The history of PRAIRIE VIEW A&M UNIVERSITY

ESTABLISHMENT

1876

Prairie View A&M University, the first state-supported college in Texas for African Americans, was established during the Reconstruction period after the Civil War. This was the historical period when political and economic special interest groups were able to aggressively use the federal government to enact public policy designated to “alter or reshape the cultural milieu of the vanquished Southern state.” The University had its beginning in the Texas Constitution of 1876 which, in separate articles, established an “Agricultural and Mechanical College” and pledged that “Separate schools shall be provided for the white and colored children, and impartial provisions shall be made for both.” As a consequence of these constitutional provisions, the Fifteenth Legislature established “Alta Vista Agricultural and Mechanical College of Texas for Colored Youth” on August 14, 1876.

ENROLLMENT OF THE FIRST STUDENTS

1878

The Board of Directors purchased the Alta Vista Plantation (1,338 acres) from Mrs. Helen Marr Kirby, the widow of the late Col. Jared Ellison Kirby. The College was named “Alta Vista Agricultural and Mechanical College for Colored Youth.” The Board, authorized to appoint a principal to administer the College, selected L.W. Minor of Mississippi. Eight young African American men, the first to enroll in a state-supported college in Texas, began their studies on March 11, 1878.

ERA OF PRINCIPALS AS CHIEF ADMINISTRATIVE OFFICERS

1878 - 1948

Prairie View strengthened and enlarged its curriculum and grew under the leadership of a series of dedicated principals. These men led the College during those difficult decades as Federal Reconstruction ended and the doctrine of “separate but equal” emerged with the Plessy v. Ferguson Supreme Court decision of 1896. The eight principals and their tenures were: L.W. Minor, 1878; E.H. Anderson, 1879-1884; Laurine C. Anderson, 1884-1894; Edward L. Blackshear, 1895-1915; Isaiah M. Terrell, 1915-1918; J.G. Osborne, 1918-1925; Paul (Uncle Paul) Bledsoe (Interim Principal), 1925-1926; Willette Rutherford Banks, 1926-1947; and Edward B. Evans, 1947-1948.

ERA OF PRESIDENTS AS CHIEF ADMINISTRATIVE OFFICERS

1948 to Present

In 1948, as a result of America emerging as the leader of the “Free World” after World War II, President Harry S. Truman ordered the racial integration of the U.S. Armed Forces. The Board of Directors changed the title of the Chief Administrative Officer of the College from Principal to President on December 3, 1948. The Presidents and their tenures are: Edward B. Evans 1948-1966; Jesse M. Drew, 1966; Alvin I. Thomas, 1966-1982; Ivory Nelson (Interim President), June 1982-January 1983; Percy A. Pierre, 1983-1989; Milton R. Bryant (Interim President), June 1989-December 1989; Julius W. Becton, Jr., 1989-1994; Harold S. Bonner (Interim President), August 1994-October 1994; Charles A. Hines, 1994-2002; Willie A. Tempton, Sr. (Interim President), 2002-2003; George C. Wright, 2003-2017; Ruth J. Simmons, 2017-present.

NAMES GIVEN TO THE UNIVERSITY

1876 - 1973

The Fifteenth Legislature (August 14, 1876) established “Alta Vista Agricultural and Mechanical College of Texas for Colored-Youth.” The Sixteenth Legislature (April 19, 1879) established “Prairie View State Normal School” in Waller County for the training of colored teachers. The Twentieth Legislature attached the words Agriculture and Mechanical Department of Prairie View Normal School. The Twenty-sixth Legislature (1889) changed the name to “Prairie View State Normal & Industrial College.” The Forty-ninth Legislature (June 1, 1945) changed the name to “Prairie View University.” The Fiftieth Legislature (March 3, 1947) established “The Texas State University of Negroes” (now Texas Southern University) and changed the name of Prairie View University to “Prairie View Agriculture and Mechanical College of Texas.” The Sixty-third Legislature (1973) changed the name to Prairie View A&M University.

KHAMBREL MARSHALL

KPRC Journalist, Meteorologist and “Newsmakers” Host

Khambrel Marshall is a member of the KPRC 2 Severe Weather Team and delivers the weekend forecasts to help you plan your day. He is also the host of “Houston Newsmakers with Khambrel Marshall,” a weekly program that explores news in Texas’s Southeast region.

Marshall has had a multifaceted career in broadcasting. While studying for his Bachelor of Arts in Journalism and Mass Communication from Arizona State University, he began his television career as a weekend sports anchor in Phoenix. Through the years, he was a sports reporter, sports director, then primary news anchor in Miami before joining KPRC-TV as a weekday anchor in May 1999. He took a newsroom leadership role as Executive Producer for several years before accepting the weekend meteorologist position. The self-proclaimed “weather geek” earned his Broadcast Meteorology Certification from Mississippi State University.

A winner of numerous awards in journalism and community service, Mr. Marshall has won one of broadcasting’s top honors, the Emmy, for a feature series titled “Guardians at Sea,” chronicling the U.S. Coast Guard’s efforts to rescue Cuban and Haitian refugees crossing the Florida Straits.

He has a tireless commitment to volunteer service and has been honored as March of Dimes Texas Communications Volunteer of the Year. He was Chairman of the 2011 March for Babies in Houston, the largest walk in the United States for the March of Dimes. More than 45,000 walkers raised more than \$3 million for March of Dimes research during his tenure as chairman. He was co-chair of the Susan G. Komen Race for the Cure for two years and helped raise hundreds of thousands of dollars for breast cancer research.

One of 12 recipients to receive the National Community Service Award from the Westinghouse Corporation, Marshall was named “Outstanding Young Floridian” by the Fort Lauderdale Jaycees for his humanitarian efforts in the wake of Hurricane Andrew. He is a past Chairman of the Executive Committee of Big Brothers Big Sisters of Southeast Texas, and past board member of Collaborative for Children, March of Dimes, Texas Gulf Coast, and Susan G. Komen Houston. He is currently on the Board of Directors of the A.D. Players at the George Theater. He is also Chair of the Board of the YMCA of Greater Houston, the largest childcare provider in the Houston region and fourth-largest YMCA in the United States.

Mr. Marshall is a Senior Fellow in the American Leadership Forum: Houston/Gulf Coast Chapter (ALF). The intense ALF one-year program joins and strengthens diverse community leaders to serve the public. He has been married since 1979 to his wife Debbie; they have three daughters and three grandchildren.

GRADUATING WITH ACADEMIC HONORS[†]

Honors recognition at graduation is based on consistent high scholarship and cumulative grade point averages earned. To be eligible for graduation with honors, a student must not have received any failing grades (transfer or residence) and must complete the last 60 semester hours in residence at Prairie View A&M University. A student may graduate with honors in one of the three categories, Summa Cum Laude, Magna Cum Laude, or Cum Laude as outlined in the university catalog:

SUMMA CUM LAUDE

Cumulative Grade Point Average of 3.90-4.00

GAKUMBA, ARNOLD BILALA

Academic Regalia

An appropriate costume is a necessary part of Commencement. The costume includes a cap, a gown, and a hood. Each part of the costume has special significance. The most common headpiece (or cap) for the ceremony is the black square, flattop, or “mortarboard” type with a gold or black tassel. It is called a “mortarboard” because it is shaped like the board of the mason which holds mortar. Recently, we are seeing large velvet Tam-O-Shanter style of headpieces replacing the mortarboard. Some of the velvet tams are brilliantly colored such as orange or bright blue.

The hood can be the most colorful part of the entire costume. The colors inside the hood are those of the college or university awarding the degree. The academic discipline is represented by the color(s) on the outside rim of the hood according to the table below:

Agriculture.....	Maize	Nursing	Apricot
Architecture	Lavender	Philosophy	Dark Blue
Arts, Letters, Humanities.....	White	Physical Education	Sage Green
Commerce, Accountancy, Business	Drab	Physics	Science Gold
Criminal Justice	Midnight Blue	Psychology	Gold
Economics	Copper	Public Administration, including	
Education	Light Blue	Foreign Service.....	Peacock Blue
Engineering.....	Orange	Public Health	Salmon Pink
Fine Arts	Brown	Science	Golden Yellow
Forestry.....	Russet	Social Work	Citron
Geography	Blue and Green	Technology	Golden Yellow
Journalism.....	Crimson	Theology	Scarlet
Library Science.....	Lemon	Veterinary Science.....	Gray
Mathematics	Science Gold		
Music	Pink		

The tassel on the doctor’s cap is usually gold and is permanently fastened on the left side. The master’s cap has a black tassel worn on the left. The bachelor’s cap has a black tassel worn on the right prior to graduation then moved to the left during the ceremony.

The gown is usually black. The traditional doctor’s gown has velvet panels down the front and three velvet bars on the regular sleeves. The master’s gown has no velvet, but does have unusually long sleeves. The bachelor’s gown is similar to the master’s gown but has regular long sleeves which tend to be pointed.

Some gowns may be in the color of the college granting the degree, such as “Education Blue.” Others may be “Yale Blue” or “Harvard Crimson” for the graduates of those universities. Customized stoles honor those students who have served the nation in the Armed Forces.

Academic Symbols

THE MACE

The mace is an ancient symbol of authority which is carried by the marshal ahead of the academic procession. The mace for Prairie View A&M University is four feet long and contains four bronze figures atop a Honduras mahogany base which tapers to fit into its stand. The four figures are symbolic of the four undergraduate academic years. In the hollow area beneath the figures is a flame that is equally shared. The flame denotes knowledge and excellence. The base symbolizes the entire faculty. It serves as a grip and is carried by the university marshal. The stand, which supports the mace, characterizes the administration. The visual impact of the mace as a whole is “torch-like.” The eight tassels represent the academic organization of the University.

THE TEXAS A&M UNIVERSITY SYSTEM PRESIDENTIAL MEDALLION

The Texas A&M University System’s Presidential Medallion features the seal of Prairie View A&M University and signifies the trust placed in the institution’s new leader by The Texas A&M University System Board of Regents and the Office of the Chancellor. Infused with tradition and honor, the medallion is a symbol of the responsibility to inspire, mentor and serve the students of Prairie View A&M. The System’s chancellor presents the medallion to the new president at his or her inauguration.

THE PVAMU PRESIDENTIAL MEDALLION

The President’s Medallion, the official symbol of the Office of the President at Prairie View A&M University, was created especially to commemorate the lineage of the presidency by the late Mr. Frank Hayden, nationally famous sculptor and Professor of Fine Arts at Southern University, Baton Rouge, Louisiana. The first medallion was presented to Dr. Percy A. Pierre, fourth president of Prairie View A&M University on March 21, 1985.

The medallion is designed to be worn with academic regalia at all official University programs. Abstract figures, representing the academic disciplines in an attitude of celebration, encircle the outer rim. The inner circle symbolizes the pursuit of excellence throughout four years of teaching and learning. The weave of the chain is the facsimile of that used by the ancient Greeks.

A replica will be presented to each subsequent President during his or her inauguration. The medallion will ultimately reflect the history of the presidency, revealing names and dates of inauguration.

STATE OF TEXAS
OFFICE OF THE GOVERNOR

A Message from the Governor:

I am pleased and honored to extend greetings to everyone attending the Prairie View A&M University 2020 Fall Commencement Convocation.

Today, as you celebrate your achievements and the honor you have earned as graduates of this fine institution, Texas celebrates with you. You have demonstrated excellence in your academic pursuits and should take great pride in your accomplishments.

The diploma you receive today is not only the goal you have worked diligently to attain, but also a symbol of the education that has prepared you for further academic study, a career, a productive life, and an active membership in a constantly changing society that needs your talents and energy.

You inherit the freedom and prosperity of this great state and nation as well as the responsibilities that accompany them. I encourage you to rise and meet the challenges ahead of you by building upon the foundation laid by the men and women who have come before you.

I am sure this milestone you celebrate today is merely one of many achievements you can look forward to. I encourage you to recognize the different support systems that helped you reach this place—family, friends, teachers, and professors—and to take the time to thank and honor them. The success you know today is the work of many, and those relationships will guide you as you continue on your way.

First Lady Cecilia Abbott joins me in sending best wishes for your continued success.

Sincerely,

A handwritten signature in black ink that reads "Greg Abbott".

THE TEXAS A&M UNIVERSITY SYSTEM

December 12, 2020

Dear Prairie View A&M Graduate:

Congratulations! You have managed to graduate from Prairie View A&M University during the most difficult, tumultuous year of our lifetimes. If COVID-19 can't impede your progress toward your goals, I can't imagine anything in the future will stop you.

I commend you for your personal accomplishments and tenacity. You are the embodiment of Panther Pride and Spirit. Your success is the result of your firm commitment and many sacrifices. The Regents of the Texas A&M University System and I are proud of you.

Your accomplishment, however, is also the legacy of the struggles of those who came before you, paving the way for your success today. May you never forget their sacrifices and live a life that honors them. May your success inspire the next generation.

Again, congratulations. The future is yours. I hope you will remain an active member of the Prairie View A&M University Community.

Sincerely,

John Sharp
Chancellor

ALMA MATER
DEAR PRAIRIE VIEW

Dear Prairie View, our song to thee we raise,
In gratitude we sing our hymn of praise,
For mem'ries dear, for friends and recollections,
For lessons learned while here we've lived with thee.
For these we pledge our hearts full of devotion,
To serve thee now, and through eternity.

As days go by, our hearts will not grow cold,
We'll love thy purple royal and thy gold,
We'll through our lives exemplify thy teachings,
We'll always strive a blessing to be.
Thy children we our love and pride confessing,
We'll love thee now, and through eternity.
