THE ONE HUNDRED AND FORTY-FIRST  
SPRING COMMENCEMENT

PANTHER STADIUM

SATURDAY, MAY THIRTEENTH

EIGHT THIRTY IN THE MORNING

## *To our Guests*

Commencement is a significant and solemn event, recognizing years of study and sacrifice. To make this ceremony more meaningful, we ask all guests and participants to avoid unnecessary conversation and movement during the exercise. We also ask that cellular phones be silenced during the ceremony.

Please withhold your applause during the presentation of degrees until each degree group is acknowledged and the candidates have returned to their seats.

Following the singing of the Alma Mater, there is a recessional for the platform party and all degree recipients. We ask the audience to remain seated during this period.

For your convenience, an Emergency Medical Services station is available in Panther Stadium. Please ask an usher for assistance.

A climate-controlled alternate viewing site is available for all guests in the William "Billy" J. Nicks, Sr. Building (Baby Dome). The ceremony will stream in real time.

# *The history of* PRAIRIE VIEW A&M UNIVERSITY

## ESTABLISHMENT

**1876**

Prairie View A&M University, the first state-supported college in Texas for African Americans, was established during the Reconstruction period after the Civil War. This was the historical period when political and economic special interest groups were able to aggressively use the federal government to enact public policy designated to “alter or reshape the cultural milieu of the vanquished Southern state.” The University had its beginning in the Texas Constitution of 1876 which, in separate articles, established an “Agricultural and Mechanical College” and pledged that “Separate schools shall be provided for the white and colored children, and impartial provisions shall be made for both.” As a consequence of these constitutional provisions, the Fifteenth Legislature established “Alta Vista Agricultural and Mechanical College of Texas for Colored Youth” on August 14, 1876.

## NAMES GIVEN TO THE UNIVERSITY

**1876 - 1973**

The Fifteenth Legislature (August 14, 1876) established “Alta Vista Agricultural and Mechanical College of Texas for Colored Youth.” The Sixteenth Legislature (April 19, 1879) established “Prairie View State Normal School” in Waller County for the training of colored teachers. The Twentieth Legislature attached the words Agriculture and Mechanical Department to Prairie View Normal School. The Twenty-sixth Legislature (1899) changed the name to “Prairie View State Normal & Industrial College.” The Forty-ninth Legislature (June 1, 1945) changed the name to “Prairie View University.” The Fiftieth Legislature (March 3, 1947) established “The Texas State University of Negroes” (now Texas Southern University) and changed the name of Prairie View University to “Prairie View Agricultural and Mechanical College of Texas.” The Sixty-third Legislature (1973) changed the name to Prairie View A&M University.

## ENROLLMENT OF THE FIRST STUDENTS

**1878**

The Board of Directors purchased the Alta Vista Plantation (1,338 acres) from Mrs. Helen Marr Kirby, the widow of the late Col. Jared Ellison Kirby. The College was named “Alta Vista Agricultural and Mechanical College for Colored Youth.” The Board, authorized to appoint a principal to administer the College, selected L.W. Minor of Mississippi. Eight young African American men, the first to enroll in a state-supported college in Texas, began their studies on March 11, 1878.

## ERA OF PRINCIPALS AS CHIEF ADMINISTRATIVE OFFICERS

**1878 - 1948**

Prairie View strengthened and enlarged its curriculum and grew under the leadership of a series of dedicated principals. These men led the College during those difficult decades as Federal Reconstruction ended and the doctrine of “separate but equal” emerged with the Plessy v. Ferguson Supreme Court decision of 1896. The eight principals and their tenures were: L.W. Minor, 1878; E.H. Anderson, 1879-1884; Laurine C. Anderson, 1884-1894; Edward L. Blackshear, 1895-1915; Isaiah M. Terrell, 1915-1918; J.G. Osborne, 1918-1925; Paul (Uncle Paul) Bledsoe (Interim Principal), 1925-1926; Willette Rutherford Banks, 1926-1947; and Edward B. Evans, 1947-1948.

## ERA OF PRESIDENTS AS CHIEF ADMINISTRATIVE OFFICERS

**1948 to Present**

In 1948, as a result of America emerging as the leader of the “Free World” after World War II, President Harry S. Truman ordered the racial integration of the U.S. Armed Forces. The Board of Directors changed the title of the Chief Administrative Officer of the College from Principal to President on December 3, 1948. The Presidents and their tenures are: Edward B. Evans 1948-1966; Jesse M. Drew, 1966; Alvin I. Thomas, 1966-1982; Ivory Nelson (Interim President), June 1982-January 1983; Percy A. Pierre, 1983-1989; Milton R. Bryant (Interim President), June 1989-December 1989; Julius W. Becton, Jr., 1989- 1994; Harold S. Bonner (Interim President), August 1994-October 1994; Charles A. Hines, 1994-2002; Willie A. Tempton, Sr. (Interim President), 2002-2003; George C. Wright, 2003-2017; Ruth J. Simmons, 2017-2023; Michael L. McFrazier (Acting President), 2023.

President's Distinguished Fellow, Rice University

Ruth J. Simmons served as the eighth President of Prairie View A&M University from 2017-2023. She was President of Brown University from 2001-2012. Under her leadership, Brown made significant strides in improving its standing as one of the world's finest research universities.

# *Academic Regalia*

An appropriate costume is a necessary part of Commencement. The costume includes a cap, a gown, and a hood. Each part of the costume has special significance. The most common headpiece (or cap) for the ceremony is the black square, flattop, or “mortarboard” type with a gold or black tassel. It is called a “mortarboard” because it is shaped like the board of the mason which holds mortar. The large velvet Tam-O-Shanter style of headpieces may replace the mortarboard. Some of the velvet tams are brilliantly colored such as orange or bright blue.

The hood can be the most colorful part of the entire costume. The colors inside the hood are those of the college or university awarding the degree. The academic discipline is represented by the color(s) on the outside rim of the hood according to the table below:

Agriculture .....	Maize	Nursing .....	Apricot
Architecture .....	Lavender	Philosophy .....	Dark Blue
Arts, Letters, Humanities .....	White	Physical Education .....	Sage Green
Commerce, Accountancy, Business .....	Drab	Physics .....	Science Gold
Criminal Justice .....	Midnight Blue	Psychology .....	Gold
Economics .....	Copper	Public Administration, including	
Education .....	Light Blue	Foreign Service .....	Peacock Blue
Engineering .....	Orange	Public Health .....	Salmon Pink
Fine Arts .....	Brown	Science .....	Golden Yellow
Forestry .....	Russet	Social Work .....	Citron
Geography .....	Blue and Green	Technology .....	Golden Yellow
Journalism .....	Crimson	Theology .....	Scarlet
Library Science .....	Lemon	Veterinary Science .....	Gray
Mathematics .....	Science Gold		
Music .....	Pink		

The tassel on the doctor’s cap is usually gold and is permanently fastened on the left side. The master’s cap has a black tassel or color appropriate to the discipline worn on the left. The bachelor’s cap has a black tassel or color appropriate to the discipline worn on the right prior to graduation then moved to the left during the ceremony.

The gown is usually black. The traditional doctor’s gown has velvet panels down the front and three velvet bars on the regular sleeves. The master’s gown has no velvet, but does have unusually long sleeves. The bachelor’s gown is similar to the master’s gown but has regular long sleeves which tend to be pointed.

Some gowns may be in the color of the college granting the degree, such as “Education Blue.” Others may be “Yale Blue” or “Harvard Crimson” for the graduates of those universities. Customized stoles highlight the accomplishments of students, including to honor those students who have served the nation in the Armed Forces.

# *Academic Symbols*

## THE MACE

The mace is an ancient symbol of authority which is carried by the marshal ahead of the academic procession. The mace for Prairie View A&M University is four feet long and contains four bronze figures atop a Honduras mahogany base which tapers to fit into its stand. The four figures are symbolic of the four undergraduate academic years. In the hollow area beneath the figures is a flame that is equally shared. The flame denotes knowledge and excellence. The base symbolizes the entire faculty. It serves as a grip and is carried by the university marshal. The stand, which supports the mace, characterizes the administration. The visual impact of the mace as a whole is “torch-like.” The eight tassels represent the academic organization of the University.

## THE TEXAS A&M UNIVERSITY SYSTEM PRESIDENTIAL MEDALLION

The Texas A&M University System's Presidential Medallion features the seal of Prairie View A&M University and signifies the trust placed in the institution's new leader by The Texas A&M University System Board of Regents and the Office of the Chancellor. Infused with tradition and honor, the medallion is a symbol of the responsibility to inspire, mentor and serve the students of Prairie View A&M. The System's chancellor presents the medallion to the new president at his or her inauguration.

## THE PVAMU PRESIDENTIAL MEDALLION

The President's Medallion, the official symbol of the Office of the President at Prairie View A&M University, was created especially to commemorate the lineage of the presidency by the late Mr. Frank Hayden, nationally famous sculptor and Professor of Fine Arts at Southern University, Baton Rouge, Louisiana. The first medallion was presented to Dr. Percy A. Pierre, fourth president of Prairie View A&M University on March 21, 1985.

The medallion is designed to be worn with academic regalia at all official University programs. Abstract figures, representing the academic disciplines in an attitude of celebration, encircle the outer rim. The inner circle symbolizes the pursuit of excellence throughout four years of teaching and learning. The weave of the chain is the facsimile of that used by the ancient Greeks.

A replica will be presented to each subsequent President during his or her inauguration. The medallion will ultimately reflect the history of the presidency, revealing names and dates of inauguration.

## *A Message from the Governor:*

*As Governor of Texas, I am proud to extend a warm welcome to everyone in attendance at Prairie View A&M University's 2023 Spring Commencement Convocation.*

*Graduates, as you celebrate your achievements and reflect upon your time as students of this fine institution, know that Texas celebrates with you. You have demonstrated academic excellence, personal perseverance, and no small amount of hard work, and you should take immense pride in your many accomplishments.*

*The diploma you receive today is not only the goal you have worked so diligently to attain but also a symbol of the education that has prepared you for success in any future endeavor you may pursue. Whether it be further academic study or a professional career, your education will enable you to lead a productive life as upstanding members of society.*

*Our world is constantly changing, and it needs your talents and energy now more than ever as we continue to face the unprecedented challenges of modernity. As Texans, we share a deep-seated determination and a tenacious spirit, and we all have important roles to play as we build upon the successes of yesteryear and create an even greater tomorrow for Texas, for America, and for all mankind.*

*You have inherited the freedom and prosperity of our people, and you must accept the responsibilities that accompany them. The tasks in store may be daunting, but in these moments of celebration, we catch a glimpse of the bright future that lies ahead, and we must carry this celebratory spirit with us as we march toward it. We must remain focused on the work before us—it is critical to the success of generations to come. In due time, you will have to rise and meet these challenges by building upon the foundation laid by those who have come before you and by using your wisdom, experience, and passion.*

*I have the utmost confidence that the milestone you celebrate today is but one of many achievements awaiting you. At this time, I encourage you to recognize the different support systems that helped you reach this moment—family, friends, teachers, and professors—and to take the time to thank and honor them. The success you know today is the work of many, and those relationships will guide you as your journey unfolds. Although the document you receive is the culmination of many years' work, your diploma marks not an ending, but a beginning. As you embark upon the next chapter of your life, know that your accomplishments will bring about a better, brighter future for the Lone Star State.*

*First Lady Cecilia Abbott joins me in extending best wishes for continued success.*

Sincerely,

ALMA MATER  
DEAR PRAIRIE VIEW

Dear Prairie View, our song to thee we raise,  
In gratitude we sing our hymn of praise,  
For mem'ries dear, for friends and recollections,  
For lessons learned while here we've lived with thee.  
For these we pledge our hearts full of devotion,  
To serve thee now, and through eternity.

As days go by, our hearts will not grow cold,  
We'll love thy purple royal and thy gold,  
We'll through our lives exemplify thy teachings,  
We'll always strive a blessing to be.  
Thy children we our love and pride confessing,  
We'll love thee now, and through eternity.
