Looking for a professional internship or co-op opportunity with one of the world’s leading companies?

Want to learn more about the important role of agriculture in our world today?

Monsanto & Council of 1890 Universities Student Leadership Event

What: A terrific opportunity to learn from an industry leader about the business of agriculture and explore a three month summer internship (May - August 2017) or six month co-op experience (January – June 2017) or (June – December 2017).

This is a three-day learning event including professional development, student social activities, business presentations and interviews for internship and co-op opportunities.

Where: Monsanto World Headquarters, St. Louis, Missouri

When: October 16-18, 2016

Who: Rising sophomores, juniors and seniors planning to attend graduate school

Internships & co-op positions will be focused in the following areas:
- Engineering (co-ops only)
- Field Sales
- Finance
- Information Technology (co-ops only)
- Seed Production/Manufacturing
- Technology/Research & Development

To apply: Visit your school Career Services office for more information

This event is co-sponsored by the Council of 1890 Universities and Monsanto, a leader in Agriculture and Biotechnology. Costs for the event including travel, lodging, meals and any pre-approved expenses will be paid by Monsanto.
