

## EXECUTIVE MBA TRIP TO CHINA

Prairie View A&M University's first cohort of Executive MBA students travelled to China May 17 - 25, 2014 for a study abroad excursion. The nine EMBA students were accompanied on their trip by EMBA Director, Dr. Daniel Perez Liston and Associate Director Charity Cooper. In addition to several "must-see" sights to like the Great Wall of China, the Forbidden City, Tiananmen Square, and the Yuyuan Garden, EMBA students also toured Baosteel, the largest steel manufacturer in China and Pacter, a high tech software firm that develops software for companies such as Microsoft. A few photos and excerpts from the students are provided in the following pages.

If you would like to be a part of this unique EMBA experience and learn about business from a global and executive level, contact us at [emba@pvamu.edu](mailto:emba@pvamu.edu) or (936) 261-EMBA.

EMBA Students visit Businesses, Travel to Cultural Sites

EMBA group in the Forbidden City.

"The trip gave me a feeling of empowerment and it gave me the courage to try to reach my personal and professional goals. It also gave me an appreciation for other cultures and an opportunity to learn about the Chinese culture." - Laura Felusiak

"The Prairie View A&M EMBA China trip was phenomenal. I truly enjoyed every minute of the trip, from the time we left Houston until we returned. The ability to travel to a foreign country and have a well-planned itinerary to visit several companies that were willing to share information about them and the culture was great!" - Corey Butler

"My overall experience was great! I know that I would not have received the same experience visiting China on my own. Thanks!" - Dietrick Tillis

"...(the trip) was a great experience. It was very interesting to see how the different industries in China do business... how some things were similar and others were different." - Amisha Dalwadi
