SYLLABUS

Math 1113 College Algebra
Fall Semester, 2016

Instructor: J JOLIVET
Section P17 and CRN: 11830
Office Location: Math dept. Rm 301C
Office Phone: 936-261-2092
Email Address: jnjolivet@pvamu.edu
Office Hours: 8 – 9:20am TR
Mode of Instruction: Face to Face

Course Location: BNKS 208
Class Days & Times: TR
Catalog Description: Quadratic equations, systems of equations, logarithms, exponential and logarithmic equations, binomial theorem, progressions, permutations, combinations, and probability.

Prerequisites: Must have made at least a C in Math 0133 or a TSI Math Score of 350.
Co-requisites: None

Required Texts:
1. The text – either a paper copy or an electronic version,
2. WebAssign – an online homework package, and
3. A scientific calculator such as TI-83, or TI-84.
   College Algebra, 9th Edition; by Ron Larson

Recommended Texts: None

Student Learning Outcomes:

<table>
<thead>
<tr>
<th>Program Learning Outcome # Alignment</th>
<th>Core Curriculum Outcome Alignment</th>
</tr>
</thead>
<tbody>
<tr>
<td>Upon successful completion of this course, students will be able to:</td>
<td></td>
</tr>
<tr>
<td>1 Write definitions, recognize and use basic mathematical concepts.</td>
<td>1, 2, 3</td>
</tr>
<tr>
<td>2 Simplify polynomial, radical, rational, exponential, and logarithmic expressions.</td>
<td>3</td>
</tr>
<tr>
<td>3 Solve linear, quadratic, rational, radical, absolute value, exponential and logarithmic equations with one variable.</td>
<td>3</td>
</tr>
<tr>
<td>4 Solve inequalities.</td>
<td>3</td>
</tr>
<tr>
<td>5 Solve systems of equations.</td>
<td>3</td>
</tr>
<tr>
<td>6 Graph polynomial, rational, exponential and logarithmic functions.</td>
<td>1, 2</td>
</tr>
<tr>
<td>7 Give an elementary function evaluation of polynomial, rational, radical, absolute value, exponential and logarithmic functions. To include finding the domain and range, interval of increase and decrease composition, even, odd or neither, one-to-one, and inverse of functions.</td>
<td>1, 2</td>
</tr>
<tr>
<td>8 Develop problem-solving skills.</td>
<td>1, 2, 3</td>
</tr>
</tbody>
</table>
### Major Course Requirements

#### Method of Determining Final Course Grade

<table>

#### Grading Criteria and Conversion:

- **A** = 90 – 100%
- **B** = 80 – 89%
- **C** = 70 – 79%
- **D** = 60 – 69%
- **F** = 0 – 59%

#### Detailed Description of Major Assignments:

**Assignment**

**Title or Grade Requirement**

**Description**

**Examinations**

All exams will consist of essay type written tests designed to measure knowledge of presented course material. The midterm exam and the final exam are to be done in class. Scientific calculators are allowed and a formula sheet will be provided.

**Homework**

All homework problems are to be done using WebAssign to enhance the understanding of the material. The publisher has supplements freely available online. [Go to http://www.webassign.net/login.html](http://www.webassign.net/login.html) to register and do the homework. A 14-day grace period of non-purchase of WebAssign code is granted to all students. At the end of the grace period, students must purchase the WebAssign code (also called Class Key) for continued access of the program.

The WebAssign code (Class Key) for this section is: **fill in**
### Weekly Outline

<table>
<thead>
<tr>
<th>Week</th>
<th>Topics</th>
</tr>
</thead>
</table>
| 1    | Introduction to WebAssign,  
1.1 Graphs of Equations  
1.2 Linear Equations in One Variable |
| 2    | 1.3 Modeling with Linear Equations  
1.4 Quadratic Equations and Applications |
| 3    | 1.5 Complex Numbers  
1.6 Other Types of Equations  
**Exam 1 In class Wed. Sept. 7 and Thu Sept. 8 Covers 1.1 – 1.6** |
| 4    | 1.7 Linear Inequalities in One Variable  
1.8 Other Types of Inequalities  
**Exam 2 Online Wed. Sept. 14 and Thu Sept. 15 Covers 1.1 – 1.6** |
| 5    | 2.1 Linear Equations in Two Variables  
6.1 Linear and Nonlinear Systems of Equations |
| 6    | 2.2 Functions  
2.3 Analyzing Graphs of Functions |
| 7    | 2.4 A Library of Parent Functions  
2.5 Transformation of Functions |
| 8    | **Review, Midterm exam (Exam 3) in class (Covers Chapters 1 and 2)**  
**Wed. Oct. 12, and Thu Oct. 15** |
| 9    | 2.6 Combination of Functions: Composite Functions  
2.7 Inverse Functions |
| 10   | 3.1 Quadratic Functions and Models  
3.2 Polynomial Functions of Higher Degree |
| 11   | 3.3 Polynomial and Synthetic Division  
3.4 Zeros of Polynomial Functions |
| 12   | 4.1 Rational Functions and Asymptotes  
4.2 Graphs of Rational Functions  
**Exam 4 In class Wed. Oct. 26 and Thu Oct. 27 Covers 3.1 – 4.2** |
| 13   | 5.1 Exponential Functions and Their Graphs  
5.2 Logarithmic Functions and Their Graphs  
**Exam 5 Online Wed. Nov. 2 and Thu Nov. 3 Covers 3.1 – 4.2** |
| 14   | 5.3 Properties of Logarithms  
5.4 Exponential and Logarithmic Equations |
| 15   | 5.5 Exponential and Logarithmic Models  
6.2 Two-Variable Linear Systems  
7.4 Determinants of $2 \times 2$ |
| 16   | **Review Comprehensive Final exam** |
NOTE: All online exams are to be done in WebAssign. This means lectures (or reviews) will proceed normally in the classroom on exam days except for the midterm and the final exams. So no lecture time is sacrificed for testing.

**Departmental policies on exams and technology**
1. no multiple choice question is allowed on any test at any level.
2. any and all types of technology is allowed to be used by students in class, on assignments and on tests throughout the academic years.

Tests and quizzes will be developed to minimize any possible dishonesty.

**Course Procedures or Additional Instructor Policies**

**Taskstream**
Taskstream is a tool that Prairie View A&M University uses for assessment purposes. At least one of your assignments is REQUIRED to be submitted as an "artifact," an item of coursework that serves as evidence that course objectives are met. More information will be provided during the semester, but for general information, you can visit Taskstream via the link in eCourses.

**Student Support and Success**

**John B. Coleman Library**
The library and its partners have as their mission to provide resources and instructional material in support of the evolving curriculum, as a partner in Prairie View A&M University's mission of teaching, research, and service and to support the University's core values of access and quality, diversity, leadership, relevance, and social responsibility through emphasis on ten key areas of service. It maintains library collections and access both on campus, online, and through local agreements to further the educational goals of students and faculty. [https://www.pvamu.edu/library/](https://www.pvamu.edu/library/)  Phone: 936-261-1500

**The Learning Curve (Center for Academic Support)**
The Learning Curve offers Tutoring via peer tutoring. The services include workshops (i.e., Save My Semester, Recalculate Your Route), seminars (i.e., Tools You Can Use: TI-84), group review sessions (i.e., College Algebra Topic Reviews, GRE Preparation), group study opportunities (i.e., TSIA, HESI, Study Break, Exam Cram), and test-taking strategies (How to take Notes, Study Buddy, 5 Day Study Guide). The Learning Curve is a nationally certified tutoring program through the National Tutoring Association. The peer tutors are trained and certified by the coordinator each semester. Location: J.B. Coleman Library Rm. 207F. Phone: 936-261-1561

**The Center for the Oversight and Management of Personalized Academic Student Success (COMPASS)**
The Center for the Oversight and Management of Personalized Academic Student Success (COMPASS) is designed to help Prairie View students in their second year and beyond navigate towards graduation by providing the following services: Academic Advisement, Targeted Tutorials for Personalized Learning, Campus-Wide Referrals, and Academic & Social Workshops. Location: J.B. Coleman Library Rm. 306. Phone: 936-261-1040

**Writing Center**
The Writing Center provides student consultants on all aspects of the writing process and a variety of writing assignments. Writing Center consultations assist students in such areas as prewriting, brainstorming, audience awareness, organization, research, and citation. Students taking on-line courses or courses at the Northwest Houston Center or College of Nursing may consult remotely or by email. Location: Hilliard Hall Rm. 121. Phone: 936-261-3724.

**Student Counseling Services**
The Student Counseling Services unit offers a range of services and programs to assist students in maximizing their potential for success: short-term individual, couples, and group counseling, as well as crisis intervention,
outreach, consultation, and referral services. The staff is licensed by the State of Texas and provides assistance to students who are dealing with academic skills concerns, situational crises, adjustment problems, and emotional difficulties. Information shared with the staff is treated confidentially and in accordance with Texas State Law. Location: Owens-Franklin Health Center Rm. 226. Phone: 936-261-3564

Testing
The Department of Testing administers College Board CLEP examinations, the HESI A2 for pre-nursing majors, LSAT for law school applicants and MPRE for second-year law students, the Experiential Learning Portfolio option, the Texas Success Initiative (TSI) Assessment, which determines college readiness in the state, and exam proctoring, among other service such as SAT and ACT for high school students. Location: Delco Rm. 141. Phone: 936-261-4286

Office of Diagnostic Testing and Disability Services
As a federally-mandated educational support unit, the Office of Disability Services serves as the repository for confidential disability files for faculty, staff, and students. For persons with a disability, the Office develops individualized ADA letters of request for accommodations. Other services include: learning style inventories, awareness workshops, accessibility pathways, webinars, computer laboratory with adapted hard and software, adapted furniture, proctoring of non-standardized test administrations, ASL interpreters, ALDs, digital recorders, livescribe, Kurtzweil, and a comprehensive referral network across campus and the broader community. Location: Evans Hall Rm. 317. Phone: 936-261-3585

Veteran Affairs
Veterans Services works with student veterans, current military and military dependents to support their transition to the college environment and continued persistence to graduation. The Office coordinates and certifies benefits for both the G.I. Bill and the Texas Hazlewood Act. Location: Evans Hall Rm. 323. Phone: 936-261-3563

Office for Student Engagement
The Office for Student Engagement delivers comprehensive programs and services designed to meet the co-curricular needs of students. The Office implements inclusive and accessible programs and services that enhance student development through exposure to and participation in diverse and relevant social, cultural, intellectual, recreational, community service, leadership development and campus governance. Location: Memorial Student Center Rm. 221. Phone: 936-261-1340

Career Services
Career Services supports students through professional development, career readiness, and placement and employment assistance. The Office provides one-on-one career coaching, interview preparation, resume and letter writing, and career exploration workshops and seminars. Services are provided for students at the Northwest Houston Center and College of Nursing in the Medical Center twice a month or on a requested basis. Distance Learning students are encouraged to visit the Career Services website for information regarding services provided. Location: Evans Hall Rm. 217. Phone: 936-261-3570

University Rules and Procedures

Disability Statement (Also See Student Handbook):
The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you believe you have a disability requiring an accommodation, please contact Disability Services, in Evans Hall, Room 317, or call 936-261-3585/3.

Academic Misconduct (See Student Handbook):
You are expected to practice academic honesty in every aspect of this course and all other courses. Make sure you are familiar with your Student Handbook, especially the section on academic misconduct. Students who engage in academic misconduct are subject to university disciplinary procedures.

Forms of Academic Dishonesty:
1. Cheating: deception in which a student misrepresents that he/she has mastered information on an assessment.
academic exercise that he/she has not mastered; giving or receiving aid unauthorized by the instructor
on assignments or examinations.

2. Academic misconduct: tampering with grades or taking part in obtaining or distributing any part of a
scheduled test.

3. Fabrication: use of invented information or falsified research.

4. Plagiarism: unacknowledged quotation and/or paraphrase of someone else’s words, ideas, or data as
one’s own in work submitted for credit. Failure to identify information or essays from the Internet and
submitting them as one’s own work also constitutes plagiarism.

Nonacademic Misconduct (See Student Handbook)
The university respects the rights of instructors to teach and students to learn. Maintenance of these rights
requires campus conditions that do not impede their exercise. Campus behavior that interferes with either (1) the
instructor’s ability to conduct the class, (2) the inability of other students to profit from the instructional program, or
(3) campus behavior that interferes with the rights of others will not be tolerated. An individual engaging in such
disruptive behavior may be subject to disciplinary action. Such incidents will be adjudicated by the Dean of
Students under nonacademic procedures.

Sexual Misconduct (See Student Handbook):
Sexual harassment of students and employers at Prairie View A&M University is unacceptable and will not be
tolerated. Any member of the university community violating this policy will be subject to disciplinary action.

Title IX Statement
Prairie View A&M University (PVAMU) is committed to supporting students and complying with the Texas A&M
University System non-discrimination policy. It seeks to establish an environment that is free of bias, discrimination,
and harassment. If you experience an incident of sex- or gender-based discrimination, including sexual
harassment, sexual assault or attempted sexual assault, we encourage you to report it. While you may talk to a
faculty member about an incident of misconduct, the faculty member must report the basic facts of your experience
to Ms. Alexia Taylor, PVAMU’s Title IX Coordinator. If you would like to speak with someone who may be able to
afford you privacy or confidentiality, there are individuals who can meet with you. The Title IX Coordinator is
designated to handle inquiries regarding non-discrimination policies and can assist you with understanding your
options and connect you with on- and off-campus resources. The Title IX Coordinator can be reached by phone at
936-261-2123 or in Suite 013 in the A.I. Thomas Administration Building.

Class Attendance Policy (See Catalog for Full Attendance Policy)
Prairie View A&M University requires regular class attendance. Attending all classes supports full academic
development of each learner whether classes are taught with the instructor physically present or via distance
learning technologies such as interactive video and/or internet.

Excessive absenteeism, whether excused or unexcused, may result in a student’s course grade being reduced or
in assignment of a grade of “F”. Absences are accumulated beginning with the first day of class during regular
semesters and summer terms. Each faculty member will include the University’s attendance policy in each course
syllabus.

Student Academic Appeals Process
Authority and responsibility for assigning grades to students rests with the faculty. However, in those instances
where students believe that miscommunication, errors, or unfairness of any kind may have adversely affected the
instructor’s assessment of their academic performance, the student has a right to appeal by the procedure listed in the
Undergraduate Catalog and by doing so within thirty days of receiving the grade or experiencing any other
problematic academic event that prompted the complaint.

TECHNICAL CONSIDERATIONS

Minimum Recommended Hardware and Software:
- Intel PC or Laptop with Windows 7; Mac with OS X; Smartphone or iPad/Tablet with Wi-Fi
• High speed Internet access
• 8 GB Memory
• Hard drive with 320 GB storage space
• 15” monitor, 800x600, color or 16 bit
• Sound card w/speakers
• Microphone and recording software
• Keyboard & mouse
• Most current version of Google Chrome, Safari, Internet Explorer or Firefox

Note: Be sure to enable Java & pop-ups in the Web browser preferences

Participants should have a basic proficiency of the following computer skills:
• Sending and receiving email
• A working knowledge of the Internet
• Proficiency in Microsoft Word (or a program convertible to Word)
• Proficiency in the Acrobat PDF Reader
• Basic knowledge of Windows or Mac O.S.

Netiquette (online etiquette):
Students are expected to participate in all discussions and virtual classroom chats as directed. Students are to be respectful and courteous to others on discussion boards. Foul or abusive language will not be tolerated.

Technical Support:
Students should go to https://mypassword.pvamu.edu/ if they have password issues. The page will provide instructions for resetting passwords and contact information if login issues persist. For other technical questions regarding eCourses, call the Office of Distance Learning at 936-261-3283

Communication Expectations and Standards:
Emails or discussion postings will receive a response from the instructor, usually in less than 48 hours. Urgent emails should be marked as such. Check regularly for responses.

Discussion Requirement:
Online courses often require minimal to no face-to-face meetings. However, conversations about the readings, lectures, materials, and other aspects of the course can take place in a seminar fashion. This will be accomplished by the use of the discussion board. The exact use of discussion will be determined by the instructor.

It is strongly suggested that students type their discussion postings in a word processing application and save it to their PC or a removable drive before posting to the discussion board. This is important for two reasons: 1) If for some reason your discussion responses are lost in your online course, you will have another copy; 2) Grammatical errors can be greatly minimized by the use of the spell-and-grammar check functions in word processing applications. Once the post(s) have been typed and corrected in the word processing application, it/they should be copied and pasted to the discussion board.
