&M University.

## KEYNOTE SPEAKER

### **Bakari Sellers**

Bakari Sellers made history in 2006 when, at just 22 years old, he defeated a 26-year incumbent State Representative to become the youngest member of the South Carolina state legislature and the youngest African American elected official in the nation. In 2014, he was the Democratic Nominee for Lt. Governor in the state of South Carolina.

Earning his undergraduate degree from Morehouse College, where he served as student body president, and his law degree from the University of South Carolina, Sellers has followed in the footsteps of his father, civil rights leader Cleveland Sellers, in his tireless commitment to service, taking championing progressive policies to address issues ranging from education and poverty to preventing domestic violence and childhood obesity.

His impressive list of accomplishments, in addition to having served on President Barack Obama's South Carolina steering committee during the 2008 election, Sellers is widely considered to be a rising star within the Democratic Party and a leading voice for his generation. That, coupled with his uncommon ability to reach across the aisle to get things done, has led to numerous accolades, including being named to *TIME* magazine's 40 Under 40 in 2010, as well as 2014 and 2015 The Root 100 list of the nation's most influential African-Americans. Sellers has also provided commentary and analysis to CNN and MSNBC, including multiple appearances on *Hardball with Chris Matthews* and *Morning Joe*. He now currently serves on AIPAC's National Council.

Sellers has served as a featured speaker at events for the National Education Association, College Democrats of America National Convention, the 2008 Democratic National Convention and, in 2007, he delivered the opening keynote address to the AIPAC Policy Conference in Washington, DC.

Sellers practices law with the Strom Law Firm, LLC in Columbia, South Carolina, and he is a Political Commentator at CNN. He is married to Dr. Ellen Rucker-Sellers.

## ALMA MATER

### *Dear Prairie View*

Dear Prairie View, our song to thee we raise  
In gratitude, we sing our hymn of praise,  
For mem'ries dear, for friends and recollections,  
For lessons learned while here we've lived with thee,  
For these we pledge our hearts full of devotion,  
To serve thee now, and through eternity.

As days go by, our hearts will not grow cold,  
We'll love thy purple royal and thy gold,  
We'll through our lives exemplify thy teachings,  
We'll always strive a blessing to be.  
Thy children we our love and pride confessing,  
We'll love thee now, and through eternity.

Words by O. Anderson Fuller  
Music from "*Finlandia*" by Silbelius

Prairie View A&M University was founded in 1876 and is the second-oldest public institution of higher education in Texas. With an established reputation for producing engineers, business leaders, nurses and educators, PVAMU offers baccalaureate degrees, master's degrees and doctoral degree programs through eight colleges and schools. A member of The Texas A&M University System, the University is dedicated to fulfilling its land-grant mission of achieving excellence in teaching, research and service. During the University's 140-year history, more than 60,000 academic degrees have been awarded.
