Official Completing This Form

1. PRAIRIE VIEW A&M UNIVERSITY
Institution

2. 11/12/05
Submission Date

3. Fall 2006
Effective Fall/Year

4. Complete Course Title
Mechanics of Materials

5. Proposed Course Description
CVEG 2063 (3-1) Cr edit 3 semester hours. Mechanical behavior of engineering materials, plane stress, plane strain, stress-strain relationship, shear and moment, torsion, flexural, column and combined loadings. **Prerequisites:** CVEG 2043 or CVEG 2454 and MATH 2024.

6. Program which justifies this course

   Major Civil Engineering
   Certificate 
   Minor 
   Support Service

7. Justification for additions or reason for changes

8. Course Data

   a. As currently in Course Inventory

      | FICE Code | Subject Prefix | Course Number | Update Code |
      |-----------|----------------|---------------|-------------|
      | 0 0 3 6 3 0 | CVEG | 2 0 6 3 | 5 D |

   b. As requested

      | FICE Code | Subject Prefix | Course Number | SCH | Level | MCL | *CORE | *REMEDIAL LEVEL | CROSS LISTED | Code | AREA | For Credit | Repeatable | Prim. Inst. Type Code |
      |-----------|----------------|---------------|-----|-------|-----|-------|-----------------|--------------|------|------|------------|------------|----------------------|
      | 0 0 3 6 3 0 | CVEG | 2 0 6 3 | 0 3 0 0 2 1 4 0 8 0 4 0 0 0 6 | |
