Baccalaureate Social Work Program
Application for Field Placement

The completion of the baccalaureate Social Work degree at Prairie View A&M University requires field practice experience for senior Social Work majors. The Field Practicum consists of 400 clock hours. This requirement meets the Council of Social Work Education's (CSWE) criteria for field placement. Field Practicum (SOWK 4176) and Integrative Seminar (SOWK 4183), taken concurrently, are designed to provide students with an opportunity to observe and participate in direct service delivery at the micro, mezzo and macro levels of practice. The Field Practicum course also provides the student with an experiential opportunity to apply social work knowledge, values, skills and methods while participating in generalist practices with clients and/or client systems.

NOTE: The BSW Program does not grant field credit for previous work or life experiences.

Criminal Background Statement

Social workers hold positions of trust and often work with vulnerable clients. Therefore, a review of the criminal history, including convictions and deferred adjudication of a prospective social worker is necessary to protect the public's safety, health, and welfare.

The criminal history of an applicant to the Social Work Education Program will be considered in making admission and retention determinations. Failure to disclose a criminal history in response to admissions and retention materials may be considered an attempt to defraud the university and the program and may subject the student to immediate dismissal from the program.

Prospective students must be aware that agencies have the right to refuse to accept them for field practicum. Acceptance into the social work program does not guarantee a student a practicum if the refusal is based on a student's criminal history. Refusal of a practicum under such circumstances will not entitle the student to any refund of tuition or other fees incurred up to that point of the program. No student will be allowed to graduate with a degree in social work without completing the field placement requirement.

In addition, the Texas State Board of Social Work Examiners requires a specific case by case evaluation to determine eligibility for licensure. Graduation from Prairie View A&M University Social Work Program does not guarantee that a graduate with a criminal history will be eligible to sit for the state licensure examination. Furthermore, employers may refuse to employ anyone, based on criminal history. It is the responsibility of the students with such histories to inform themselves whether or not their particular circumstance may affect their eligibility for licensure and employment.

Please answer the following question. Written explanation must accompany a "yes" answer.

Yes No Have you ever been convicted of or charged with a crime in any state or country, the disposition of which was other than acquittal or dismissal? Do not include Class C misdemeanor traffic offenses. (If "yes", include dates and location of criminal history).
